

The Charismatic Charlie Wade Chapter 146 – 150

Chapter 146

Early the next morning, Charlie was going to the auction.

Because of the Qin family's affairs, Jacob was so worried that he hadn't slept well all night, so he repeatedly told him in the living room.

Charlie said a few perfunctory words, and then asked: "Dad, I heard that there is a final treasure at the auction of Treasures Pavilion, right?"

"Yes." Jacob didn't know why, and said: "I heard it is a valuable treasure, unparalleled in the world."

After he finished speaking, he suddenly thought of something, and he hurriedly pulled Charlie and told him: "My son-in-law, don't make the idea of this final treasure. Its starting price is tens of millions. Let's take a look."

Charlie knew that his father-in-law was worried that he would use the Qin family's money, so he smiled and said, "Dad, you are right."

"That's good." Jacob was afraid that he would not give up, and added: "But even if you want to shoot, you don't have your share."

"why?"

"I went out to inquire about it yesterday. I heard that boss Yu from Xuanjitang was also here at this auction, and he was here for this final treasure."

Charlie said in surprise: "Xuanjitang is also here?"

This mysterious hall is unknown to no one.

Its owner, Mr. Jinghai, is a famous Feng Shui master in the country!

Many celebrities in Hong Kong have spent a lot of money in line to ask him for fortune-telling.

If you want to ask this Feng Shui master to look at the photos, the cost of one time is not low, all start at seven figures.

If a celebrity wants to buy a magic weapon from Xuanjitang, it will be even more expensive.

However, although the fees of Xuanjitang are expensive, it is said that there are absolutely real materials.

This is located in the iron mouth and bronze teeth of Mr. Jinghai, fortune telling is particularly accurate.

He once predicted to a reporter from Hong Kong that two well-known celebrities would be divorced in November this year.

At that time, the two big stars had just finished their wedding. They were so affectionate that the whole country booed at his prediction.

And in November, the two celebrities each posted on Instagram and announced the divorce notice.

From then on, the name of Xuanjitang spread throughout the country, making people who want to see Master more like a crucian carp.

When people in the entertainment circle mentioned Mr. Jinghai, they were also in awe.

The head office of Xuanji is in Hong Kong City, and the owner spent a lot of money to buy a floor in Central Plaza, which shows his pockets.

Unexpectedly, Boss Jinghai would also come to participate in the auction. It seems that this treasure is inevitable.

So Charlie asked curiously: “What is this final treasure?”

“Then I don’t know, we just can’t buy it anyway.”

Jacob was still nagging, Charlie’s cell phone rang suddenly.

He picked up the phone and heard Warnia’s voice.

“Mr. Charlie, my car is parked at your door. Let me pick you up on the way.”

Warnia was also afraid that something would happen at this reception, so she planned to follow Charlie and go with him.

Charlie walked out and saw a big red Bentley parked on the side of the road, with a brand-new body gleaming in the sun.

Warnia leaned against the car, wearing a bright red tight dress to set off the exquisite curves, wavy curly hair draped over her shoulders, charming, and wearing a pair of sun-shading sunglasses on her face.

Warnia saw the two come out, took off her sunglasses, and said, “Uncle Willson, Mr. Charlie, I’m going to the auction of Treasures Pavilion, and I am here to pick you up.”

“Oh, it’s Miss Song.” Jacob recognized her too, and said flattered: “Miss Song, you are so polite.”

“Yes, you two, please get in the car!” Warnia nodded politely and opened the door.

Who can believe that Warnia, the eldest of the Song family, took the initiative to open the door for a son-in-law? !

Chapter 147

Soon, the car drove to the exhibition center.

The Convention and Exhibition Center is a circular dome building. The outer circle is filled with shops selling flowers and birds, and the auction room is in the middle.

The convention and exhibition center, newly built last year, is magnificent and antique.

Charlie followed Warnia and took the landscape glass elevator to the top of the sixth floor.

As soon as the elevator door opened, an artistic exhibition hall suddenly appeared in front. Antique calligraphy and paintings hung on the surrounding walls. This is the auction house.

The auction table in the front is covered with a red carpet, and there are all sofa decks under the stage. The table is filled with foreign wines and fresh fruits for guests to enjoy.

Compared with the last auction, it can be seen that Treasures Pavilion has made a lot of effort this time. Just leasing and arranging the venue. It has spent nearly one million.

