

The Charismatic Charlie Wade Chapter 3290

Chapter 3290

Half an hour later. When Robin, the five-star war general of Cataclysmic Front, was leading a thousand soldiers to meander back towards the west wing of Hamid's base, the Su family's subordinates had already prepared several tables of incomparably rich banquets.

Chengfeng kindly invited Joseph and his men to sit down at the banquet.

He took Joseph's hand and let him sit beside him, while not forgetting to continue to climb up with Joseph, sighing:

"Joseph, if your father knew what you have achieved today, his spirit in heaven would be extremely relieved"

Joseph thought of his late father, naturally, his heart was very emotional.

He came back this time to avenge his parents, but he also hopes to be in front of their graves.

He wants to tell them about his experiences over the years in order to console their spirits in heaven."

"He should, He should!" Chengfeng nodded his head repeatedly. Asked, "Joseph, what are your specific plans to seek revenge on the Wade family?"

Joseph spoke: "I have asked my men to use another identity and buy back our Wan family's old mansion, I will depart for Eastcliff this afternoon."

"First return to the old mansion for a few days, in addition, to wait for my three Generals to finish the task at hand and meet me in Eastcliff."

Saying that, Joseph's eyes burst out with a strong murderous aura and said in a cold voice: "At that time, the four Generals of the Cataclysmic Front will gather in Eastcliff, and other experts will also come to Eastcliff one after another from all over the world."

"On the day of the Qingming Festival, I will bring them, as well as the sixteen battle generals of the Front, and hundreds of elites, to destroy Waderest!"

Hearing this, Chengfeng's dried arteries were already boiling with fervor, and he was busy asking, "Joseph. Those three Generals of yours, where are they at this moment?"

Joseph blandly said, "One person is in Palestine, another is in Yemen, and another is in Syria."

Chengfeng nodded gently and thought, "It's true that they are all places that are always at war."

So, he complimented: "These places are constantly at war, your men have been training in such places for years, the level of actual combat must be very good!"

"I'm afraid it's no less than the famous Blackwater!"

Joseph said without modesty: "In terms of actual combat level, I am not inferior to companies like Blackwater, and it is only natural for me to be ranked first in a large-scale mercenary organization."

Speaking of this, Joseph said disdainfully, "The reason why companies like Blackwater are famous all over the world is because of the human tactics and the support of their governments."

"It won't take long for me to overtake them and become the number one mercenary!"

Chengfeng laughed and said, "I believe you will have no problem!"

Joseph nodded, said with an arrogant face: "American Blackwater was hired by Syria some time ago to clear the opposition forces in the country, but it took Blackwater a year to achieve results."

“But I just cooperated with Syria for just a month, and I have already broken through and conquered several cities in a row!”

“I believe, another half a month, we will be able to completely wipe out our opponents and win!”

“At that time, Cataclysmic Front will beat Blackwater’s face in front of the world’s mercenary organizations!”

After the victory, we will build a mercenary base in Syria covering an area of over 100 square kilometers.

Chengfeng was dumbfounded and said out loud, “A hundred square kilometers? How could they give such a large area of land to the Cataclysmic Front?”

Joseph blandly said: “This is the condition I agreed with them, I help them to pacify the opposition forces.”

“They provide me with the land and all the facilities I need, a hundred square kilometers of land use rights, in developed areas is indeed impossible, but in that kind of place, ten times is nothing, and for them, long-term cooperation with the Cataclysmic Front is beneficial.”

“The Cataclysmic Front will also assist them to maintain stability, we each take what we need, a win-win for all!”
