

Chapter 2737

Tina took action again the next second, with no warning. Darryl got another hard slap from her!

" How dare you look at me like that! think you are not afraid of death!"

Tina said coldly. As she spoke, Tina started to search all over Darryl's body. She soon discovered the Heavenly Halberd.

Darryl kept the Heavenly Halberd on his body when not in use because its size was neither large nor small.

Tina was overjoyed when she got her hands on the Heavenly Halberd, ' With this grand weapon, my power will skyrocket

However, Tina had an idea, and her vision landed on Darryl. She said, ' Darryl, you just need to answer a question from me, and I will let you die an easy death."

Tina's eyes looked complicated when she said that.

There was a myth that Lu Bu possessed a particularly powerful technique.

When combined with the Heavenly Halberd, it had the potential to unleash incredible power that would astound both the sky and the earth.

That was how Lu Bu could conquer the world and became unbeatable during those years.

Darryl had learned that technique after he obtained the Heavenly Halberd,

Sigh!

When Darryl heard that, he took a deep breath and asked, " What is the question?"

Darryl had calmed down at that point.

Tina's eyes continued to roll, and he realized she must have wanted something from him. Whatever it was, he would still have a chance if she did not take action temporarily.

Tina laughed coldly as she sat beside him on the chair. Her hand stroked the Heavenly Halberd. " Lu Bu possessed a set of techniques known as the Blood Battle Eight Directions. When his ancient tomb was discovered, rumors

circulated in the community that you stole the scripture. Tell me the formulas now!"

Darryl scolded her quietly. ' Tina is too greedy. Even with the Heavenly Halberd, she is still unsatisfied. And she wants the Blood Battle Eight Directions technique?'

Darryl smiled and looked Tina in the eyes when he realized that. " You are looking for the Blood Battle Eight Directions? Okay, I will give it to you, but there is a condition!"

Darryl's face was solemn when he said that!

" Fine, what is the condition ?!" Tina walked closer and asked immediately.

Darryl smiled weakly. " It's simple. Kneel and bow to me as your master!" This Tina is cruel and greedy; I must teach her a lesson!

What?

Tina's body trembled, and she was enraged. " Asking for death!" She slapped Darry again.

" This Darryl is really not afraid of death. He is about to die, yet he still wants to take advantage of me!"

Slap!

A crystal-clear sound was heard when the slap landed on Darryl's face.

Darryl's body fell backward, and fresh blood was seen at the corner of his mouth!

Darryl smiled, despite his pain. " Tina, it is reasonable to learn a technique from your master. After all, I am going to die soon. You only need to acknowledge me as your master to obtain the Blood Battle Eight Direction technique. You have nothing to lose!"

" Otherwise, let us try another condition; take me to Diana, and I will give you the formula!"

Darryl realized that Tina would not kill him for the time being because she wanted the Blood Battle Eight Direction formula. He must seize the opportunity to buy more time. It would be ideal if she could take him to Diana. Sigh!

Tina was enraged when she learned

that. " Darryl, I think you are not afraid to die!" She bit her lips. She lifted her hand and was about to strike Darryl on the chest.

However, Tina only wanted to scare Darryl. She wanted the Blood Battle Eight Direction technique desperately, how could she take Darryl's life?

She wanted to take action?

Darryl's heart trembled, but he still pretended to be fearless of death and shut his eyes.

Wow!

Tina abruptly came to a halt as the punch was about to land on his chest. She clenched her fists and exclaimed, " Okay, I will take you to Diana.

However, keep in mind that if you do not share the formula by then, I will kill you many thousand times over." She would never kneel to Darryl and address him as her master; she could only choose to take the risk and bring him to Diana.

Tina did not want to settle at all, but she had no choice because her master had already given the order. Darryl had to die before the sun was up; she did not have much time to waste with him. Darryl's face brightened with a smile when he heard that.

Chapter 2738

Tina wasted no time in transporting Darryl to the underground prison in the dark!

It was late at night at the time, and Tina was familiar with the underground prison's surroundings. They easily avoided the disciples on patrol!

At that moment, in the underground prison!

Diana sat there, her gorgeous face filled with worry

' When Alan became Sect Master, the first thing he did was kidnap me.

Darryl is still resting in the room, and I don't know anything about his condition.'

