

Mistaking the CEO for a Gigolo Chapter 1466

Chapter 1466 Taking Seet Group Down

Crossing his arms in front of his chest, Juan loomed over her and scoffed, "Sally, I know that you're a liar. Three days. All I need is three days to pry your mouth open!"

She gazed at his handsome face. Despite the devilish smirk on his face, his eyes were as cold as ice.

Three days... What is he going to do to me?

After she watched him leave, she locked her bedroom door. Immediately, she pulled her phone out to send a text.

In no time at all, her phone started to ring, and she picked up the call.

"Hello? How is it?"

"We have her with us. However, this isn't enough. You need to take Seet Group down as soon as possible."

If only it were that easy to take over the company! Even if I can talk Evan into this, Kyle and Juan will never believe me. It's almost impossible for me to accomplish that.

"Aren't you going to say anything? Right now, Kyle is the one with the most control over the company. Nevertheless, he's only a man. Don't tell me you can't even deal with a man?"

"He's no ordinary man."

"What's wrong? Does he have superpowers? Sally, all women are liars. The prettier they look, the better they are at lying. Just think of ways to trick him. I'm sure you can if you want to. If all fails, just make a scene. After all, women have plenty of talents, and I bet you can woo him easily."

Easy for you to say! Do you really think I can go up against him so easily? Do you actually think Kyle is retarded? Sally thought.

"Fine, I'll try my best. How about Dad? Is he doing better?"

"Don't worry. The poison in him can be cured by taking an antidote. He's stable at the moment and can only take the other antidote after you've taken Seet Group over. Now, all we need is to wait for good news from you."

"I understand. Talk to you soon."

After ending the call, Sally heaved a sigh. How am I supposed to take Kyle down and take control of Seet Group?

She jumped onto the huge bed at once and stared at the ceiling listlessly.

I wonder if he likes me after spending so much time together. If he does, I bet he cares for me, right? Will he do anything and everything for me?

She kept thinking of ways to get things done as Kyle's face occupied her mind.

Kyle... Seet Group... What do I do?

Meanwhile, the news of Nicole's disappearance had reached Seet Residence. Sophia, Jonathan, Sheila, and Davin were as anxious as ants on fire.

"Nicole's missing? How is this possible?" Sheila asked nervously.

"Exactly! I've heard that they've been searching the entire afternoon, but there still isn't any news. I'm so worried, and I can't stop thinking if she's fine." Sophia let out a sigh.

"Mom, I've called Evan earlier. He said that he'll take care of this, and we don't have to be worried."

Sophia looked at Davin angrily as soon as she heard that. "He's going to take care of it? How is he going to do that? If he's able to, tell him to get Nicole here right this instant. It's been more than ten hours. Is he even doing his job? What is he—"

Jonathan interjected before she could finish her sentence, "How could you say that when Evan loves Nicole so much? He values her more than his life, and you think he isn't worried about her? The reason Evan said that is because he is confident that he'll find her. You have to believe in your son!"

Chapter 1467 The Seet Family In Action

"Mom, Dad's right. Their relationship is extremely strong. I'm sure that Evan's anxious as he's trying his best to look for Nicole. Don't worry about it."

A pillow flew in Davin's direction as soon as he finished speaking. Fortunately, he caught hold of it.

"Mom, why do you get agitated so easily when you're already so old?"

"You b*stard. You're the one who should have gone missing instead! Then, I'll be able to rest peacefully. Look at how Joy and Zayden are crying!"

"Mom, how is it my fault? The kids are the ones being difficult."

"Shut up, Davin! I'll make sure Nicole gets her revenge when she's back!" Sheila rolled her eyes at him.

Davin felt indignant as he rolled his eyes.

Fine then. Bring it on. Do you think I'm scared of you, Sheep? Just look at your belly. It's as huge as a basketball! I can't even bring myself to look at it!

Sheila sensed that Davin was scrutinizing her. Catching him red-handed, she got up and pinched his ear. "I dare you to look at me like that one more time. I swear I'll dig your eyes out!"

"Please, I beg for mercy, Sheep! Let me go. We should be discussing Nicole's disappearance instead. It's an emergency!"