Warnia's box was in the middle of the front row, and a group of people was about to move forward, but suddenly heard a noise behind them.

Charlie only had time to turn his head, and was pushed from behind by a few people and was forced to step aside.

He frowned slightly and watched as a group of people came in through the passage. It was a few bodyguards who opened the way.

"Mr. Jinghai is here too?" Warnia exclaimed softly, looking up at the crowd.

The people who squeezed in were all distinguished guests attending the auction, but at the moment they were all surrounded by a middle-aged man with a cold and arrogant face wearing a blue cloth gown, with an extremely respectful look.

Charlie took a look and said, "It turns out that this is Mr. Jinghai, but this posture is quite good."

Mr. Jinghai was hugged by the crowd and walked forward. He drew out a light yellow triangle rune and handed it to the most complimented boss beside him. He said indifferently: "Today you and I are destined, this peace symbol is free it can keep you safe and prosperous."

“Thank you, Mr. Jinghai.”

The boss was full of surprises, flattered, took the peace talisman, carried it into his arms like a treasure, and said to the people around: “Mr. Jinghai’s peace talisman is very good. I have been asking for it every year, thanks to the past few years. Mr. Jinghai, my business is getting bigger and bigger.”

The surrounding crowd looked jealous, some cheeky begged Mr. Jinghai, but Mr. Jinghai ignored them.

The assistant next to Mr. Jinghai snorted and said to the crowd: “Do you think that Mr. Jinghai’s peace charms can be obtained if you want? The minimum cost of asking for peace charms in our mysterious hall is 200,000 for each!”

The crowd recovered, and someone shouted immediately.

“It’s rare for Master Jinghai to come to Aurous Hill City. I would like to give out 200,000 for a peace talisman, and Master Jinghai will give it.”

“I want to buy it too! Ask Master Jinghai to give me a charm.”

“Mr. Jinghai’s peace talisman is hard to find. Two hundred thousand is nothing, I will buy five!”

The scene was very lively, and many bosses transferred deposits on the spot to buy Master Wade’s peace symbol.

“Line up, one by one.”

The assistant registered them one by one impatiently, and the scene was very hot.

Charlie couldn’t help but said: “What kind of peace talisman is so expensive, it’s too easy to make money.”

His voice is not loud, but Mr. Jinghai suddenly raised his head and stared at him with frowning brows.

Mr. Jinghai pushed away from the crowd, strode to Charlie, took a look and said: “You friend, listen to your tone, do you have an opinion on my safety charm?”

Charlie said lightly: “I don’t think this is worth so much money.”

Someone in the crowd immediately said: “You know what is bullsh*t! Mr. Jinghai’s talisman, 200,000 are considered cheap!”

“That’s right! Many people are rushing to buy two million talismans!”

“This kind of rag, it is estimated that you can afford the two-Dollar peace charm in the temple!”

Mr. Jinghai looked at Charlie, snorted, and said, “You can eat rice but you can’t talk nonsense. The reason why people grow their brains is to think in their heads before speaking. It’s best not to pretend to understand.”

After speaking, Mr. Jinghai curled his lips in disdain, and walked into the exhibition hall first.

Charlie’s face was indifferent, and he didn’t even see Mr. Jinghai in his eyes.

Chapter 148

Warnia on the side said embarrassingly: “Mr. Charlie, don’t take it to your heart, Mr. Jinghai has a bigger temper.”

Charlie shook his head indifferently, and said to Warnia, “Let’s go in.”

The guests entered the venue one by one, and the host was Fungui Bao, the owner of the treasure pavilion, and a few words of routine speech on the stage entered the auction.

The auction officially begins!

Due to the temporary cancellation of the last auction, this time there were more lots than last time, and the number of guests doubled.

The first item that the two ladies of etiquette pushed onto the stage with a trolley was an antique copper incense burner, with white mist curling up and smelling fragrant.

The auctioneer introduced: "This is the Songhe Backflow Incense Burner of the Thompson Dynasty. It is one of the treasures given to the painter and calligraphy master Su Dongpo by the Emperor of Thompson Dynasty. The two boxes of ambergris are used by the Thompson Dynasty court and are not allowed to be used by the people. Moreover, the production method has been lost, and it is refreshing to hear, and it has a slight cheering effect!"

After speaking, he motioned to the lady of manners to light incense.

A lady of etiquette carefully dug a handful of incense with a silver spoon to light it.

A white smoke slowly dripping down the incense burner like a waterfall, and the pine cranes on the incense burner were vivid, and faintly flapping their wings.

