

The Charismatic Charlie Wade Chapter 2886

Chapter 2886

As soon as the phone was connected, Zhiyu asked in a cold voice, "What are you calling me for?"

Chengfeng heard her question and hurriedly explained: "Zhiyu, grandpa called to apologize to you. Regarding the encounter with you and your mother, I do have to take full responsibility, but I want to tell you Clearly, I never thought of hurting you. What happened to you was just an accident."

Zhiyu gave a hum, and said silently: "I believe what you said, but the fact that you were going to kill my mother is not an accident, right?"

Chengfeng knew that there was no need to explain or cover-up at this time.

Everyone is a smart person, and this kind of well-knowing thing is naturally impossible to clean up.

So, he sighed and said ashamed: "Hey! I admit that I do have a big opinion of your mother, especially this time she went to Aurous Hill to publicly participate in the auction of Changying's old house, which made the whole Su family's face lost.

I was furious for a while before I made that irrational decision. I hope you can understand my difficulties to a certain extent..."

Zhiyu said neither humble nor overbearing: "Yes. Of course, there is something wrong with my mother in this matter, but I think she is not wrong. After all, it is my dad who betrayed the marriage first!"

"He had cheated before my mother was pregnant with me, and he had an illegitimate daughter. You also know this!"

“In contrast, my mother came to Aurous Hill after she clearly requested a divorce from my dad!”

“What’s more, I don’t think there is a principal problem with what she is doing. Because of such a little thing, you hurt my mother. It’s a bit too much!”

“Yes, you are right!” Chengfeng said sincerely: “After this incident, I regretted and blamed myself, so I also hope that you two can give me a chance to make up for it.”

Zhiyu said lightly: “I don’t think there is anything to make up for this kind of thing. My mother will never want to see you in her life. I may not want to see you for a long time in the future.”

After speaking, Zhiyu said again: “Although I am your granddaughter, deep down in my heart, I still hope that you can use it to assume responsibility and consequences and surrender to the police.”

Chengfeng was extremely annoyed when he heard this.

However, he did not dare to express anything but said helplessly: “Zhiyu, after all, I am the head of the Su family. Not only should I lead the family forward, but also represent the image and status of the Su family. I really went to jail, not only was it not good for the Su family, it was not good for you either.”

Zhiyu said: “I just want a just result.”

“Justice?” Chengfeng sighed and said, “Zhiyu, let’s do this, you are a smart girl, we don’t have to talk around like that. You can tell me directly, what on earth do you want me to do so you can forget it?”

Zhiyu said: “I just said, I hope you surrender yourself to the police!”

Chengfeng smiled and sighed: “Zhiyu, if I’m not wrong, you have said so much to Zhifei, you should be thinking about this matter, can you negotiate some conditions with me?”

To be honest, I don’t blame you for having such thoughts. After all, I will make compensation for your wife. So if you have any request, just say it, as long as I can accept it, I will agree to it!”

Chapter 2887

Zhiyu heard Chengfeng straightforwardly say what he thought in his heart, and couldn't help but sigh in her heart: "Talking to smart people is peace of mind. Everyone is a master who can nod in a word, saving a lot of twists and turns."

As a result, she no longer concealed her true motives and said: "You are right. I really want to get some compensation for my mother and me. I think this is what we deserve."

As she said, she added: "By the way, this is not only for me and my mother, but also for my dad! I heard that he, like my second uncle, has disappeared. He is only working for the Su family. Those who are missing should receive a certain amount of compensation."

Chengfeng asked her: "Zhiyu, don't you know about your father's disappearance? He disappeared in Aurous Hill, and I think his disappearance has a very strong relationship with your benefactor."

Zhiyu denied: "I don't know exactly how my dad disappeared. I only know that he came to Aurous Hill to help Su family negotiate cooperation with the Japanese."

Chengfeng sighed and said, "Your dad did go to Aurous Hill to discuss cooperation. He was going to see Ito Takehiko from the Ito family, but he has disappeared before he even meets Ito Takehiko.

Closely, before he disappeared, he used his authority to transfer the family's 100 million U.S. dollars to an unknown overseas account. I suspect that he might have been kidnapped."

With that, Chengfeng asked again: "Do you really know this thing? Did you never ask the benefactor, or he didn't tell you at all?"

Zhiyu said indifferently: "He never told me, but I don't think he has any reason to target my dad. My dad has never offended him, and the danger that my mom and I encountered this time has nothing to do with him."

When Chengfeng heard this, his face suddenly became very ugly.

“Zhiyu said that Zynn didn’t offend her benefactor because Zynn didn’t participate in her and her mother’s distress. Isn’t that just to point fingers to me?”

“In other words, I offended her benefactor for planning the assassination of Liona? Then is he still prepared to deal with me?!”

Zhiyu’s words contained a faint threat, which gave Chengfeng a headache.

However, he now dare not directly offend his granddaughter.

After all, he also plans to ease the relationship with her first, and then find a way to find out who the benefactor is.

If he could provide Master Cary with some clues and let Cary use metaphysical means to kill him, then he could solve this problem once and for all in the future.

So, his tone was immediately full of compromise, and he said with emotion: “Zhiyu, what you said is really correct. I’m sorry for you and your mother. And your dad suffered an accident because of the Su family. I really have to compensate you well...”

Chapter 2888

After speaking, Chengfeng said: “Zhiyu, what compensation do you want, just say it, as long as I can do it, I will promise you!”