"Sheila, you can teach him a lesson later on. After all, Nicole's matter is more important. We need to think of a way to find her." Sophia was more concerned about Nicole's safety. When she heard that Nichole had gone missing, her heart was never at ease.

"Exactly, Sheep. Your attitude might even influence the kids later on. What if Zayden thinks that it's fine for women to hit men when he grows up?"

Sheila pondered for a moment and thought that his words made sense. Zayden will be an upright man in the future. There's no way he'd be bullied! Following that, she released Davin's ear.

Rubbing his ear, he uttered, "Mom, since Evan told us not to worry about Nicole, he definitely knows what he's doing. So, just relax. All we can do on our end is to help find her now."

"Get going then! Arrange as many men as possible to search for her," Sophia urged.

She's so bold, decisive, and domineering! Davin mused.

"Got it. I'll get going then." With that, he rushed out of the living room.

At that moment, Zayden and Joy were watching from the second floor, frowning.

"Mommy loves pinching Daddy's ear. Sometimes, she'd even hit him, and he'd use me as a shield. Can't he think of a better solution?" Zayden could not help but sigh.

Joy looked utterly confused as she looked at Zayden.

"What's wrong, Joy?"

"Did they say that my mommy's missing?"

"Don't worry, Uncle Evan, Kyle, and Juan are incredible people. They'll find her in no time."

Joy was stunned. Then, she dashed down the stairs. "Grandma, Grandma, is it true that Mommy is missing? I want to go to Imperial Garden to help look for her."

"Why aren't you asleep yet, Joy? Uncle Davin has already arranged for people to search for her. Plus, your father and brothers are helping out as well. There's no need to worry. We'll find her."

"But I want to help too. I'm no longer a three-year-old. I can help find Mommy!"

"That's right. Joy is already five. She's a big girl now. Why don't I bring you to Imperial Garden tomorrow?" Sophia responded.

Chapter 1468 Joy And Zayden To The Rescue

Joy pondered for a moment and uttered, "Grandma, I'm worried about Mommy. I won't be able to sleep. So, I want to go now."

"Grandma, I can't sleep too. Can you please bring me along?" Zayden decided to tag along.

Sophia was silent for a while before she replied, "All right. I'll bring the two of you with me. I also want to check if they have any news about Nicole."

"Mom, I'll come with you."

Sheila stood up as soon as her words fell. To her, it was a serious matter that Nicole had gone missing. Therefore, she had to tag along.

"Okay. Let's all go together."

"I'm coming with you," Jonathan chimed in.

Quickly, everyone got into the car and headed toward Imperial Garden.

Bright lights were shining everywhere all over Y City, making the city lively.

Looking at the neon lights, Joy thought of Nicole's glistening eyes.

Mommy, where are you? I miss you so much.

Zayden was sitting right next to Joy. Sensing her sadness, he immediately comforted, "Don't worry, Joy. We'll find her. I know we will!"

Turning to look at him, she nodded in response.

"Grandma, Kyle, Juan, Maya, and Nina are very smart. I've heard that they used to come up with various ideas to tease and punish those who are mean. Joy and I want to learn that from them."

Upon hearing that, images of the four kids appeared in Sophia's mind. Sighing, she uttered, "The four of them were cheeky yet magnificent kids. You and Joy are too. All of you will always be my darlings, and I love you so much."

"Grandma, Joy is terrified that we won't be able to find her mommy. Why don't we stay at Imperial Garden and wait for any news? Perhaps we might be able to help out. I bet Joy will feel better this way. Anyway, it's the weekend, and we don't have to go to school tomorrow."

Turning around to look at Zayden, Sheila was shocked to discover how thoughtful the little boy was. He'll be a great husband in the future.

He is just like Davin.

"It all depends on whether Uncle Evan thinks that it's fine for you to stay. We can arrange that once we've gotten his approval. If he thinks that it's inconvenient, you'll follow me back to Seet Residence. Okay?"

"Grandma, I'll make sure that Daddy approves of our stay."