Creek ...

The prison door was pushed open at that point, and a slim body walked into the cell. She had beautiful features, but her eyes were filled with ridicule; it was Tina!

What?

Diana's body trembled when she saw Tina. She was on her guard instantly! Tina was Alan's beloved disciple; she must be up to no good when she appeared in the underground prison!

The next second, she saw Darryl behind Tina. Diana was stunned. '

What's going on?'

"Darryl!"

When they arrived in front of Diana, Tina looked impatient. "You've seen her; say your last words quickly!"

Tina would never have brought Darryl to the prison, let alone allow him to see Diana, if it were not for her desire to obtain the Blood Battle Eight Direction technique.

What?

Diana's beautiful face changed when she heard that. Her eyes shifted toward Darryl instantly

'Last words? What did she mean by the last words?'

Then, Diana realized that Tina wanted to kill Darryl, and she must have received the order from Alan.

Diana trembled from her anger. 'Alan is really cruel and evil!

"Right!"

Darryl nodded, and despite the fact that he was about to die, he was unconcerned. "You may leave!" he said calmly.

Leave?

Tina's eyes flashed, and she smirked as she said, "Darryl, stop messing with me. Say whatever you want to Diana, but hurry up and don't try to be funny. It is gracious of me to bring you here; don't be so demanding!"

Darryl is too despicable; he wanted me to leave?'

"Tina." Darryl looked as if he was not sure if he wanted to laugh or otherwise. Then, he said, "Do you want to hear my secret words with my

master? Furthermore, my life is in your hands; why are you so demanding?"

Darryl discreetly signaled Diana as he spoke.

Diana was a wise woman; she recognized Darryl's desire to drive Tina away. She nodded and said, Darryl is my disciple, Tina. It is his fate that he ends up in your hands.

" Given his condition now, there is no way for him to escape. He needed to tell me his final words, so please excuse yourself. "

That ...

Tina bit her lips when she heard that; she felt conflicted.

' Alright, I will wait outside. Darryl is severely injured; there is no way for him to run away!'

Tina nodded her head in agreement. However, they heard a sound from the outside,

" Saint Master!"

The voice of a disciple was heard, followed by the sound of footsteps outside the room.

' What? Alan is here?'

Darryl, Tina, and Diana were all stunned. They looked terrified!

Darryl wanted to cry, but there were no tears. He wanted to meet Diana to discuss their plan. However, Alan had arrived before he could chase Tina away!

Darryl could clearly hear footsteps outside getting closer; the man was about to enter the prison!

Chapter 2739

Tina was extremely worried!

' Sh * t, Master told me to kill Darryl, but I brought him to the underground to meet Diana because I wanted to obtain the Blood Battle Eight Direction technique. If Master saw that, he would punish and scold me.'

" Darryl! "

Tina was so worried under the pressure that she said, " Hurry, hide under the straw mat, hurry!" The prison cell had

no beds, only a few straw mats.
However, due to the dim lighting,
Master will not notice Darryl as long as
he hides properly. '

" Alright!

When Diana heard that, she nodded
and said, " Right, hide first!"

Alan despised Darryl to his core. If he
saw Darryl there, he would definitely
take action himself. Darryl had been
severely injured; how could he possibly
defend himself against Alan?

Sigh!

Darryl, on the other hand, did not
move and instead exhaled a sigh of
relief. It was unclear if he was smiling
when he said to Tina, " Your master is
here. Why are you panicking?"

Darryl made a face as if he did not care if
he were to die. " Since I am going to
die, it doesn't matter if I hide or not!"

When he said that, Darryl's face looked
hideous!

He chuckled inwardly.

Tina is panicking. She must have been
concerned that Alan would see me and
learn about her plan to obtain the
Blood Battle Eight Directions
Technique. I have to take advantage of
the opportunity to fool around with
her!

That!

Diana was speechless when she saw
that, and she did not know if she would
laugh or cry.

' Darryl is still thinking of all those
thoughts, even now!'

Tina's expression changed; she
became angry and concerned. " Darryl,
do you really want to die? When my
master sees you, you will definitely die!"

Tina was panicking and on the verge of
crying as she spoke, her attention
drawn to the movements outside.

