

Dragon Husband

1451

Chapter 1451

Hearing Wiliam's offer, there was an uproar around him!

100 spirit crystals!

What a fairy quote!

Directly turned over a hundred times!

They were all too expensive to have a spirit crystal before!

Even Wen Ren Qingxin pulled Wiliam's sleeve and whispered, "Wiliam, don't be impulsive."

Li Nianyi's eyes widened, and he felt ashamed and humiliated!

This kid is clearly lifting the bar!

Just rely on him, there are 100 spirit crystals?

ridiculous!

The little girl hurriedly waved her hand, thinking that Wiliam was joking, "My lord, don't, I can't bear too much.

Wiliam smiled and said, "It's nothing, it's worth the price, I still have to owe you a favor."

After speaking, Wiliam looked at Li Nianyi, "Do you still want to compete with me? Then you can add more?"

Li Nian's face flushed, and his hand was tightly holding his only 100 spirit crystals.

hateful!

This kid called out 100 Lingjing, which was clearly aimed at himself!

Besides, a fool would pay a sky-high price for a useless bracelet.

He stared at Wiliam fiercely, "Okay! You are amazing! I want to see how you take out these 100 spirit crystals!"

However, Wiliam said to Wen Ren in love, "Love, pay."

His money is put on Wenrenqingxin.

Wenren fell in love for a while.

But there is no way, Wiliam's decision will either be correct or not change.

Can only pay.

So she took out 100 spirit crystals, handed them to Ling Ruyi, and said, "Then you collect them."

Ling Ruyi felt like a big dream from beginning to end.

It wasn't until there were 100 spirit crystals in her hand that she recovered and looked at Wiliam nervously.

100 Lingjing, not to mention a bracelet, it is enough to buy her whole person.

Does this handsome boy have another plan?

Thinking of this, she couldn't help feeling sad.

From the year after her father passed away, how many people have been thinking of her.

It's just that Ling Ruyi has a strong personality and is always reluctant to betray his conscience and do something against his will.

Could it be that today...

Wiliam picked up the bracelet, pinched the tourmaline with his thumb and index finger, and then gently applied force.

The bloody amber outside came off.

Wiliam handed Ling Ruyi the tourmaline bracelet, and carefully helped her put it on her left wrist. He smiled and said, "I gave you this bracelet. The girl should bring some nice jewelry."

Ling Ruyi looked at the hand-woven bracelet on his wrist. Although he lost the bloody amber ring, it was still delicate and beautiful.

What this adult meant...

Li Nian on the side saw that Wiliam actually made Wenren pay for it, and his lungs exploded with anger!

In front of so many people, he was ashamed to make a woman pay!

This is so soft and hard to eat!

So angry!

But I am so envious of what is going on!

"You kid! I remember you! I'll go back and report to the elder!" Li Nian said, leaving angrily.

"My lord, do you still need me to do something?" Ling Ruyi's face turned red, and finally he asked what was in his heart.

William smiled slightly, and said, "Well, I really need it."

Ling Ruyi's heart fell cold, and there was a trace of sadness on his face.

Sure enough.

There is no such thing as a free lunch.

William asked in a low voice, "Well, tell me where did this bloody amber come from?"

Ling Ruyi was taken aback, what the hell was this?

Is this what he wants to do on his own?

Ling Ruyi said truthfully: "This piece of amber is my father's relic. He was killed in a secret adventure, and then his friend brought his body back. Because the family is really poor, I processed some of the little things on my father's body. To make jewelry..."

"Do you know what that secret realm is?" William asked again.

Ling Ru thought for a while, and whispered: "It seems to be called the battlefield of blood and tears. I don't know the others.

The battlefield of blood and tears...

William pondered the name and remembered it in his heart.

Since this piece of amber can be produced on the battlefield of blood and tears, there is probably something related to it.

"Boy, are you really going to help me?" In William's mind, the voice of an azure unicorn appeared again.

"Well, it's okay to have a chance to check it out." William replied briefly.

"My lord? Is there anything else I need to do?" Ling Ruyi asked timidly.

"No, that's all. Go back and treat your mother well. By the way, if it can't be cured, or your mother's condition worsens, you can go to Xianghua to drain your blood and say to find me, my name is William, or to find Wenren to fall, It's okay to hear people and love, maybe we can still help." William said.

William still made a lot of money when 100 spirit crystals bought this thread of bloodshot.

Besides, this is the relic of the little girl's father. William owes it no matter what.

So William wanted to help Ling Ruyi.

But Ling Ruyi was dumbfounded when he heard this.

There are endless exclamations all around.

Fragrant flowers and blood!

Smell the hearts of the people, Smell the hearts of the people!

It is one of the nine cases!

The two princesses of one of the nine sects!

Such a noble identity, unexpectedly appeared in front of them!

No wonder you can spend a lot of money!

William patted the scared little girl on the shoulder, "Living well in the future."

He said he was leaving.

But when he was about to leave, William looked around.

Some of the people around were watching them, and some more watching Ling Ruyi.

Or the 100 spirit crystals in Ling Ruyi's hand.

For ordinary people, this is simply an incomparable piece of fat!

Those people have red eyes.

William frowned slightly and said, "Wait for two minutes, don't move."

With that said, he slid and left.

Two minutes later, he came back again, with a person behind him.

Seeing this person, the people around took another breath.

Liu Yuntian!

Earth snake!

The big bosses who dared not offend at will, just appeared in front of them alive!

William brought Liu Yuntian to Ling Ruyi, and said, "Chairman Liu, this is the little girl. Please help me out. I owe you a favor."

Liu Yuntian looked at Ling Ruyi without looking too much.

Why not let William owe favor, and just do him a small favor.

He said to Ling Ruyi: "Little girl, you can help me at my Yuntian auction house in the future. You and your mother can also live here. I will arrange for someone to take your mother over immediately. I can't be rich, but I can guarantee that I have no worries about food and clothing."

There was an uproar from the surrounding people again!

by!

One step to the sky!

Ling Ruyi was blessed by God and joined the Yuntian Auction House directly!

That is to say, there is a supreme Buddha behind her!

If so, who else would dare to hit her attention casually, the idea of hitting her with the spirit crystal!

After Wiliam arranged these things, he said to Wen Ren intently, "Let's go."

"Where to go?" Wen Renqin was still confused now.

Wiliam smiled slightly and stepped forward, "Go back, Li Nianyi's Shura Field will also go to see and see. Besides, don't you have to test my potential for divination and martial arts."