Noticing how persistent Joy was, Sheila added, "Mom, it's a great opportunity for Joy and Zayden to learn. Back then, Juan, Kyle, Nina, and Maya were constantly thinking of ways to help as well. So, I think the both of them should stay there."

After giving it some thought, Sophia replied, "That's fine by me. Let's see what Evan says."

Evan immediately dashed out of his study room the moment he found out that his parents and the kids were there.

"Mom, Dad, why did you come when it's already so late at night?"

"We were worried when we found out Nicole had gone missing. Evan, have you heard anything from her?"

Evan was silent for a while before he replied, "Not at the moment. However, there's no need for you to be concerned. I believe that Nicole is fine."

"God, please protect Nicole at all costs. Evan, you need to get more people to search for her."

“Daddy, when are you going to find Mommy? I miss her so much.”

Evan picked Joy up and pinched her cheek. “Don’t worry, Joy. We’ll see Mommy in no time.”

“I want to help find Mommy too.”

“Exactly, Uncle Evan. Joy and I want to help. Can you let us stay here at Imperial Garden?”

“The two of you? There’s no need for that. You can go have fun and study hard.” Evan knitted his brows as he glanced at the two kids.

“Daddy, didn’t Juan, Kyle, Maya, and Nina used to help you out? Do you think that we’re stupid little kids, so you don’t want us to help?”

Chapter 1469 Staying Over At Imperial Garden

Evan was stunned when he heard Joy’s words. “What? Why would I think that you’re just a dumb kid? Joy, you’re the smartest kid in the world!”

“Really? You’re not lying to me, right, Daddy?”

“Of course not.”

“Okay. Then, you’ll let me help you find Mommy. Please?” she pleaded while hugging him.

“Uncle Evan, I want to help out too! I promise both of us won’t cause you any trouble. Please trust that we’re only trying to help.” Zayden was tugging onto Evan’s sleeves, playing along.

“Evan, just let them be. Back then, Juan, Kyle, Nina, and Maya couldn’t stay idle too. It’s good to train them since they’re still young. I’ll get someone to look after them if you’re too worried.”

“That’s right, Evan. The two of them have been discussing non-stop about it on their way here. They were afraid that you wouldn’t let them stay. Just give them a chance. Who knows, they might even be of great help!”

“Daddy, you need to trust me. I can help,” Joy uttered.

“That’s right, Uncle Evan. We’ll help you,” Zayden uttered.

Upon hearing the trio’s words, Evan pondered for a while before agreeing. “Fine. However, the two of you need to be careful and refrain from doing anything dangerous,” he warned.

Joy and Zayden nodded in agreement when they had gotten Evan’s approval.

“We should get going since it’s getting late. Remember to call us if there’s anything. Davin has also sent some men to search for Nicole. We’ll keep in touch.”

“Okay, Mom. Let me send you off.”

After they left, Evan arranged for his servants to bring Joy and Zayden to bed.

“Zayden, do you want to sleep in Juan’s or Kyle’s bedroom?”

After pondering for a moment, Zayden looked at Evan shyly. "I... I... I want to sleep with Maya," he stammered.

Evan was stunned.

"You're a boy. Why would you want to sleep with Maya?" Joy was shocked as well.

"That's because Daddy said that Maya and I are very similar. So, I think we're like kindred spirits, and I like Maya a lot. Is it okay, Uncle Evan?"

After a moment of contemplation, Evan suggested, "Why don't you ask her? You can sleep in her room if she agrees."

Zayden nodded in response.

Then, Evan turned to look at Joy. "Why don't you sleep with me tonight, little one?"

Shaking her head, she replied, "Daddy, I want to sleep with Nina tonight."

"Nina's not home because she's on a business trip." I wonder if Nina's okay. Did the Hidden Masters find her?

"Then, I'll sleep in Kyle's room."

"Okay. Go ahead and ask him."

Joy nodded her head.

With that, the two of them dash toward Maya's and Kyle's rooms.

Zayden stood silently outside Maya's bedroom. He hesitated when he was about to knock on her door.

What if Maya doesn't want me to sleep in her room?

At that moment, his eyes darted around and landed on the maid doing chores.