' It is fine if Master scolds and punishes
me later, but I will not be able to obtain
the Blood Battle Eight Directions
formula.

Darryl chuckled inwardly again.

Darryl smiled and said quickly, " Tina, I
know what you are thinking. When
your master sees me, he will

undoubtedly kill me. And you won't be able to obtain the Blood Battle Eight Directions then, right? That is why you wanted me to hide so badly."

He chuckled again.

" You will have to beg me if you want me to hide!"

Even though his voice was not loud, it was unmistakably stern.

What!

Tina's expression changed, and her eyes appeared to be on fire. " You want me to beg you?" she asked as she controlled her anger.

Tina's teeth were clenched as she said that!

' You are a deviant, Darryl. You want to trick me every chance you get. Let us see how I torture you after Master leaves!

Darryl wasted no time when he saw Tina agreed right away." It is simple, " he said with a smile." Beg me and call me father one more time. "

' Tina has caused me so much grief; it would be too kind of me to just let her call me father.

What?

Tina's body trembled when she heard that. She pointed at Darryl and said, " Darryl, you are asking for death!"

Tina's internal energy rushed as she spoke, and she could not hide her killing aura. Darryl became more demanding as she exerted more control over herself; that was despicable!

Darryl was unconcerned. He said, "That's fine with me. I will still die whether it is in your or your master's hands. "

" Keep dreaming, " Tina said with her teeth clenched.

' I wanted to get rid of this person so badly; how can I call him father? '

Darryl looked out the window and pretended not to notice. " It is up to you if you want to call me that. The clock is ticking; your master will arrive very soon! So, if he sees me here, I am afraid you will not be able to obtain the Blood Battle Eight Directions technique!"

That b * stard!

Tina bit her lips when she heard that; her body was trembling as she was furious. She took a deep breath to suppress her anger and looked at Darryl. " Father, I'm begging you!" Tina was not willing at all to address Darryl as her father.

' However, I have no choice. I want the Blood Battle Eight Direction technique, and I have already reached this stage. If I give up now, I will be sorry for the rest of my life. I already have the Heavenly Halberd!

Chapter 2740

" Yes, my good daughter! "

Darryl nodded in satisfaction when she finally greeted him." Such an obedient girl; Father will listen to you and hide! " Darryl bent his waist and hid beneath the straw mat as he spoke!

Tina's beautiful face turned cold as she hid beside Darryl at that moment! Tina was right; she did not want Alan to see her. Alan had sent her to kill Darryl, so she could not be in the underground prison at that moment.

" Darryl!"

The moment she went under the straw mat, Tina suppressed her voice and said coldly, " Behave and don't do anything foolish!"

Darryl ignored her; he was observing the situation from the gaps between the straw mats.

Whoosh ...

Alan walked in slowly, accompanied by his two disciples, at that precise moment.

Wow!

Alan's gaze was fixed on Diana, and an evil grin appeared at the corner of his mouth.

Altar Master Olsen, this underground prison doesn't feel good, right? " Alan laughed as he asked.

Diana's face was emotionless, and she only grunted coldly.

" All of you can leave." Alan motioned to the disciples behind him with his

hand. His voice was firm and unmistakable. " No one can enter without my order, no matter what you hear later."

" Yes, Saint Master!" The two disciples responded unanimously and then exited the room.

Sigh!

Alan walked forward slowly after his disciples had left; he sized up Diana. He smiled and said, " Diana, we are members from the same sect. Even though you will not be able to avoid being held responsible for Darryl's abduction of Lady Chang Er, I can give you a chance with one condition!"

" Speak!" Diana said coldly; she was on her guard ' Alan came so late at night to talk to me about that; he must have a hidden agenda.'

Alan laughed.

" It is simple; you can be my woman in the future," Alan said as he stared at Diana.

What ?!

Diana's body trembled; she was furious and humiliated. " Dream on!"

' I knew that Alan was up to no good. I just did not expect him to be more despicable than I could have ever imagined!

Darryl, who was hiding in the dark, was also enraged. He clenched his fist tightly in the darkness.

This Alan is really a despicable person. Tina, who was hiding beside him, blushed and felt extremely awkward.

" Master had such thoughts about Diana.'

" Diana!"

