

## Chapter 274

### A Proper Restaurant

In the lobby located on the top floor of Meadow Restaurant, Tommy displayed all the revitalizing pills. Those thumb-sized pills were all black, and they looked unsightly.

No one would even pay attention to the medicine's effectiveness when they all looked unpresentable.

"Ladies and gentlemen, thank you for showing up here today. I'm pleased to introduce you to the revitalizing pills. These are—"

"Oh, please spare us the formalities! We're all busy with our work, so just name the price. We'll pay you accordingly!" a middle-aged man in a checkered suit interjected impatiently.

Everyone turned their attention to the man and admired his courage in speaking bluntly to Tommy.

Though they all knew Tommy was merely trying to rake in money, none of them had the guts to say that to his face.

However, Tommy was not infuriated. Instead, he responded with a smile. "Harry, I've prepared a pill just for you. You haven't slept with a woman for a long time, have you?"

Harry instantly flushed with embarrassment.

He had only dared to speak to Tommy in such a manner because they were close friends. That was why the latter was aware of some of his health problems.

Having lived a life of debauchery in his younger days, Harry was facing a problem of low potency, despite only being in his thirties. He had gone to many doctors and spent a lot of money on treatment, but they were all ineffective. Hence, he eventually gave up and decided to focus on growing his business.

Nonetheless, he still felt embarrassed when Tommy exposed his secret in public. "I won't eat that pill of yours! It's black and looks ugly. I doubt it's even medicine. If you need money, just tell us! There's no need to go through so much hassle."

To Harry, those pills did not look appetizing at all.

"You're wrong, Harry. I'm giving out these pills for free today. Since you don't believe in it, I'll let you try first!" Tommy grinned and walked in Harry's direction.

"Please. I'm not going to risk my life by eating this hideous little thing!" Harry backpedaled fearfully.

"Trust me. I guarantee you'll sing nothing but praises for this pill after taking it!"

Tommy walked up to him in a swift move, opened his mouth, and plopped the revitalizing pill into it.

Harry tried to regurgitate the pill, but it had melted in his mouth.

The crowd burst into laughter upon seeing how ridiculous he looked.

In a matter of seconds, Harry felt a surge of warmth course through the veins of his body.

What shocked him the most was the reaction in his nether regions.

Over the last decade, Harry had undergone all kinds of treatments, but none of them worked.

The crowd, too, was dumbstruck when they noticed the change in his body.

“Do... do you have a woman around here? I need a woman. Please find me one now!” Harry exclaimed in excitement.

“This is a proper restaurant! Solve your needs at home!” Tommy shook his head.

Upon hearing that, Harry dashed toward the door. While running, he looked over his shoulder and said to Tommy, “Keep some of the revitalizing pills for me! I’ll take whatever you have left. You can name the price, and I’ll pay accordingly!”

At the sight of his changes, some people in the crowd were tempted to try the pills.

“Give me a pill, Mr. Lewis. I’ve had backache lately, and I’m worried it’s because of rheumatoid arthritis. Let’s see if the pill can relieve my pain!” One of them volunteered to try the revitalizing pill.

Without hesitation, Tommy tossed a pill in that man’s direction. After all, he was supposed to give them out for free anyway.

After swallowing the pill, the man felt a surge of warmth in his body, too, and in just a few seconds, his backache was completely gone.