He immediately thought of an idea and rushed toward her. "Uncle Evan had informed Maya to arrange the ingredients in the kitchen. I really need to use the bathroom. Can you go ahead and inform her?"

The maid did not think twice as she noticed how desperate he looked. Without hesitation, she agreed.

Maya appeared by the door when someone knocked on it. Looking at the maid, she asked, "What is it? Did someone hear from my mommy?"

"No, Mr. Seet had instructed you to arrange the ingredients in the kitchen."

Maya was rendered speechless.

Since when did Daddy ask me to tidy up the ingredients in the kitchen?

Chapter 1470 Sleeping Over With Maya

Despite feeling confused, Maya headed to the kitchen as instructed.

Seizing the opportunity, Zayden quickly snuck into her room. He immediately searched for a spot to hide after taking a look at the surroundings.

After a few minutes, Maya left the kitchen as she mumbled out loud, "What's wrong with the two dressing bottles? It's not like they're bothering anyone. I can't believe everything's getting on Daddy's nerves just because Mommy isn't around. I swear that I'll get the servants to clean the entire house meticulously tomorrow. This time, I won't let him complain about anything."

She then proceeded to her bedroom and locked the door. Letting out a long sigh, she jumped onto her bed and started thinking about her mother.

Mommy, where are you? How are you doing? I'm worried sick. Have you eaten? The weather's getting colder, and I hope you have something to keep you warm. God, please give me a clue about where she is right now.

Meanwhile, Zayden was hiding in the bathroom. He snuck out of the bathroom and saw Maya lying on the bed. Is she asleep? She's so clumsy. She should have covered herself with the blanket before sleeping.

Unknowingly, Zayden had turned into a sweet little boy. As he approached her, he wanted to cover her with the blanket.

Maya's eyes snapped wide open as soon as she felt someone touching her. Seeing Zayden, who had appeared out of nowhere, she forced a smile while looking stunned.

"Zayden?"

I'm not seeing things, right? What on earth is he doing here?

"I thought you're asleep, Maya," Zayden replied, smiling at her.

She jolted up within seconds and stared at the locked door. Turning her attention to him, she asked, "Why are you here? How did you come into my room?"

"About that..."

Despite racking his brain, he could not think of a reason. Finally, his eyes lit up as he finally came up with an idea.

"Maya, I made a wish to sleep in your room. Then, I appeared in your room, just like magic!"

What wish? Does he have a wand? This little boy is just like Uncle Davin, always fooling around. He has fully inherited his daddy's genes!

"Is that so? If that's the case, why don't you make a wish, and you'll be able to return home?"

He was at a loss for words upon hearing Maya's words.

There's no way I'm going back!

Blinking his eyes, he looked at her and smiled. "I don't want to go home, Maya. I want to sleep in your room. Is that okay? You're the prettiest and the best in the whole wide world. Can I stay? Pretty please?"

Maya stared at his cute little face as he pleaded. In the end, she let out a sigh as she gave in. "Zayden, you're truly Uncle Davin's son. I bet you inherited his gene of sweet-talking. Lots of girls will fall for you when you get older."

Zayden was smiling shamelessly. "It doesn't matter if other girls like me. Most importantly is that you do. Do you like me, Maya?"

Upon finishing his words, he made a peace sign with his fingers as he gazed at her with his big bright eyes.

She could not help but laugh at him acting cute. "All right. There's no need to act cute. I'll let you sleep with me tonight. Does your mommy know about this? Do you want to give her a call?"

"Don't worry. She knows. Plus, Mommy wants me to sleep with you too. She also told me that you're the nicest person in the world."

Maya caressed Zayden's head gently. Since when did this little monster become so sweet? Whatever it is, it's true that he's undeniably cute.

Zayden could not hide his excitement once he had gotten Maya's approval to sleep in her room. So, he began dancing around and tossing and turning on her bed. "This is great! Slumber party with Maya tonight!" he exclaimed.

Chapter 1471 Trust Us

"Wait, I'll bathe you first before you go to bed. Take off your clothes!" ordered Maya.

Feeling slightly embarrassed, Zayden hesitated and looked at her shyly.

"Take them off!"

"I-I don't want to take a bath."