Alan was not angry when he saw Diana's reaction. Instead, he got more interested. " I gave you an opportunity; don't waste it!"

" Get lost!"

Diana was enraged and shocked to see Alan staring at her with an evil grin on his face. She could not help but yell. However, when she was apprehended in the main hall, she had depleted a large portion of her internal energy. As a result, her angry yell was not at all

threatening

" Get lost?"

Alan drew closer and smiled as he approached her. " Are you still blind to the situation, Diana? I am the Saint Master now, what about you? You are just a prisoner. The fate of you and the entire Celestial Wood Altar is in my hands. You want me to get lost?"

Alan's smile darkened as he spoke. " You should think about it carefully. It is an honor for you to be my woman."

The man laughed.

Diana's body trembled with anger when she heard that. " Alan, you despicable b * stard! You are worse than an animal. You will not end well."

' I am the Altar Master of Celestial Wood Altar; how can I be humiliated by Alan in such a manner?'

" Darryl and Tina are also witnessing this right now; how humiliating is this? !!

" Stop pretending to be virtuous; do not squander such a wonderful opportunity! " Alan could not take it any longer and burst out laughing as he leered at Diana. The next second, he jumped on her.

" You,"

Diana was shocked and enraged; she retreated instinctively, but Alan still grabbed her hands

When Diana was avoiding him, something fell from her body; it was some pills and amulets.

" Trying to hide? " Alan grabbed Diana's hands tightly and had an evil smile on his face. " You think you can escape from me tonight? "

Chapter 2741

Alan was about to lean in closer to kiss Diana as he spoke.

What!

Darryl and Tina, who were hiding beneath the straw mat at the time, could not take it any longer. Then, Tina made a sound by accident!

" Who's there ?!"

When Alan heard the noise, he was

taken aback. " Whoever is hiding there, come out now!" he yelled angrily as he looked at the straw mat.

Tina's body trembled as she realized she could no longer hide; she walked out cautiously. " Master, it's me!"

Scanned by TapScanner

Tina felt her heart was about to leap out of her chest when she said that. ' Sh*t, Master has found me. This is going to be difficult to explain.'

Tina felt glad. ' As long as Darryl does not appear, I will still have the chance; I just need to find a good excuse.'

Tina?

Alan's face changed when he saw her. He said impatiently, " Didn't I send you to get rid of Darryl? Why are you here?"

Alan was furious. His great plan had been interrupted; who would not be angry?

Bang!

Tina's body trembled; she knelt on the ground and said, " Master, please let me explain. Darryl told me Diana knew a secret. I am here to interrogate her." At that moment, Tina's mind was in a mess. She wanted to lie but could not find the right words to complete it.

" A secret?"

Alan furrowed his brows. He looked at Diana and then shouted at Tina. " If that is the case, why are you hiding under the straw mats?"

Even though Alan was a deviant, he was very cautious. He knew that Tina was lying

" I..." Tina bit her lips; she could not speak at that moment

Darryl wanted to laugh.

He was overjoyed when he saw that from underneath the straw mats.

Tina is so greedy that she wanted my Blood Battle Eight Direction technique. In the end, she had set herself up. She deserves it!

Darryl was in deep thoughts as he stared intently at the situation in front of him; he tried to find a quick solution.

The next second, he noticed the items that Diana had dropped on the ground. Darryl's eyes flashed, and he had an

idea.

" Speak!"

Alan had lost his patience. He shouted at Tina, " What are you hiding from me?" Tina's body trembled; she looked conflicted. She did not know how to answer that.

" Fine, let me speak for you!"

A calm voice was heard at that precise moment. Then, Darryl lifted the straw mat and walked out slowly.

Darryl?

When Alan saw Darryl, his expression changed. His eyes instantly turned fierce with a vengeance, and he was shocked at the same time.

' Didn't I order Tina to kill him? Why isn't he dead? And why is he in the underground prison?'

Alan's vision burned as he glared at Tina, " What is going on?"

Tina opened her mouth, but Darryl cut her off before she could say anything.

" Tina, you have decided to join us; why should you be afraid of him?" Darryl spoke, and it was unclear whether he was smiling or not. " Since I have already given you the Blood Battle Eight Directions formula, your power will undoubtedly overwhelm Alan once you finish your cultivation!"

