

The Charismatic Charlie Wade Chapter 3136

Chapter 3136

After that, Zhifei said: “Isn’t new energy vehicles very popular recently? There are R&D and production bases for new energy batteries and vehicles in several cities across the country, but Aurous Hill doesn’t seem to have it yet?”

“I think we can establish a joint venture here. A new energy battery manufacturer specializes in the production of supporting power batteries for new energy vehicles.”

“It happens that we also have two traditional car brands in the hands of the Su family. Recently, we are also preparing to transform and develop new energy models. We will cooperate in depth at that time. Maybe we can build a brand of new energy vehicles together.”

Anyway, it’s just babbling, so Zhifei brags about it, and he doesn’t say anything about it with a deep heart. The Su family does have two traditional car brands, and they are indeed engaged in the transformation of new energy.

However, this kind of thing, from Business logic says that even if they find someone to cooperate with, they will only find professional companies in related fields to cooperate, and it is impossible to come to cooperate with an innocent company like the Emgrand Group in a second-tier city.

However, Zhifei feels that now new energy is a big outlet, and all companies want to come in and get a share of the pie, and it must be the same for companies of the size of the Emgrand Group.

Many companies see that the new energy industry is becoming more and more popular, but they can't find an entry point. Now they are giving Emgrand Group a free opportunity to enter the new energy field. It is impossible to refuse, such a big deal.

Of course, he is not a wealthy boy who is here to give opportunities. The reason for drawing such a big cake is to take the opportunity to attract the chairman of the Emgrand Group.

Really.

As soon as he said this, Doris's eyes flashed brightly. She couldn't hide her excitement and said, "Oh, let's talk about it Master Su, our boss has always wanted to wade in the field of new energy vehicles."

"It's just our Emgrand Group. We have always focused on real estate development and commercial real estate management. The development of the real estate, shopping malls, and hotels is our specialty."

"However, we are unable to develop new energy vehicles. The boss is worried that there is no good opportunity. If the Su family is really interested in cooperating with us, that's really a gift in the snow!"

Zhifei was very satisfied with Doris's performance, smiled slightly, and said seriously: "vice-chairman Doris, I always speak for words. Since I have come here on my own initiative, I naturally hope to cooperate with your Emgrand Group."

Speaking of this, he paused for a moment, and then continued: "As you know, although our Su family has a strong overall strength, our main business is concentrated in and around Eastcliff. There is no business foundation in Aurous Hill. There is no network at all."

"If you want to build a new energy battery and automobile production base in Aurous Hill, you must have in-depth cooperation with Aurous Hill local companies."

“In this way, it will be easier to approve, acquire land, build factories, and apply for government subsidies.”

“Your Emgrand Group is the largest enterprise here. Cooperating with you is to join forces for mutual benefit!”

“That’s great!” Doris said excitedly: “Since Young Master Su can value us, then we will definitely go all out in cooperation!”

“Yeah!” Zhifei nodded in satisfaction, then changed the conversation, and suddenly said: “Oh, right, vice-chairman Doris, I estimate that the total investment of this cooperation project will be at least 60 to 70 billion, and it may even be worth hundreds of billions.”

“For such big cooperation, I want to meet your boss and have a chat in person. I wonder if you can ask him for me?”

“This...” Doris hesitated for a moment, and then said: “Mr. Su, let me tell you, our chairman has always been not very concerned about the Emgrand Group...”

Chapter 3137

To say that Charlie is not very caring about the Emgrand Group is the expression of Doris’s true feelings.

She knew that Charlie was in the lounge behind the office, so she said this a bit loud on purpose.

Since the change of the Emgrand Group to him, the number of times Charlie has come to the office together is estimated to be no more than ten times.

What makes Doris helpless is that every time Charlie comes to the Emgrand Group, it is not because of something related to business.

In other words, Charlie, the owner, never worried about the development direction of the Emgrand Group.

In the past, Doris had no opinion on this. On the contrary, she also liked the freedom of being 100% trusted and being able to do it by herself.

However, since she had a good impression of Charlie from the bottom of her heart, his reckless attitude made her feel a little alienated from him.

This kind of grievance mainly stems from a feeling of neglect deep in the heart.

She hoped that he would come to the Group frequently, even if it is to deprive her of decision-making power, Charlie had the final say, and she had no opinion.

Because in that way, she would be able to see him often.

Unfortunately, he never took this business seriously.

Therefore, she deliberately took this opportunity to make complaints, hoping that after Charlie heard it, he would be more concerned about the development of the Group in the future.

At this moment, Charlie felt somewhat ashamed when he heard Doris's spit.

When it comes to him, it is really a complete hand-off worry-free owner.

After taking over the business, without asking questions, it was completely entrusted to Doris to manage.

That's all, after JX Pharmaceutical was started, he also threw it directly to Liang to operate.

Except for a trip to Japan in person and the pharmaceutical company that incorporated the Kobayashi family, he has never taken care of JX after that.

Moreover, when the ocean shipping group is launched in the future, there is a high probability that it will not be too much trouble.

Because there will be Melba and Zhiyu sitting there, and there will be Pollard Watt, the professor of the economics behind him, for guidance and support, it seems that he is completely useless.

Charlie couldn't help sighing in his heart that he was indeed lucky. He met a lot of reliable and competent subordinates and collaborators.

It is precisely because of their strength that he can be at ease as a business owner.

Otherwise, he would be exhausted by the trivialities of several companies.

Chapter 3138

At this time, Zhifei, who was sitting outside, asked Doris with an incredulous expression: "Why is your boss not too concerned about your group's affairs? Does he have other business outside?"

Doris nodded, and said: "Our boss does have other businesses out there."

Zhifei suddenly felt a little puzzled.