A faint scent floated up in the auction hall immediately, and the smell was refreshing, and everyone couldn't help but feel refreshed.

Charlie nodded and said: "It is indeed authentic ambergris, refined by sperm whales, and this kind of hand-made incense technology is basically impossible to buy now."

The auctioneer knocked the gavel twice and said: "The starting price of the Songhe Backflow Incense Burner is 800,000, and the price is increased by 100,000."

This incense burner is exquisitely made, has a certain collection value, and the auction price is also moderate, and the audience raised placards.

In a short while, the incense burner was auctioned away by a player for 1.6 million.

Immediately afterwards, seven or eight lots were presented, all of which were high-quality antiques.

The atmosphere of the venue was warm, and guests bidding.

Jacob watched it with gusto, but he was shy in his pocket, otherwise he would be itchy and holding a card.

However, Charlie had no interest in these collections.

Although these lots are precious, they are limited to collections, and they are of little value to him.

At this moment, the hostess brought a white porcelain plate with a string of purple beads shining in the light!

The auctioneer introduced: "The natural purple pearls of the East China Sea can only be picked out from a thousand beads. The beads are round and uniform in size, which is a rare good product."

The auction price of this string of purple pearls is not expensive, as long as four hundred thousand.

Charlie raised his head and immediately bid.

"Five hundred thousand!"

Jacob's eyelids twitched, and he quickly said: "What are you doing with this! The pearl necklace is worth tens of thousands. This 400,000 is a waste! Don't shoot!"

Charlie looked at the string of pearls, thinking of Claire in his heart, and said with a smile: "I think Claire is quite suitable for wearing it. Pearls calm the nerves. She has been under too much pressure recently and has poor sleep cycle.

When he heard that he was buying for his daughter, Jacob closed his mouth knowingly what he wanted to say.

The collection value of this necklace is not high, so no one bids.

Just when the auctioneer was about to make a final decision, a voice suddenly sounded.

"Six hundred thousand!"

Charlie looked to the side looking for the sound.

He saw that Steven, from the Qin family, showed his head from the side, with a sneer on his face, and said to Charlie: "Sorry, I also fell in love with this necklace!"

Charlie couldn't help frowning, why is he here too? Isn't he forbidden by Qin Gang?

Chapter 149

Steven has had a miserable life these few days.

After getting into trouble a few days ago, he was severely beaten by his second uncle and was also banned.

However, with his extreme love for antiques, how can this level of auction be missed.

So, he tried his best to run out to participate in the auction today, but he didn't expect to see Charlie here again.

He had always been disdainful of Charlie, in his opinion, the second uncle was completely deceived by this kid.

But he didn't dare to provoke Charlie head-on. Seeing that Charlie was about to shoot the necklace, he immediately bid the price. Although it was useless, it was good to make Charlie uncomfortable.

Charlie glanced at him, then turned his head indifferently, and continued to bid.

"Seven hundred thousand!"

Steven followed closely: "800,000!"

Jacob couldn't sit still, and said quickly: "Charlie, let's not shoot, forget it, don't fight."

Charlie smiled faintly and said, "Look at how I play with him."

After speaking, he directly raised his hand: "Eight million!"

The scene was dumbfounded.

Others call 800,000, you call 8 million? Are you poisonous?

Steven was also dumbfounded. d*mn, you don't play cards according to the routine! Mine is 800,000. You should be calling 900,000. The maximum is one million. What do you mean by eight million?

Do you have money to burn, or is your brain short-circuited?

Charlie raised his eyebrows towards Steven and smiled, "Mr. Steven, continue!"

Steven sipped: "Am I crazy? Buy this tattered thing for eight million? Forget it, it suits you!"

Although Steven couldn't hold his face, he was really unwilling to bid on the basis of eight million.

The value of this bead is as high as 700,000. If he really spend more than 8 million to buy it, he will be broken when he goes home?

Money is not spent like that!

Charlie stared at Steven at this time, and said disdainfully: "Mr. Steven, you withered so soon? It seems that you can't do it either."

Everyone laughed.

Steven blushed and said, "*You're so fcking irritating me. I don't think you can afford it at all. Blind your mother asking for a price and want to lead me to a set? Humph, I have to see how the fck you take it out!*"

Charlie curled his lips: "If you can't afford it, just say you can't. What's the point of explaining so much here?"

At this time, the auctioneer also dropped the hammer.

