# The Return of the God of War [The Protector]

## Chapter 2961

When did Levi Garrison bring people back?

No one knows!

Everyone criticized.

No matter what Levi Garrison's purpose was for, it was a disaster for Da Xia now.

Yan Longwei was also shocked when he learned about it.

How did this leak out?

Didn't Levi Garrison say that nobody knew it?

Just temporarily place Doctor Dark in this place.

Everybody knows how now.

When Levi Garrison knew, he was also very surprised.

Gathered with Doctor Dark.

He is definitely not what these two people said.

"It seems that it should be the group of forces that suddenly came up when we left!"

The Dark Doctor analyzed.

Levi Garrison was also shocked.

It was caught.

He underestimated this power.

“What should I do now? All major forces should be on their way to Daxia!”

Doctor Dark deliberately asked Levi Garrison. He wanted to see Levi Garrison’s attitude.

In this moment of crisis, will they be handed over? Or protect it?

Yanlongwei everyone immediately looked for Levi Garrison.

“Now all parties suspect that we are in the same group with the Lab of the Gods!”

“The base of the Gods Laboratory is in Daxia, and all Leviathan has disappeared. They suspect Daxia is hiding!”

“The reason for their suspicion is very good, and there is reason! Plus, people are indeed here now! They really can’t run away!”

...

Caught up.

Everything fits!

Daxia is now suspected for a reason!

Nowadays, public opinion in the world is getting bigger and bigger, and Daxiadu is listed as a public enemy.

not only.

Everyone in Daxia strongly demanded that the two Doctors be handed over.

This is the scourge, we must not stay!

Kill it in front of everyone!

The pressure is getting bigger and bigger.

Yan Longwei couldn't control them.

The pressure inside and outside is too great.

The major forces that have been acquainted with each other call one phone after another, asking if there is such a thing, and asking Daxia to deal with it quickly.