"I originally thought that the chairman of the Emgrand Group, his net worth is only an Emgrand Group, that's all."

"In that case, how could the chairman of a group with a market capitalization of 100 billion in his neighborhood compare to me, the eldest master of a trillion-dollar asset family?"

"But looking at it this way, it seems that the chairman of the Emgrand Group has other industries outside..."

"Furthermore, he doesn't care about the Emgrand Group, which has a market value of 100 billion yuan, indicating that the market value of his external industry is for sure a lot more than that of the Emgrand Group!"

"If this is the case, then this person's strength is a bit unfathomable."

In Zhifei's view, if he only had 100 billion, then everything was clear. His ceiling was 100 billion, which was far behind himself.

However, if he has more than one hundred billion, then everything becomes confusing.

More than 100 billion, it may be 200 billion, or it may be 300 billion or even 500 billion.

Once the ceiling is gone, then this height is not predictable for him.

This made Zhifei's deep sense of crisis even heavier.

In fact, he also knew his own burden.

Although he was the eldest son of the Su family, he was just enjoying the aura of the Su family.

His grandpa Chengfeng occupies the control of the entire family, let alone his own, even his father has no real power.

Without real power, it means that there is no real money.

The chairman of the Emgrand Group can put out tens of billions of cash at will, but he can't put out so much money at all.

In this case, in front of the chairman of the Emgrand Group, he will become a straw bag of gold and jade, but also a ruin...

And why does he want to pursue Sara with a deliberate effort?

On the one hand, it was because he was really obsessed with Sara, on the other hand, it was because he had no real power in the Su family.

Therefore, he eagerly wants to use Gu family's wealth to improve his own strength and even wants to use Gu family's strength to make Grandpa look at him with admiration.

In this way, it will also enhance the possibility of him inheriting the Su family in the future.

For these reasons, Sara has a powerful strategic significance to his life.

In his mind, there is absolutely no room for the slightest mistake!

Chapter 3139

When he thought of this, his heart was even angrier.

Not only did he hate the chairman of the Emgrand Group, he even dared to run out to win love, but also hated his grandfather Chengfeng.

A dying old thing who firmly held control of the Su family and was reluctant to let go of his power towards his younger generation.

He even hated his sister Zhiyu.

She actually took advantage of the grievance she had suffered, forced the old man to leave the entire ocean transportation group, and even took the old man's private island for retirement.

In contrast, he has nothing.

Really, nothing...

Thinking of this, he gritted his teeth and raised his head to look at Doris.

He said, "Miss Vice-chair, your boss will not have trouble with money if he wants to come. If we both reach a cooperation, it may be a company with a scale of hundreds of billions."

"Looking at our domestic new energy car companies, the market value of the largest one has approached the 100 billion U.S. dollar mark, which is more than 600 billion yuan!"

“If we join forces, we will probably not be any worse than them, so big. Your boss will be interested in buying and selling if he wants to, so you might as well call him or send a text message to report and see if he is really interested.”

Doris hesitated for a moment, and said: “In this case, I will report to our chairman first.”

Zhifei instantly beamed his eyebrows and blurted out: “Okay! See what he says.”

Doris took out her mobile phone and sent a message to Charlie on WeChat.

The content is: Master, how should I reply to him now?

Charlie replied: You ask him if he is really sure that he wants to see me.

After receiving it, Doris put down her phone, looked at Zhifei, and asked seriously: “Master Su, are you sure you want to see our chairman in person?”

“Of course I am!” Zhifei said without hesitation:

“Ms. Doris, I don’t mean to look down on you, but for such a big business, it is naturally more efficient to talk to your boss directly. What do you think?”

Doris nodded, her tone suddenly lost its enthusiasm, and she said lightly: “Well, since you are sure, then I will invite our chairman to talk to you.”

Zhifei couldn’t help frowning. He didn’t expect that Doris suddenly became cold-hearted, and changed her respectful expression just now, and changed the title from “you” with admiration and awe to “you” with indifference.

This made him feel a little bit in his heart. A feeling of offense passed his mind.

At the moment when his anger surged, a door in the office was suddenly pushed open, and a somewhat familiar voice came and asked with a sneer: “Mr. Zhifei, you are so impatient to see me right?”

Chapter 3140

Zhifei never dreamed that a person would suddenly appear in the innermost part of Doris's office.

Moreover, he was more puzzled as to why this person's voice made him feel a little familiar.

When he subconsciously turned his head to follow the sound, his whole brain exploded with a buzzing sound.

His eyes widened in an instant, and his thinking fell into sluggishness in an instant!

He naturally recognized Charlie at a glance!

After all, the impression he left on him in Japan was too deep, and he could not forget this appearance until his death.

At this moment, he was shocked to the core, and immediately afterward, he couldn't help but mutter:

"Ah...it's...it's you?! This...how is this possible!!!"

Charlie came to face him and asked jokingly: "Why? We haven't seen each other for some days. When you see me again, you won't even call me Grace?!"

Zhifei was instantly stunned by Charlie's powerful aura, and immediately came to his mind the shocking picture of him killing several ninjas in Kyoto, Japan that day!

So, he trembled all over, and immediately bent over and bowed, and said respectfully:

"Well...Grace...you...how are you here?! My sister and I have been looking for you since our goodbye in Kyoto."

"I want to repay your life-saving deed, but I didn't expect to see you here... I am so surprised to see you just now, how improper my manners are, please forgive me!"

Charlie sneered and said: “Zhifei tell you something, you don’t even treat your own in Eastcliff well with respect, and you have come to Aurous Hill to get respect.”

“You have come to Emgrand of your own initiative, you wanted to see me. I have come out as you wished.”

“Now tell me why are you here has your brain stopped working?”

Zhifei exclaimed: “Grace...you...you are the chairman of the Emgrand Group?!”