Originally, Zhiyu did not want to make any transactions with him.

She didn’t care about money, and it was not so easy to forgive him for what he did, and she could not forgive him for what he did all his life.

However, since Charlie let her become Su Family Patriarch within three years, she has changed her mindset.

She used to be in the family, not fighting, not robbing, and not getting ahead, but now, she wants to change her way.

So she asked Chengfeng: “The reason why my dad wants to meet Yuuhiko Ito must be for the ocean shipping business, right?”

“Yes.” Chengfeng said frankly: “Our ocean shipping business has now been stopped, and there is dissatisfaction with Su empire from above, so I have not let go of it during this period.

Your father also wants to take our ships and the resources and transfer them to Japan, and the Japanese company’s shipping permits, route resources, and terminal resources can be used to continue operating this business, but it’s a pity...”

Zhiyu said at this time: “Well, I want the Su family to transfer this business to me. In the future, all the ocean transportation business of the Su family will be in my charge, and all related resources will be controlled by me.”

“Furthermore, I also require that I am solely responsible for the operation and finances, and the equity belongs to me alone, and I must not have any affiliation with the Su family!”

Chengfeng did not expect Zhiyu’s appetite to be so great.

He secretly thought in his heart:

“Zhiyu girl, want the entire ocean transportation business of the Su family?”

“Su empire’s total assets in this business exceed 300 billion! At least 20% of Su empire’s assets!”

“She wants to walk so much in one breath, this girl really has a lot of appetites!”

Chapter 2889

Chengfeng is obsessed with power, and for him, he is 10,000 times unwilling to let others separate power from him.

Therefore, at such an age, he still has to firmly control the position of Su Family Patriarch, and control every sector of the Su Family's business, as well as the overall financial power.

His seven children hadn't mentioned the idea of separating the family before, but he was resolutely rejecting each time.

Later, the seven children changed their way of thinking, regardless of the family. At least the business should be divided up and given to different people to take full responsibility.

But he still disagreed.

He is like an ancient emperor, not only disagreeing to distribute the world to the princes, but also disagreeing to let his children become kings in charge of one party.

In short, the Su family belongs to him, so no part of it can be separated.

Because of this, when he heard Zhiyu's request, his first thought was to get very angry.

If it were in the past, let alone Zhiyu, even his own children, anyone who would dare to speak to him like this would definitely get a slap in the face, and then directly driven away to some overseas country.

But now, various crises forced him to carefully consider Zhiyu's request.

He thought to himself: "If I don't agree, if she holds a press conference tonight, my reputation will never stand up;"

"Moreover, what if her benefactor stood up for her and then attacked me?"

"Before Cary killed her benefactor, I could only promise her first."

"What's more, the Su's ocean shipping industry has basically been shut down, even if it is temporarily given to her, she will not be able to make any storms, nor will she get any benefits!"

“When I resolve the threats behind her, I can naturally get these businesses back easily.”

Thinking of this, he gritted his teeth and said, “Okay! Grandpa promises you! Su’s ocean transportation business will be yours in the future. If it is convenient, you come to Suzhou to find me, and I will do all the relevant documents and contracts, and put it in your hands!”

Zhiyu said: “Grandpa, it’s true that I am still complaining to you, so I may not be able to face you for the time being. As for the contract, I will ask a lawyer to help.”

Chengfeng hesitated for only three seconds, and said straightforwardly: “No problem! In this case, I will let Anson come to Suzhou. You can find a lawyer to connect with him. After the connection is completed, the Su family ocean shipping group is yours!”

Chapter 2890

The so-called press conference, the so-called result justice, and the procedural justice, for her formerly, absolutely did not allow any moisture to be mixed in it.

But for Zhiyu now, the main thing is that she can achieve the results she wants, and she can compromise.

And the result she really wanted was Su’s ocean shipping business.

Although this business is now in trouble because of Chengfeng’s actions, she is confident that this business will be restored to life.

The ocean shipping business has high profits and great potential, and it is definitely the most promising sunrise industry at the moment.

Moreover, the Su family’s business has been hit hard and cannot be revitalized. Now that the old man is looking for this business, the old man can still accept it through gritted teeth.

But if she asks him for those industries that are currently operating smoothly and are highly profitable, he may not be able to agree.

So, she said to the old man: “Grandpa, since we have reached a consensus, please arrange for Anson to come over before dark, and try to sign the contract before the press conference.”

Chengfeng had no other words, and immediately said: “I will let him come by helicopter now, and he will be over there in an hour!”

Zhiyu said: “Okay, then I’ll wait for Steward Su.”

Chengfeng hung up the phone, his face was already dark to the extreme.

He couldn’t help muttering to himself: “Zhiyu, Zhiyu, I want you to know the joy of fish, but I didn’t expect you to be the only one who is not satisfied! Grab a little bit and want to bite such a big piece of meat, you good granddaughter, you really make me admire!”

After that, he gritted his teeth hard, picked up the landline phone on the desk, pressed the quick dial, and said, “Anson, come to my study!”

Half a minute later, Anson knocked on the door of the room, by the way, pushed the door in, and asked respectfully: “Master, are you looking for me?”

Chengfeng said in a cold voice: “Bring the legal director, and then bring all the equity information of our shipping company, the company’s articles of association and official seal, and go to Aurous Hill urgently.”

Anson asked puzzledly: “Master, what do you want him and take these materials to Aurous Hill?”
