

The Charismatic Charlie Wade Chapter 2424

Chapter 2424

They are already waiting for this Rolls-Royce with eagerness. Although Issac's speed is also very fast, the situation inside is really critical and important.

Therefore, he hurriedly said: "Mr. Issac, thank goodness you are finally here, do you think it is convenient for you to drive in? If you think it to be convenient, you can directly help drive the car to the main entrance of the treasure pavilion. If it is not convenient for you, Leave this car to me, and I will drive in."

Issac turned around and asked Charlie in a low voice: "Mr. Wade, what do you say?"

Charlie also wanted to go in to see what the situation was, and said, "Go straight in."

Issac said to Ross, "Officer, I will just drive in."

"Okay!" Ross nodded, and hurriedly asked again: "Mr. Issac, is your car full of gas? That Shred asked for full gas. If you don't think so, I will arrange for someone to pump from another car. Come in a little bit."

Issac glanced at the oil meter and said, "I am basically full."

"That's good!" Ross breathed a sigh of relief and hurriedly said, "You drive directly to the gate of Treasures Pavilion, but don't get too close. When the time comes, park the car, leave the key in the car, and withdraw quickly. This is important for your safety."

"OK." Issac nodded.

At this time, Ross immediately let people open the set roadblock and let Issac's Rolls-Royce pass.

When Issac's car drove into the Treasures Pavilion, he parked the car at a distance of five or six meters from the door.

Afterwards, Issac said to Charlie, "Master, let's get off the car!"

"Okay." Charlie said, "But you will say hello to the old man later, and see if we can stay on the scene to see the development of the situation. Don't get out of the car and drive us all outside the isolation ring. ."

Issac hurriedly said, "This problem is not big, let me tell him!"

Charlie nodded: "Okay, get off the bus!"

Afterwards, the two immediately opened the door and got out of the car.

At this moment, Shred inside saw the Rolls Royce coming, and immediately rushed to the door, holding the gun in one hand and the detonating switch in the other, shouting: "You open all the doors! Open the trunk and let me Check if there is anything hidden inside!"

Issac immediately opened all the car doors so that Shred could see the car and shouted: "It were the two of us in the car just now. Now there is nothing. Can you see anything?"

Shred continued to shout, "Where is the trunk? Open the trunk too!"

Issac replied, "Okay, I'll open it now."

After speaking, quickly opened the trunk again.

Issac owns a number of Rolls Royces, although they are all equipped by the Wade family, but he has the right to use and decide.

The car he drove today was specially reserved to receive Charlie, and every time he used this car, he drove it himself. Only when Charlie needed it would he drive this car out, so this car's backup There are no personal belongings in the box.

After opening, there is nothing in the trunk.

Shred naturally looked at it at a glance. Then he nodded in satisfaction, looked up and down Charlie and Issac, and said coldly: "Don't turn off the car, leave the keys, you two can go!"