"You have to! If you want to sleep with me, you must take a bath. I don't like smelly children."

Lowering his head, Zayden sniffed himself. How am I smelly? I smell like flowers!

Looking at him pouting and hesitating, Maya pulled him over and took off his clothes instantly.

"Ahh! Maya, you're a girl. You shouldn't take off a boy's clothes like this. You're too rough..."

While he was shouting, she had already stripped him naked. Then, she carried him up and walked toward the bathroom.

On the other hand, Joy opened the door to Kyle's room, smiled sweetly, and asked, "Kyle, I'm back. Did you miss me?"

Leaning over, Kyle looked at his younger sister, who had inherited all their parents' good looks, and pinched her cute little face. "Of course, I did. I haven't seen you for a few days, and you seem to have grown taller again."

"I did grow taller. Kyle, can I sleep with you tonight?"

Since Mommy isn't here, it's better for Joy to sleep with me.

"Sure!" Subsequently, Kyle carried her up and brought her into the bedroom.

Joy wrapped her arms around his neck tightly and suddenly asked a very strange question, "Kyle, you and Juan look similar to Daddy. When Daddy was young, was he as handsome as you are now?"

Hearing that, Kyle pondered over it for a moment and curved his lips slightly. "Daddy was more handsome than me when he was younger."

"Really? He was that handsome?"

"Of course. Otherwise, why would Mommy fall in love with Daddy?"

"I've seen photos of Daddy and Mommy when they were younger, and you and the other older siblings were in the picture too. If I was born earlier, I could play with you as well, but now, I can only play with Zayden."

"Don't you like to play with Zayden?"

"I like to play with him, but it's boring when it's just the two of us. I heard that you guys often held meetings when you were younger. There's only Zayden and me when we have meetings. It's not fun."

"Next time when I hold a meeting with the rest, I'll bring the two of you. How's that?" Kyle responded.

Upon hearing that, Joy nodded her head. "Also, when you're coming up with plans to look for Mommy, can you bring us along too?"

Kyle fixed his gaze on the mischievous girl and came to a realization. So, this was her real objective.

"You want to help in finding Mommy?"

"Yes! We can help! Kyle, you've to trust us."

Staring at Joy, Kyle seemed to see his younger self in her. Small vivid figures of Juan, Nina, and Maya when they were younger flashed across his mind.

Back then, they had always acted according to their will, so he could understand why Joy had the same idea.

"All right, I promise you. It's too late now. Go to bed first, okay?"

"Okay."

Shortly afterward, Kyle laid her on the bed, but she suggested taking a bath. After that, he gently dried her hair. She laid beside him and soon fell asleep.

He looked at Joy, who was sleeping soundly, and his gaze gradually darkened. Has Sally made any moves yet? I've placed a bug in her room. If someone calls her, there'll definitely be a recording.

Out of curiosity and wanting to find out Sally's background quickly, Kyle got out of bed and went to the study room.

In the meantime, Juan, who couldn't fall asleep, was hiding in the corner, monitoring Sally because he wanted to see if she would do anything. Seeing Kyle walking toward the study room piqued his curiosity.

Chapter 1472 The Older The Wiser

It's already so late. What is Kyle doing in the study room?

After giving it some thought, Juan followed Kyle into the room.

Just as Kyle turned on the computer, Juan hurriedly walked behind him. "It's already this late. What are you looking at?"

Glancing at him, Kyle asked, "Why haven't you gone to bed?"

"I want to see if Sally will do anything."

"She's in the room. What would you be able to observe?"

"T-That's true. But what if she comes out of the room and does something? I'm waiting in ambush."

"We don't necessarily have to use our own eyes to keep an eye on her."

"Then how are we supposed to do that? With our ears? Leaning on her door to hear any movements inside? Wouldn't that be too much?"

Casting a brief look at Juan, Kyle clicked the mouse, and there were sounds from the computer software connected to the bug in Sally's room.

"Hello, how is it? He's no ordinary man. Fine, I'll try my best. How about Dad? Is he doing better? I understand. Talk to you soon."

Is this Sally's voice? Kyle actually planted a bug in her room?

