

The Charismatic Charlie Wade Chapter 2476

Chapter 2476

Shoude said nervously, "Gentleman, you...what do you mean by this, I...how can I not understand?"

While speaking, Shoude's brain was already running at high speed.

He can now be sure that the young man in front of him has no good intentions, so what he thinks in his mind is how to get out of trouble.

At this moment, the first thought that appeared in his mind was calling for help.

"On this floor of the hotel, there are at least 40 or 50 of my subordinates, and there are many masters among them. The combined combat effectiveness is amazing. This kid is not an opponent at all."

"However, this guy can quietly appear in my room, it proves that his personal strength is still very strong!"

"Combined with the previous descriptions of him by Zhifei and Zhiyu, this person can kill many top Japanese ninjas by himself. This shows that this person is extremely powerful..."

“Even if my subordinates can beat him together, I am afraid that he will kill me directly when I call for help...”

Thinking of this, he immediately gave up the idea of calling for help.

“But, if I don’t call for help, what should I do next? What if he wants to kill me?”

When he was struggling, Ruoli stepped in.

When Shoude saw Ruoli, he immediately looked like a ghost, and said with a trembling, “If... Ruoli, you... you... why are you here? ?!”

Ruoli looked at him coldly and asked, “What? You must be disappointed to see me alive?”

Shoude said in a panic, “Ruoli, don’t get me wrong. You are the flesh and blood of my elder brother and my niece. How could I wish you something...”

Ruoli gritted her teeth and cursed: “Shoude, don’t you pretend to be a good person here! Your Su family regarded me as cannon fodder and sold my life to the Japanese Self-Defense Forces. Is it true that I don’t know?”

Shoude explained in a panic: “Ruoli...That was not my decision...It’s all your grandpa...”

Ruoli immediately angered: “He is not my grandfather! He is such a cruel and shameless sc*m, I will kill him myself sooner or later!”

Seeing that Ruoli was a little excited, Charlie said indifferently: “Ruoli, you must learn to control your emotions at all times, otherwise, no matter how talented you are, it will be difficult for you to become a master in the future!”

Ordinary practitioners only practice skin and muscles. As long as they practice hard, their temper and emotions will not have much impact on their own strength.

However, for people like Ruoli, who practiced internal martial arts since childhood and mastered internal power, what they fear most is mentality problems.

Otherwise, it is very likely that she will fall into a bottleneck period, and it will be difficult to break through.

When Ruoli heard Charlie's words, she hurried back to her senses, controlled her emotions, and said ashamed, "Thank you, Master Wade, for reminding me that I was too impulsive..."

Shoude heard this and pointed at Charlie and exclaimed, "You...you...your surname Wade?!"

Charlie nodded: "Yes, my last name is Wade."

Shoude blurted out, "You...are you from the Wade family?!"

As soon as he finished speaking, he muttered to himself, "Impossible...I never heard of any masters from the Wade family..."

As soon as he finished speaking, he raised his head to look at Charlie, and the more he looked, the more he realized that this young man seemed very familiar! Seen somewhere!

So, he racked his brains and thought carefully for a moment, and suddenly a face popped out of his mind, and this face immediately frightened him!

He looked at Charlie and blurted out, "You...why do you look like Changying Wade...Do you have any relation with him?!"

Charlie put away his cynical expression, and said coldly: "That is my father, I am his son, Charlie!"