Darryl's eyes glowed with malice when he said that!

Darryl wanted to instigate their relationship. That was the only way he could have a chance to save Diana.

What?

Alan was furious when he heard that; he glared at Tina, " You joined Darryl?" Tina shook her head repeatedly. "

Master, please don't listen to his lies. Then, Tina glared at Darryl and said, " How dare you slander me?" She was about to attack Darryl, but she lost her courage when she noticed her master staring at her coldly.

Daryl ignored Tina and turned to Alan. He said, " Alan, she agreed to let Diana and I go on the condition that I teach her the Blood Battle Eight Directions technique. That is why we were both hiding under the straw mat!"

Then, Darryl turned to Tina. " Your Master is a human with a monster's heart. Do not bother explaining to him anymore now that you have decided to leave him."

Darryl spoke whatever came to his mind, without hesitation, because he intended to provoke their master disciple relationship

Chapter 2742

" You"

Tina was furious. She almost could not stand up steadily, but she did not know how to retort.

Tina had no idea Darryl would be so deviant. He had already gotten her into serious trouble before she even had the Blood Batter Eight Directions formula in her possession.

" Fine!"

Alan's face turned green at that point, and he nodded at Tina. " Okay, Tina. I adored you, yet you betrayed me."

Alan did think that Darryl was deliberately provoking their relationship, On second thought, if Tina had nothing to hide, why would she hide under the straw mat with Darryl?

" Master, Darryl is talking nonsense. I will never betray you!" Tina was worried; she scrambled to explain. However, Alan did not believe her at all. The more he thought about it, the angrier he got. " I shall get rid of you, traitor!"

Bang!

Then, Alan activated his internal energy and punched Tina.

Tina panicked and quickly hid to avoid that hit. As she ran, she shouted, " Master, please, stop!"

' Here is my chance!' Darryl chuckled inwardly

Darryl dashed over to Tina just as Alan was about to attack her!

When he got in front of Diana, he picked up an amulet from the ground and held her hand.

" Alan!"

Darryl smiled and shouted at Alan,
Take care of your sect; I shall not
interrupt you. We will meet again! "
Darryl activated his internal energy
and pushed the force into the amulet a
she spoke

Darryl had indeed picked the Wonder
Travel Amulet. It was fantastic! Darryl
had relied on the same amulet to
escape at the most critical of times!
There were limited Wonder Travel
Amulets on the Nine Mainland.

However, as the Holy Saint Sect was a
Taoism Saint Land, and Diana was the
Celestial Wood Altar's Altar Master,
her identity was unique. It was not
unusual for her to have the Wonder
Travel Amulet!

Darryl had a plan in his heart when he
saw the Wonder Travel Amulet fall off
Diana's body. He would first provoke
the master-disciple relationship
between Alan and Tina. Then he would
find the ideal opportunity to leave the
location with Diana using the Wonder
Travel Amulet!

Darryl had suffered severe injuries. He
could not fight, but he had no trouble
activating the Wonder Travel Amulet!

What?

Alan realized something was wrong
when he heard that. He wished he
could rush over, but it was too late!

Bang!

At that moment, a bright ray from the
Wonder Travel Amulet engulfed Darryl
and Diana, followed by a powerful
spiritual energy that whisked both of
them away in an instant.

Darryl and Dian vanished from the
underground prison in the blink of an
eye!

Alan and Tina were speechless,
"Darry, don't run."

At that moment, Alan and Tina were
shocked and furious!

Tina, in particular, was concerned as
she stomped her feet. She did not get
the Blood Battle Eight Directions
techniques, her master was suspicious
of her, and Darryl eventually left as
well. That was a total loss.

Alan's face darkened as he realized Darryl had used the Wonder Travel Amulet. He had dragged Diana along with him.

The Wonder Travel Amulet's teleportation was completely random. No one would know where they would end up

Meanwhile, at the Royal City of the North Moana Continent!

Gonggong and the ministers were discussing country management issues in the grand and beautiful palace's main hall.

After the Nine Mainland and the Raksasa Tribe battle ended three years ago, the North Moana Continent was left without a leader due to Yang Jian's death. Over the last three years, the ministers had sent someone to the Holy Saint Sect on numerous occasions to invite Chang Er to govern the continent. However, Chang Er had been deeply disappointed and heartbroken by Emperor Hou Yi's death, so she had declined the invitation

"Report!"

