

The Charismatic Charlie Wade Chapter 2418

Chapter 2418

After all, even if it is a shot headshot and the brain loses consciousness, the nervous system will twitch the whole body for a few minutes, which may trigger the switch if a person dies.

Therefore, no one dared to risk themselves and the lives of so many people.

Seeing everyone was shocked, Shred was also relieved.

He is a vicious person, but he is actually worried about accidents.

After all, although he is a desperado, he is not really afraid of death. He also wants to smuggle himself abroad and regain a new life, so he will take on such a task.

Seeing that he had completely controlled the scene of more than a hundred people with his own words, he knew that the matter had already succeeded more than half.

The rest is to negotiate terms with the police, ask for a car, take Liona and escape.

Just when he was about to go to the gate to discuss the conditions with the police outside, the cell phone in his pocket suddenly rang.

He bought this mobile phone from the black market. The identity of the owner was stolen by people in the black market. It has nothing to do with him, so he is not afraid of being found by the police.

As for this mobile phone number, only a few of his immediate family members know it, and their contact information is also very secret.

He never allows his relatives to use cellphones, landlines and public phones to contact him, and only allows them to use Internet phones that can make anonymous calls. In this way, no one can find clues.

When the phone rang, he looked down and found that the caller ID was an overseas call, so he directly pressed the answer button.

Although the call appeared to be from abroad, it was actually made by his relatives using an internet phone.

Shred answered the phone and just said hello, he heard a woman whispering on the phone: "Husband?"

Shred let out a hum, and asked in a low voice of dissatisfaction: "Why do you call this time? You don't know I have something important to do?!?"

It was Shred's wife who called.

Shred is 35 years old this year, has been married for eleven years, has three children, and his parents are alive. In this task, besides wanting to fight for himself, there is another very important reason, that is, he wants to save something for his family some settlement expenses.

After all, his parents are old and his wife has no academic qualifications. After he fled, the family was almost sitting in the air, and the economic situation was getting worse and worse.

However, after taking over the task this time, the other party called to give his family 10 million. This million has already been paid. It is almost enough for the family to live a carefree life in a small place. Therefore, Shred is now considered as worry-free, even if the mission fails, or he is arrested or killed, at least the family can live a stable life.

On the phone, Shred's wife said a little excitedly: "Husband! The person who asked us to do errands added another 20 million in my account!"

"What?!" Shred exclaimed and blurted out: "Really?!?"

“It’s true!” Shred’s wife said excitedly: “They said that they would give the family 20 million, and they want to add a condition to you. As long as you agree, the money will be given to our family!”

Shred was also excited and asked, “What conditions?”

Shred’s wife said truthfully: “They said, let you kill the target’s daughter along with her!”
