

Billionaire God of War

Novel Chapter 2325 –

2326

Chapter 2325

For people like wolf, even with a greedy word in their name, how can they not be greedy?

Not to mention, Andrew has seen too much of the brutality and cold-bloodedness of the wolf during the period of contact.

Now that he has the opportunity, his strength must be advancing by leaps and bounds, then how could his ambition not expand?

But at this moment, it's not the time to care about these things.

Andrew asked Fang Qiu and the others to go back and adjust their state. The next battle may not be far away.

And he immediately returned to the South Estopia with Brother Dog and others.

The Matthew Family Villa.

In recent days, there has been a lot of laughter and laughter, because the old naughty boy is getting old and now lying in bed, he can no longer move.

Jiang Yao stood by the old naughty boy every day, telling him stories, talking and chatting with him, and refused to go out to play.

Other people can't help it.

In the room.

Jiang Yao is holding a story book in her hand, telling the story seriously.

“The duck thought he was a swan, so he wanted to fly, and thought he would become very beautiful. No matter how others told him, he was just a duck, he didn't believe it,”

Jiang Yao raised her head and looked at the old naughty boy, “Master, do you believe it?”

Who is that duck?”

The old naughty boy smiled. “If it is the baby Jiang Yao, then it is a swan. It will definitely be, no matter who the other person is.”

His eyes are getting softer and softer, knowing that he is almost at the end of his life, sooner or later. If he wants to leave, even if he can't bear it anymore, he can't change the result after all.

The old naughty boy looked at Jiang Yao: “Yaoyao, Master will be away in the future, you have to take care of yourself and listen to what your parents say, okay?”

Jiang Yao shook his head: “Master can’t be away.
I want to play with Master. If Master is gone, Yaoyao will be very sad.”

She took the old naughty boy’s hand, her eyes were a little red, and she burst into tears in her voice.

“Master, do you have another apprentice and don’t want Yaoyao anymore?”

Yaoyao is obedient. Is it good to practice with Master, Master, don’t leave Yaoyao.”

Old When the naughty boy listened, his heart was almost broken.

Where does he have any other apprentices? In his life, his favorite apprentice is Jiang Yao, even if he can’t teach much now.

“No, there are no other apprentices, Master, you are the only one, your Uncle Agou, they are named.”

The old naughty boy squeezed out a smile and comforted Jiang Yao.

He knows that his time is running out, even if he lied, he would just make Jiang Yao happy.

Jiang Yao couldn't help but burst into tears. She was a good kid, but she knew everything. The more the old naughty boy said that she would not leave her, the more she understood that she seemed to be losing something.

The door of the room was gently pushed open.

Jiang Yao raised her head and glanced, it was Jiang Ning!

She immediately ran over and threw herself into Jiang Ning's arms:
"Dad!

Master doesn't want me anymore!"

Listening to the grievances and uncomfortable feelings in Jiang Yao's tone, Andrew felt the same. Feel good.

He touched Jiang Yao's head gently, and said gently: "No, why would Master not want Yaoyao?"

Yaoyao is such a behaving, such a good apprentice, why is your master willing to not want you? "

Yaoyao still cried, her mouth slumped, tears kept streaming down, and the old naughty boy couldn't bear to watch.

"Well, your master won't want you, and he doesn't dare not want you, you know,"

Andrew said, "Daddy will come and tell him, OK? You go find your mother." But...

Hey, wait a minute, your master will go out to find you."

Andrew sent Jiang Yao out of the door, handed it to someone else, then turned around and entered the room and closed it. Gate.

The old naughty boy leaned on the bed, sighed, and shook his head, looking helpless.

"Think about my life in seven kills, never worry about life and death, I am very free and easy, but now, I dare not even die!"

Chapter 2326

He sighed, and he didn't know whether he was crying or laughing. "Then do you want to die? Is it the question I want to do now?" The old naughty boy asked back. He knew Jiang Ning's appearance must have failed. He could not find the longevity pool. After all, his life had come to an end. Of course, he does not blame Jiang Ning, on the contrary, he is grateful to Andrew for bringing him such a lovely apprentice Jiang Yao, even if only a few years of happy time are enough. After her death, Jiang Yao will still remember that in this world, there was once a master who loved her and loved her. "Of course, if you don't want to die, I can let you live." Andrew said suddenly. Hearing this, the old naughty boy froze for a while, watching Jiang Ning's face slowly appearing inconceivable. "Really?" Seeing Andrew nodded, the old naughty boy's breathing became hurried, "Did you find the Longevity Pond? You found it." Andrew did not hide, Took out a kettle from behind, "I brought back some

pool water, I think it should be able to save you.” If the legend is true, then this water can really save the life of the old naughty boy. “Give it to me!” Where can the old naughty boy wait? When he heard Jiang Yao’s cry, his heart was broken. Andrew handed him the kettle. The old naughty boy didn’t even think about it or even hesitated. He immediately opened the lid and poured all the water in the kettle into his mouth. Not a single drop is left! “Guru! Guru!” All the water in the kettle was swallowed into his stomach, but the old naughty boy didn’t feel anything, his expression suddenly became sluggish. “No, no use?” A trace of disappointment flashed in his eyes. Sure enough, I was happy for nothing. The old naughty boy suddenly laughed and shook his head: “Fake, they are all fake, hey. Jiang Ning, thank you, anyway, thank you very much.”

He looked at Andrew and said, “I will not be here in the future, Yaoyao, you have to be more protective. Don’t let my apprentice be bullied, otherwise, I will not let you be a ghost.” Andrew said nothing. His eyes, staring at the old urchin’s body, seemed to see that a cluster of white lights suddenly ignited in the old urchin’s body, and then, slowly spread, and gradually filled the limbs! “Huh?” The old naughty boy also felt something unusual. He took a deep breath, and suddenly, a powerful breath of life burst into his body in an instant! Om—— He just felt that his body trembled suddenly as if something was about to break through the ground! “Ah...” A sharp pain struck, the old naughty boy couldn’t hold back, shouted, and immediately reacted, suppressing the pain, and looked at Andrew incredulously. “The effect is coming.” Andrew said, “Withered trees in spring, the fruits of this longevity pond are amazing. Hold on.” Of course, the old naughty boy knew that he gritted his teeth without saying a word. The apprentice is outside, and he doesn’t want the apprentice to hear his shouts. He is a master, so how could he be afraid of pain. “Ah...” But he still didn’t hold back, the severe pain, heart-piercing! It seemed as if every part of his body was torn apart and then re-growth, every cell was torn apart abruptly, and then refilled into a

cluster of white awns. This kind of severe pain is like disassembling people into thousands of pieces and then re-splicing them together. It is so painful that no one can bear it. Andrew can fully understand that the moment he sat on the dragon chair, he experienced this kind of pain, even far more than this kind of pain! The old naughty boy was lying on the bed, stiff, his eyes widened and his body trembling! But he is not afraid. On the contrary, he is still very excited, because he knows that he is going to survive, and he can continue to accompany Jiang Yao and his precious apprentice!
