

Dragon Husband

Chapter 1508 Expulsion!

Wenren Tiange couldn't understand the deep meaning of Wiliam's words at all.

He was on the verge of anger, and he roared out directly, "As a disciple, you not only trespassed the forbidden area, but also abolished the elder! These two sins are both capital crimes! Why? Do you still have the face to stay in Xianghua? Bloody! You dream! We fragrant flowers and blood, how can we leave you such a lawless and daring guy! Get out! Get me out of the fragrant flowers and blood!"

Wiliam's face was even more smiling!

The Wenren Qingqing on the side felt that something was wrong.

But if I think about it carefully, I can't think of it.

But one thing she was very clear was that she didn't want Wiliam to leave Xianghua to drain his blood.

This little dog is too courageous. What if he is allowed to wander alone in the common people's territory after he leaves, and no one can give him a warning?

He will certainly provoke more and stronger enemies.

Thinking of this, she whispered to Wenren Tiange: "Dad, otherwise, let Wiliam stay, okay? I will definitely watch him closely and not let him make any more mistakes."

"Do you dare to intercede for him! I'm afraid you will join in! One is not enough!" Wen Ren Tiange glared angrily at Wen Ren Qingxin who was not talking not far away.

"Today I put my words here! Who dares to intercede for this kid, I will be expelled together!" Wenren Tiange roared.

Wen Renqing was so angry that he stomped Wiliam severely, as if he was saying, "Look, now things are getting bigger, and I have no way of doing it."

However, Wiliam smiled at her instead, "Go down first."

Seeing that Wiliam's mentality was so good, he felt even more angry.

However, knowing that her father would not listen to anything she said now, she had to retreat.

"Okay, I'm leaving now." Wiliam glanced at Wen Ren Qingxin, and then said.

There was a strange look on Wen Renqin's face at the moment.

It seems that there is a sense of mystery that can be seen through but not broken.

After Wiliam said this, he really walked outside.

"Stop!" Wen Ren Tianyi shouted.

"Hand over the token of our fragrant disciple! It saves you from using the name of the sect to scam you outside!" Wen Ren Tianyi shouted from behind.

Fragrant disciples, each of them has a disciple token that represents their identity.

William smiled, and actually took out a small token from his pants pocket and walked towards Wen Ren Tianyi.

Get closer and closer.

Wenren Tianyi has the feeling of being in the mountains again!

"You! What are you doing!" Wen Ren Tianyi said sternly.

"Don't be afraid, don't you want me to return the token?" William said with a smile.

He casually threw the token to Wenren Tianyi, and said with a smile: "Remember, you took the initiative to take the token, and you want to return it later, but it's not that easy."

"Ho ho, pay it back? Do you think you can still enter the door of fragrant flowers and blood? Get out!" Wen Ren Tianyi sneered.

William nodded, and without a word, he left Xianghua and drained his blood.

Until William's figure completely disappeared at the door of Xianghualixue, everyone suddenly breathed a sigh of relief.

What happened just now always felt like a dream.

It's too unreal.

This kid, although he was not dead, was finally expelled from the house.

It can be regarded as giving everyone a sigh of disgust.

At this time, Wenren Tianyi suddenly looked at Wenrenqing, his eyes were cold.

The big crime that William laid down in his rebellion at the sect, although he escaped death.

But grievances still have to be vented on Wenren's heart!

Wenren loves, can't be as strong as William!

Thinking of this, Wen Ren Tianyi said: "Wen Ren loves you! Now it's your turn! You can convict!"

Wen Ren Qingxin naturally has William's violent temper. On the contrary, she nodded very bachelorly this time, "I plead guilty."

Wen Ren Tianyi nodded in satisfaction, "Although you have pleaded guilty, in order to convince the public, I still talk about your crime!"

"One, you and Wiliam trespassed into the forbidden land, and your sins are unforgivable!"

"Second, you two broke into the forbidden land, which caused the grandmother to disappear completely, and our thousand-year-old divination inheritance was ruined! This is a capital crime!"

Two crimes, one is more serious than the other.

Breaking into the forbidden land can still be seen as forgiving the death penalty in the face of her tribe, but the second point is that she is completely a sinner of the sect!

Wen Renqing's mouth opened, and finally he could not speak.

"Why don't you justify?" Wenren was anxious, "Push the charge to Wiliam! Anyway, he is gone. And I don't think Wiliam will blame you. He took it all by himself, and it would be better than you to die together. good."

Wen Renqing shook his head and said, "It's not necessary."

"Is it necessary? What do you mean?" Wenren was stunned.

"Hurry up and ask me what I think?" Wen Renqing said suddenly.

Wenren Qingqing was taken aback, still in the mood to sing a duo at this time?

"What do you think?" Wen Ren Qingqing finally asked in a low voice while holding down the violent temper all over his body.

"I feel that interesting things will happen next, and my crime is fine. But, Wiliam, the people of the sect are about to cry." Wen Ren said in a weird manner.

"You go to die, OK? You're all the crime facts of Tie Zhengzheng, so it's good to talk about wool! Is it possible that you have to be the same as Wiliam and be slapped by the elders?" Wen Renqing's face flushed with anger.

"I can't, I'm not a monster." Wen Renqin immediately denied it.

"Wen Ren loves! Since you have pleaded guilty, then I will deal with you according to the rules!" Wen Ren Tianyi shouted sharply.

Wenren Tiange on the side gave a long sigh.

Even if he is the lord, even if the love is his daughter, there is no way.

The emperor breaks the law and commits the same crime with the common people.

"Let me just say a word. I feel that the grandmother's divination inheritance has not been destroyed." Wen Renqing couldn't help but said weakly.

"Ho ho! You feel! You feel like a fart! You want to use this sentence to avoid the death penalty directly! It's so beautiful! I tell you, even if the fairy Da Luo comes over today, it will be difficult to eliminate your sins!" Wen Ren Tianyi Shouted happily.

"Is that right? Daluo god is not useful?" Wen Ren asked back inwardly.

“Nonsense!” Wen Ren Tianyi said immediately.

“Well, then I’ll ask God Fairy Daluo to come and have a try.” Wen Renqin suddenly said strangely.

Her feeling, that’s how it came, and it came at the right time.

The words fell, and the peach blossoms behind them suddenly sounded an ancient and desolate sigh.

A majestic and majestic aura slowly covered the audience.

And the peach trees outside, under this breath, slowly grow leaves and blossom.

This spectacle stunned everyone present.

After the ancient sigh, there was a soft and gentle self-talk.

“If love is not free, life and death are meaningless...”

“You two little guys, it’s really not easy to worry about.”
