

The Charismatic Charlie Wade Chapter 3874

As he said, he hurriedly said: "You often drive out, so take it with you as a precaution."

Claire nodded and smiled: "I will hang it on my phone through a string! It can also be used as an ornament!"

"Okay." Charlie said with a smile: "I knew I would thread the rope for you first."

Elaine behind him said with some dissatisfaction: "Good son-in-law, why don't you give this amulet to your mother!"

Charlie smiled and said: "Mom, this is to ensure a safe entry and exit. You have not gone out recently, and it is cumbersome to bring it with you. I think it is most practical to get you two gold bricks later, and you can also use it as a dumbbell to keep fit."

Elaine himself didn't have much interest in any amulet, but found that Jacob and Claire both had father and daughter, but he didn't, and his heart was a little unbalanced. In addition, he was afraid that he would be treated differently by Charlie, so he complained.

When Charlie said that she was willing to give herself two more gold bricks, the original imbalance in her heart suddenly disappeared.

Moreover, she even felt that things like amulets must be wholesale from the small commodity market. If it is more, it is only a few yuan or more, which can't compare with the value of two gold bricks.

I am making a lot of money now!

So she immediately clapped her hands happily and said, "Oh, that's really great! Anyway, my legs and feet are not good enough, and I won't go out for a while. The amulet for safe entry and exit is also a waste of me, or the gold bricks are really good. I can keep fit! Thank you for my good son-in-law!"

Seeing the look of his mother Cai's obsessive mind, Claire shook his head helplessly and carefully put away the amulet given by Charlie. Then he whispered to Charlie, "My husband, then I and Dad will leave first."

"Okay." Charlie nodded and said to Jacob: "Dad, remember to take the amulet with you, don't lose it."

Jacob also put the amulet in his pocket, nodded and said, "Hey, don't worry, you can't lose it!"

The father and daughter drove away, and Charlie stood in the yard and called Zhan , that is, Fei Kexin.

Fei Kexin has been waiting for his call since last night and didn't even sleep much all night.

She asked her assistant skuna to create this mobile phone number, and she also bought a new mobile phone to install this card. Because it was a new number, no one knew it, so when she heard the phone ring, she immediately became excited.

Responding to the excitement in his heart, Fei Kexin deliberately waited for the phone to ring twice before picking up the phone and asking very politely: "Hello, hello."

Charlie asked, "Hello, is this Miss Zhan ?"

Hearing Charlie's voice, Fei Kexin immediately concluded that this voice was the voice he heard when he first saw Charlie in Shangri-La.

She knew Charlie's identity immediately, but she still pretended to be calm and asked, "Who are you?"

Charlie said: "Hello, my name is Charlie, and Jacob is my father-in-law."

Fei Kexin said suddenly: "You are what Vice President said, the master of Feng Shui, right?"

Charlie smiled slightly: "The master can't talk about it, just know a little bit. I don't know what Ms. Zhan's specific needs for Feng Shui?"

Fei Kexin said: "That's right. I just bought a second-hand villa in Aurous Hill. I haven't started to renovate it yet. I would like to ask MR. Wade for help to see how Feng Shui this villa is."

Charlie smiled and said: "If you look at the feng shui of the homestead, most people are optimistic about feng shui before buying a house. Ms. Zhan's house has already been bought. If there is any problem with the feng shui of the homestead, it may be more troublesome to change it."

Fei Kexin smiled and said, "It doesn't matter. If this house is not feng shui, it will be left for the time being. Then you will have to trouble MR. Wade to choose a better feng shui one."

Seeing that the other party is indeed rich and wealthy, Charlie didn't say much, so he asked her: "Where is Miss Zhan's villa? I'll show it to you if it's convenient for you."

Fei Kexin hurriedly said: "The villa is in Shuiyun Villa. I don't know if MR. Wade has any impression. As for the time, I can do it anytime, and it's no problem now."

Charlie thought, he had nothing to do in the morning, so it was better to just finish the matter, so he said: "Shuiyun Villa, I know, or I will drive over now?"

"Okay!" Fei Kexin said hurriedly: "Then I will rush over there now, and we will see you at the gate of Shuiyun Mountain Villa later!"

"No problem, see you later." After Charlie finished speaking, he hung up the phone, turned back to the villa, took the key, and drove Claire's BMW out of Tomson.

Shuiyun Mountain Villa is on the edge of Aurous Hill Reservoir in the suburbs, dozens of kilometers away from the city, a bit remote. Charlie has been to Shuiyun Mountain Villa twice, because Mr. Quinton's villa is in this community, so he is also He was familiar with the road, drove directly out of the city, and drove in the direction of Shuiyun Villa.