At that moment, just as Gonggong and the minister were in discussion, a royal guard ran into the hall quickly. He shouted loudly and emotionally, "Masters, Lady Chang Er is back!"

Wow!

When everyone in the main hall heard that, they were ecstatic.

Lady Chang Er had finally decided to return.

Everyone rushed out of the main hall to greet her at that moment.

Chapter 2743

What?

Everyone was taken aback when they walked out of the main hall and saw what was in front of their eyes, They walked in slowly after they saw someone else supporting Lady Chang Er. Her face was pale, and she appeared weak. She had clearly been on a long journey.

The person beside her appeared cold,
and his eyes were arrogant as if he
looked down at the world.

" Darryl?"

" Why is he with Lady Chang Er?"!
Gonggong and the others regained
their thoughts and discussed the
situation a few seconds later.
That was Harold; he was still
impersonating Darryl.

Harold brought Chang Er to the North
Moana Palace half a day ago, on Zhang
Jue's orders, to make a scene that
would completely destroy Darryl's
reputation.

Lady Chang Er displayed no facial
expressions or emotions when
confronted with everyone's questions.

" Everyone! I heard that the North
Moana Continent did not have an
Emperor on the throne, and you all are
still waiting for Lady Chang Er's return
to manage the continent," Harold said
as he supported Lady Chang Er and
looked around his surroundings.

" I've brought Chang Er back to you.
Lady Chang Er is someone I have
admired for a long time. From now on,
I will be the North Moana's Emperor,
and Chang Er will be my Empress!
Everyone, please, come and offer us
your greetings!"

Harold's face was filled with arrogance
as he said that.

He did that under Zhang Jue's orders.
Darryl's name was to be destroyed, and
he was to be completely humiliated!
What!

They were all furious when they heard
that, whether it was Gonggong or the
ministers!

' Darryl is far too arrogant. How dare he
take advantage of Lady Chang Er when
he aspires to be the North Moana
Emperor?'

What!

Gonggong furrowed her brows as she
stared at Darryl; her heart seemed
incredibly conflicted

It had been three years, and she had
not expected Darryl to transform into
someone else after disappearing for

three years completely.

Three years ago, Gonggong had received Yang Jian's order to assassinate Darryl, and she nearly paralyzed the man. Gonggong had always harbored regrets about that in her heart. However, when she saw how arrogant Darryl had become, the guilt in her heart turned to rage!

'Lady Chang Er is a goddess on earth; how can he humiliate her?'

Gonggong took a deep breath and asked, "Darryl, may I ask you why you brought Lady Chang Er here?"

Harold laughed

Then, he smiled and said arrogantly, Do you still need to ask that? Is there anyone in the Holy Saint Sect who can stop me if I want to take Chang Er with me? "

What?

Everyone in the room was enraged when they heard that. Darryl had clearly abducted Lady Chang Er by force!

Gonggong could not take it any longer, and she yelled at Harold. "Darryl, I always thought you were a gentleman and a hero. I never imagined you could be so heinous. You captured Lady Chang Er in such despicable ways, and now you want to be the North Moana Emperor? Do you think you deserve it?"

As she spoke, the other ministers began to yell angrily!

"Darryl, let Lady Chang Er go!"

"Disgracing Lady Chang Er is the same as humiliating the entire North Moana Continent."

"Don't waste time; take him down!"

Many people activated their internal energy and charged forward to surround Harold after they shouted loudly!

"Stand there!"

When everyone stared at him, Harold roared and immediately drew a blade and held it against Chang Er's neck!

"I will kill her if anyone steps forward!"

"Harold's eyes looked crazy as he said coldly, "Kneel immediately and accept me as the emperor if you don't want

Chang Er to die!"

Wow!

Everyone was furious when they saw that. However, none of them dared to act recklessly!

" You,"

Gonggong's expression changed; she was enraged and shocked. She had never imagined that the Darryl in front of her would do such heinous things for power

That is Lady Chang Er; how dare he threaten her life!

' He is crazy!

Gonggong and everyone did not know the person in front of their eyes was not Darryl at all; he was an imposter.