Instantaneously, Juan turned his head to look at Kyle. "You're so smart! Why didn't I think of this? I've only thought of threatening and monitoring her."

The latter was silent for a moment before saying, "This isn't my idea either. Daddy reminded me of it."

Daddy? Indeed, the older, the wiser!

"How could Daddy think of such a trick? Placing a bug in a girl's room..."

"Why? Do you think that it's wrong?"

"No, no, no. A bug isn't a surveillance camera. Since we can't see anything and can only hear sounds, I think it's fine."

"Okay. Let's get down to business. Did you find out anything from the recording just now?"

After staying silent momentarily, Juan piped up, "Play the recording again. I'll listen carefully this time."

After listening to the recording once more, he rested his chin on his hand and started analyzing.

"She's talking on the phone, and her father is sick. Also, who's the extraordinary man that she's talking about?"

In response, Kyle contemplated and replied, "I don't know."

Hearing that, Juan let out a sigh and stated, "There's too little information from her conversation. We only know that her father is sick—"

Suddenly, he paused and snapped his fingers. "Wait a minute. Isn't she an orphan? Wasn't she adopted by a kind old woman? Why does she have a father? We've to get to the bottom of this tomorrow!"

After giving it some thought, Kyle reminded him, "When you ask, pay attention to your choice of words. Don't make her suspicious of the bug. We might get more valuable information from it."

Juan narrowed his eyes and nodded. "Don't worry! I know what to do."

After turning off the computer, both of them got up and left the study room.

The next day, Joy and Zayden got out of bed early and had breakfast with everyone after washing up.

Maya even prepared a hearty meal for them.

Both of the little ones held a large plate each and ate with much relish.

"Is it delicious?" Maya looked at them and asked.

Immediately, Joy nodded and answered, "Yes, it's really delicious!"

In the meantime, Zayden quickly swallowed the food he was chewing in his mouth and replied, "Maya, you're amazing! You're the best cook in the world, and no one can compare to your cooking skills. You're invincible!"

Just then, Juan raised his head and cast a glance at Zayden. "This kid is such a sweet talker, just like Uncle Davin."

Hearing that, Zayden blinked his big eyes and queried, "Is being a sweet talker a good trait?"

Juan fell into deep thought and responded solemnly, "Yes, it is!"

Haha! Then if I want to compliment Daddy in the future, I can say that he's a sweet talker!

Sally then placed a shrimp on Joy's plate. "Joy, you seem to like shrimp a lot. Eat more."

"Thank you."

At that moment, Juan also placed a shrimp on Zayden's plate. "You should eat more too."

"Thank you, Juan. You're the best brother in the world!"

Tsk! Tsk! The more I look at him, the more similar he is to Uncle Davin. Juan could not help but exclaim, "Uncle Davin's son has inherited all his strengths!"

Chapter 1473 Real Intention

“My daddy has many strengths,” said Zayden while chewing his food.

Juan nodded and remarked, “Yes, your daddy has a lot of strengths. If you continue to learn from him, many pretty girls will want to be your girlfriend in the future.”

Pretty girls? Many of them?

In an instant, Zayden’s eyes lit up. He grinned shyly and stated, “Really? Then I want to choose a girl like Maya to be my girlfriend. The most beautiful and gentlest girl.”

Maya did not expect Zayden to mention her again. She put a drumstick on his plate and uttered, “Girls like me don’t need a boyfriend, so don’t use me as an example. Hurry up and eat your breakfast.”

“Maya, what do you think of Wilbur?” Evan asked abruptly.

Needless to say, she was taken aback by his question. “Daddy, I’m not familiar with him. I don’t know.”

“Isn’t Simpson Group collaborating with your food plaza?”

“There are plans for that. He did call me, but we haven’t had time to talk. I think it’s more important to find Mommy now.”

Shortly afterward, Joy put down her spoon and said, “Daddy, I’m full. I want to help find Mommy too.”

“I’ll help too!”

At that moment, Juan glanced at Joy and Zayden and lifted his head to look at Sally, who was deep in thought. These two little ones might really be able to help.

After breakfast, he used toys as bait to lure them to follow him.

