

The Charismatic Charlie Wade Chapter 2516

Chapter 2516

Because of this, although he was very worried about Zhiyu's safety, he still did not dare to leave Australia for half a step until the father spoke.

He even dared not call to question the old man, because once he angered the old man, his fate would only become worse on the existing basis.

Zhifei is young and has never really experienced anything. The biggest and most serious thing he has experienced in his life was when he was kidnapped in Japan.

In fact, when he was kidnapped, he had already panicked.

The whole process was like a quail half-dead in fright. He was far less calm than his sister Zhiyu, so all the pressure at the moment was concentrated on his own shoulders, and he couldn't breathe.

He desperately longed for his father to come back and be his backbone, but unfortunately, he dared to disobey the old man, but his father did not dare.

Hearing that his father said he was waiting, Zhifei couldn't control his emotions and shouted, "Wait for more? What are you waiting for? You are waiting until the news of the death of Mom and Zhiyu Will be announced, will you be back for the funeral afterward?!"

Zynn felt that every word his son said was like a resounding slap in the face, slamming on his cheek, making him feel that his heart was bleeding.

However, he had no choice at this time.

He has experienced far more things than Zhifei.

He knows what is meant by “the courage not to be a man”, and he knows what is meant by “planning and then acting.”

He felt that those who knew that the opponent had a gun and rushed up with bare hands were all brave men, yet stupid.

Such people are mostly cannon fodder for others, how can they have the opportunity to become a famous player on the battlefield?

The son angered the old man. In his opinion, he was already stupid. If he disobeys the old man’s intentions at this time and runs back to the country during this sensitive period, he will definitely touch the old man’s inverse scales. Once the old man thinks he is rebellious, then it is impossible for him to have a chance to get up again in his life.

Therefore, he could only patiently explain: “Zhifei, you asked me to go back and help you, but you know that with your grandfather’s character if I go back now, you may not see my face at all, I will lose my freedom? It’s even possible that you will never have the chance to see me again in your life.”

As he said, he hesitated for a few seconds and said seriously: “Zhifei, you listen to your dad once. It is too late today. You settle down in Aurous Hill first. Tomorrow, while ensuring your safety, you will contact your grandpa and let your grandpa tell your uncle and your uncle will send someone to help you find the whereabouts of your mother and your sister. You give me one day. If your grandfather doesn’t contact me during this day, then I will ask him. In any case, I will let him approve of me to return home.”

Zhifei wanted to scold his mother angrily.

However, after calming down, he also understood that what Dad said was not without reason.

On the contrary, Dad was deliberate, but he was a bit too impulsive.

Thinking of this, he whispered: “Dad, I know... you don’t have to worry about me. I will call Grandpa in a while, and I will communicate with you again if something happens.”

Zynn gave a hum, and said, “Don’t call your grandfather tonight. I guess he should be planning how to find your mother and your sister now. Don’t disturb him. Talk about it tomorrow!”

As he was talking, his mobile phone suddenly popped up a reminder that another call came in, and he exclaimed: “Your grandpa is calling me!”