"Eight million, deal, congratulations to Mr. Charlie!"

After that, a lady of manners came to Charlie with a wireless credit card machine and said, "Mr. Charlie, please use your card to pay."

Everyone was staring at Charlie, and Steven sneered: "Charlie, how the h*ll I see you swiping your card! Can you take out 8 million?"

Others were curious as to whether Charlie was so frantic and mad, could he really come up with so much money.

Charlie smiled lightly, took out Qin Gang's premium card, and finished swiping the card with a bang.

The premium card has no password.

Credit card successful!

The lady of etiquette handed the list to Charlie and respectfully said: "Mr. Charlie, the treasures you procured will be delivered to you before the end!"

"Good!" Charlie nodded.

Others were shocked!

It seems that he is really rich!

Buying a necklace of 700,000 at the price of 8 million, this man is really bold!

At this moment, Charlie looked at Steven and asked with a smile, "Mr. Steven, have you taken this order?"

There was a burst of laughter around, and someone ridiculed: "Mr. Steven, isn't he in the middle of his family and can't afford to pay?"

"Haha, I think Young Mr. Steven is too weak to lift the knife!"

"Hahahaha!"

Steven felt hot on his face.

d*mn, this grandson can really come up with so much money!

This time he is really embarrassed!

So he gritted his teeth and said: "Charlie, I will never lose to you in the next item!"

Charlie nodded, and said indifferently: "Okay, let's move to the next one!"

Steven didn't know where Charlie was so emboldened, let alone Charlie still holding a card from his second uncle in his hand.

Soon, a few more collections were sold, followed by a semi-finished Tian Huangyu embryo.

Half of this jade embryo is wrapped in rock to show that it is purely natural, and the price is 800,000.

Chapter 150

The naturally formed jade embryo contains a certain amount of spiritual energy, Charlie thought to himself, this thing was just right for Qin Gang to practice evil spirits, and he immediately raised the card.

"900 thousand!"

But as soon as his voice fell, the familiar voice sounded again.

"1000000!"

Charlie turned his head and met Steven's provocative eyes.

He remained silent and continued to raise his placard.

"1.1 million!"

"120!"

After several times, the price of Tian Huangyu embryos has doubled, and under Steven's deliberate bidding, it has soared to 2 million!

Many people present also saw that Steven had begun to deliberately target Charlie again.

Everyone was waiting to watch another good show, so they stared at Charlie's hand.

Charlie slowly raised his placard and said: "Twenty million!"

d*mn it!

The scene is crazy!

Two million is directly called 20 million? It's the same as before, it's directly increased ten times!

Steven's face was extremely ugly.

Is this Charlie dying? Even if you have money, is that money not money? So corrupt?

He is a famous prodigal in Aurous Hill, but even he is not willing to buy something ten times the price.

He hesitated suddenly.

Follow or not?

Follow, then throw away more than 18 million for nothing.

If he doesn't follow, Charlie is afraid that he will kill him, and these people are afraid that they will laugh at him.

He has lost face just now, and if Charlie takes it this time, it would be really shameless to come out!

Thinking of this, Steven gritted his teeth and blurted out: "I'm out of 20.1 million!"

There was an exclamation at the scene!

Steven added 100,000!

This is a challenge!

Charlie smiled slightly at this time, and raised his hand again: "I give out thirty million!"

"I go!!!"

"This f*cking crazy!!!"

"This buddy is too rigid!!!"

Two million is 20 million, and 20.1 million is 30 million. Charlie's handwriting scared everyone on the scene.

Steven also collapsed!

What is Charlie doing? Is he really so rich? Thirty million! One can buy fifteen pieces of this jade! No matter who pays this price, it will be a big taker!

Charlie asked Steven again at this time: "Mr. Steven, come on, continue!"

Steven panicked.

30 million to buy a piece of jade, if he let the family know, he will die!

Sister Aoxue is afraid that he will be crippled for life.

But, so many people are watching

How to do it?

Steven's face was red and white.

The auctioneer bid: "Thirty million once!"

“Thirty million twice!”

The lively audience at the scene began to shout:

“Mr. Steven bid!”

“Mr. Steven, you have to be hard!”

“Mr. Steven, don’t let us look down on you!”

“Mr. Steven, are you really persuaded? You just pretended to be so forceful, and now you are afraid?”

Charlie said with a smile: “Mr. Steven, if you don’t bid, you will lose!”