“There are all kinds of toys in my room. Do you want to go and have a look? I have your favorite toy, the latest Lego.”

The two little ones pondered for a moment and nodded.

After entering Juan’s room, Zayden immediately scanned the surroundings with his eyes. Where are the toys? Where’s the Lego?

“Juan, where’s the Lego?”

The next second, Juan pointed to a drawing of Lego and uttered, “Here, this is it!”

Staring at the drawing, Zayden gasped surprisingly. Then, he turned around and glared at Juan angrily. “You’re lying. This isn’t Lego!”

“Although it’s a drawing, it’s indeed the latest Lego that hasn’t been produced yet.”

That’s still a lie! Liar! Zayden pouted unhappily.

Knitting her brows, Joy guessed that Juan’s real intention in bringing them into his room was not to look at the drawing. She felt that he had another purpose.

Therefore, she asked straightforwardly, "Juan, is there something that you want to tell us?"

Never had Juan expected Joy to see through his plan. Glancing at her, he gave her a thumbs up. "I didn't expect you to be so smart. You actually knew that I called you here for something else."

"What is it? What's the matter?" Zayden was interested and questioned impatiently.

Juan pondered over it for a moment and piped up, "If you want to find Mommy, I can provide you with a valuable clue."

"What clue?"

After listening to Juan, the two little ones exchanged looks with doubts in their eyes.

"Juan, you said that Sally knows where Mommy is. Is that true?"

"Yes. However, she won't admit it, and she won't tell us. You'll need to rack your brain as hard as you can to get the answer out of her."

Zayden mused for a while and queried, "Juan, do you mean that Sally is a bad person, and she's lurking among us?"

Nodding his head, Juan responded, "You're right. You could say so."

"Then, we should find an opportunity to teach her a lesson! We've to punish the bad guys!" proclaimed Zayden furiously.

On the other hand, Joy had a different perspective. "If we teach her a lesson, it'd be difficult to make her tell us Mommy's whereabouts. Let's not alert her for now." She blinked her crystal clear eyes and analyzed the situation.

Chapter 1474 Strategy

"Then what should we do?" questioned Zayden.

"We should come up with a strategy."

Strategy?

Looking at Joy, he felt that the word strategy was very profound.

"What strategy?"

Joy put on her thinking cap and suggested, "Since Uncle Davin said that I have a talent for acting, this is the time to prove it. First..."

Then, she proceeded to tell Zayden about her plan.

After listening to her, he widened his eyes and stared at her. "Will this work?"

"Of course. Think of me as the most popular movie star in the future. I'll show you my acting skills."

"Okay. If you need anything, I'll cooperate with you at any time," promised Zayden.

Looking at both of them, Juan thought he should let them do what they wanted. They might succeed by chance. Even if they were to fail, at least they'll be busy.

"I'll leave this matter to both of you then. Finding Mommy is the most important task. Do your best!"

"Don't worry. We'll do our very best, Juan."

"I'll definitely do my best."

In response, Juan nodded solemnly. "Good. I believe in you."

After he was done talking to the two little ones, Evan suddenly called him and asked him to be in charge of some company matters.

Juan felt a little weird. Why did Daddy suddenly arrange such a task for me?

"Daddy, isn't looking for Mommy our priority now? Why are you asking me to be in charge of the company matters? John can take care of them. It's more important to find Mommy!"

"Do whatever I ask you to do. For the time being, you don't need to worry about looking for your mommy."

Juan could not help but frown. Recently, he had a feeling that Evan had been acting weird, especially when dealing with Nicole's disappearance. He did not seem to be very worried.

Daddy loves Mommy so much. Now that she has gone missing, he shouldn't be able to eat or sleep. He should be distraught, but he's very calm, as if Mommy's disappearance hasn't affected him at all. Moreover, he's maintaining his regular daily routine. Could it be that his love for Mommy isn't as strong as it used to be? He doesn't care about Mommy that much anymore?

"Daddy, I have a question for you."

"What is it?"

"It seems that you aren't in a hurry to find Mommy. Is there a reason for that? Judging from your demeanor, it doesn't seem like Mommy has disappeared at all. You're too calm. Or your love for Mommy has faded?"

