

The Charismatic Charlie Wade Chapter 2463

Chapter 2463

At this moment.

Charlie was not in a hurry to go home, but stayed in Issac's office, staring at the current trend of public opinion on the Internet in real time with his mobile phone.

He found that now the Su family's PR forces are clearly overwhelming. No matter what APP, even if it is just a small website or forum, there are a large number of Su family PR forces washing the ground for the Su family.

They have even been helping the Su family sell miserably, trying their best to exaggerate that other people are murdering Liona and Zhiyu the mother and daughter, and they also claim that the real purpose of the behind-the-scenes gang is to completely destroy the entire Su family.

When Issac saw these remarks, he couldn't help but said angrily: "Master, the Su family are really unscrupulous. They can play with such shameless whitewashing!"

Charlie smiled indifferently: "What's this? They haven't fully exerted their strength yet. If they fully exert their strength, they will probably wash themselves further."

Issac asked inexplicably, "Master, their public opinion offensive is already overwhelming, how can they use it?"

Charlie said seriously: “The most urgent task they have now is to find Liona and Zhiyu, to see them alive, and corpses if they are dead, and if they really find a big living person, they will definitely find a way to get them together. Kill everyone.”

Issac nodded: “The wife already knows the truth, the Su family will definitely kill them!”

“Yes!” Charlie smiled slightly and said, “As long as they are sure that these are dead, the Su family can breathe a sigh of relief. Then they only need to spend money to find a few scapegoats and claim that everything is these people. What it does has nothing to do with the Su family.”

Issac couldn't help laughing: “Now let them do their best to wash themselves. When the video on your mobile phone is released, Master, it will be a large-scale face-slapping scene that will cause a sensation among more than one billion people. By then, the Su family will really become a sinner in the gutter!”

Charlie nodded and said, “To completely destroy the reputation of the Su family is a prelude to the complete destruction of the family. Once the Su family becomes a mouse crossing the street, the century-old foundation of the Su family will collapse little by little!”

Issac suddenly remembered something and asked, “Master, if your video is exposed, wouldn't it be a great help to Zynn? Now Zynn is carrying the scapegoat for Mr. Su before he can only go to Australia. If your video is exposed If that matter, Ruoli, the public will definitely recalculate the matter, and Zynn will completely clear the grievances.”

“It doesn't matter.” Charlie said calmly, “Even if I help Zynn, Zynn will be uncomfortable.”

Issac hurriedly asked, “Master, what do you mean?”

Charlie sneered: “Chengfeng, an old dog, pushed his son's illegitimate daughter to death at a critical moment, and then pushed his son away. He did this to Zynn treated

his future to death. The blood-emotions have long since disappeared. Now Chengfeng wants to kill Zynn's wife and another daughter. What do you think Zynn would think?"

Issac hesitated for a moment, and said, "If Zynn learns the truth, I'm afraid he will turn his head against him?"

"That's right." Charlie said with a smile: "Chengfeng will definitely not let Zynn turn over at that time, but after Zynn and his face are torn apart, he will definitely use the advantage of public opinion to fight back, and even try to seize control of the Su family, but Chengfeng definitely can't let Zynn seize power, because he is also afraid that Zynn will be liquidated by him, so by then, the Su family will definitely stage a big fight between father and son!"

After speaking, Charlie said again: "This does not include the other descendants of the Su family, that is, the younger brothers of Zynn!"

"Since ancient times, the prince most wanted to get rid of is the emperor, and the prince most wanted to get rid of other princes as well!"

"At that time, if Zynn and Chengfeng turn against each other, the other sons will not be idle, or the Su family will fall into a civil turmoil!"

Issac couldn't help but smiled and said, "Then we can just watch the good show then!"

Charlie smiled slightly, and said: "Watching the fire from across the bank and reaping the profit!"
