

Chapter 271

The Launching Event

“Don’t worry, Mr. Whitaker. I’ll take care of it!” Leyton opened the car door excitedly, about to leave.

“Wait!” Tyrion called out.

“Do you have another order for me, Mr. Whitaker?” asked Leyton.

“I’ll be staying in Horington for a few days. Tell that woman to accompany me so that I won’t be too bored,” said Tyrion as he pointed at Sandy.

“If you like her, just take her!” Leyton replied nonchalantly. A woman meant nothing to him.

When he got out of the car, he looked at Sandy and said, “Your chance is here. If you serve Mr. Whitaker well, you might rise to success!”

Sandy was stunned. Before she could react, the two bodyguards grabbed her and tossed her into the car. Then, they locked the car door and left with Leyton.

When Leyton stared at his bandaged arm, a vicious glint flashed across his eyes.

“M-Mr. Whitaker, what are you trying to do?” asked Sandy fearfully while staring at Tyrion in the car.

“Why are you scared? I won’t eat you up. Women who can accompany me are lucky. Be with me, and no one in Horington will dare to offend you.”

As Tyrion spoke, he pounced at Sandy.

“No...”

The woman pretended to struggle for a while before succumbing to his advances.

The car shook violently as moans sounded from it.

After breakfast the next morning, Jared called Tommy and went looking for him at Meadow Restaurant.

He wanted the latter to sell the revitalizing pills as soon as possible and prepare more herbs.

Jared had to seize the time to accumulate more funds and increase his capabilities. As of then, he was extremely eager to go to Dragon Island, curious about what was on the island and why his mother refused to let him go there.

Inside a room in the restaurant, Tommy said to Jared apologetically, “Mr. Chance, the revitalizing pills are indeed good stuff, but... but no one believes us if we’re the only ones who claim that they’re effective. Furthermore, considering my identity, it’s less likely for people to trust us. They accuse me of raking in money under the pretense of selling medicine. Furthermore, the revitalizing pills are so cheap that people find them even more suspicious!”

At the end of his sentence, he let out a resigned sigh. No one would have expected the underground king to start selling medicine.

“Don’t sell the revitalizing pills anymore. Instead, give them out for free! However, you mustn’t do that secretly. You should organize a launching event for the revitalizing pills and say that only those whose net worth exceeds fifty million can join. Then, you can choose who you want to give them to!”

Jared knew they needed to generate more publicity at such a juncture to let people know that the revitalizing pills were effective.

“Give them all out? Uh, wouldn’t it be too wasteful?”

Tommy thought it was a huge pity as he knew that the revitalizing pills were miraculous. After taking one, he felt so vital. It was as though he had returned to his twenties.

“It won’t be a waste. As long as people find these pills effective and publicize them for us, we’d definitely unlock a market. Also, send someone to continue buying the ingredients on the list I’ve given you,” instructed Jared.

“Okay. I’ll spread the news out now. The launching event will be held at noon in my restaurant’s hall,” said Tommy as he nodded.

“Okay. I’ll be staying here in the morning, so just look for me if anything happens.”

Jared decided to stay around and see if the launching event would succeed while also preventing any mishaps.

Although the revitalizing pills could strengthen one’s constitution, promote longevity, and were extremely beneficial to men, they were not able to cure all diseases. Hence, Jared wanted to be present just in case the pills were deemed useless because of some rare conditions. If he were to intervene at that moment, the public might trust the medicine even more.