"Stop spouting nonsense. My feelings for her will never fade. I know what I'm doing, and I promise you that she'll come back safe and sound."

Why is he so confident about that?

"Daddy, have you heard from Mommy? Or—"

"Enough. Do what you should do. Kyle won't have time to go to the company during this time. I'll leave the company to you."

"Don't worry, Daddy!"

When Juan came out of the study room, he saw Joy and Zayden asking Sally to play with them.

I wonder what plan Joy came up with. Will it work on Sally? I shall wait and see.

“Sally, can you play with us?”

“What do you want to play?”

“Anything! Or you can bring us out to have some fun.”

Go out for some fun?

Sally contemplated for a moment and felt that Joy’s suggestion was excellent. If something urgent pops up in the next few days, and I’ve no way to leave, taking these two children out for some fun will be the best excuse.

Thinking of that, Sally decided to bring them out for some fun so that they would be willing to go out with her in the future. It could also be considered as bribing them.

“Okay. Since both of you want to go out, I’ll take you out. Where do you want to go? Is there a place that you want to go to?”

“Can we go anywhere we want? Will you bring us to anywhere we want to go to?”

“Yes. Anywhere. As long as it’s where you want to go.”

In order for them to cooperate with me in the future, I must make sure they have enough fun today.

“Great! We want to go to the amusement park! It’s a lot of fun, and I’ve never been there!”

“But I want to go to the zoo. I heard that there are many animals in the zoo. I want to see the tigers, polar bears, and lions. I also heard that Maya used to like to go to the zoo too!” Zayden blinked his big eyes and fixed his gaze on Sally’s face.

“All right. Then let’s go to the amusement park first, and then we’ll head over to the zoo. Is that okay?”

Upon hearing that, the two little ones nodded.

After packing their things, both of them changed into their favorite clothes, and they met Maya when they were about to head out.

Surprised, she stared at them. “Where are you going?”

“We’re going to the amusement park and the zoo! Sally’s bringing us out for some fun!”

Going out to have fun? Didn’t they say they wanted to help find Mommy during breakfast? Why are they suddenly going out? Little kids. They only care about having fun. It seems like they still have a long way to go if they want to catch up with the four of us. When we were their age, we were so busy every single day.

“Joy, didn’t you say you want to look for Mommy?”

Of course, I want to find Mommy. I’m helping now. There might be a chance to find out Mommy’s whereabouts if we follow and monitor Sally all the time. Juan said that she knows where Mommy is. She’s the key to finding Mommy!

“Maya, after I’m done having fun, I’ll help to find Mommy together!”

“Yes. When we’ve played enough at the amusement park and the zoo, we’ll come back and help.”

These two playful brats, Maya mused.

“Okay. Go and have some fun. Come back early!”

Having said that, Maya turned to Sally and said, “Be careful when you’re out with them. Come back early, and bring a few more maids and bodyguards. It’s easy for accidents to happen in crowded places.”

“I know. Don’t worry. I’ll take good care of them.”

Watching as the trio left Imperial Garden, Maya was about to go and ask Evan if there was anything she could do to help find Nicole.

However, before she arrived at the study room, her phone rang loudly.

Looking at the caller ID, she felt curious. Why is Wilbur calling me?

After giving it some thought, she accepted the call.

“Hello?”

“Maya, Wilbur here. Where are you now?”

“I know it’s you. I saved your number. I’m at home now. If you’re calling because of the collaboration, I don’t have the time for it now. I’m not in the mood either. If you’re really interested in collaborating with me, you can head over to the food plaza and talk to my assistant.”

Ha! Such a formal tone. What a straightforward girl. She never beats around the bush. It might be easy to pursue this kind of girl since she wears her heart on her sleeve.

“It’s not about work. I’m calling you for something else.”

After a short moment of contemplation, Maya asked straight to the point, “What’s the matter? Cut to the chase.”

“I heard some rumors about your family, specifically about your mommy. I don’t know if it’s true, so I want to ask about it.”

Did he find out about Mommy’s disappearance? As always, bad news travels fast.
