

Dragon Husband 1606 part 1

Chapter 1606 Undercover Game

“Sect Master Hu! Don’t deceive people too much! We are polite to you because you were the Jiu Sect! Today is different! Our Jinyu Volley is already above you! Please let us Respect!” Chen Zhongyan couldn’t help but tore his face directly.

Even Song Hanyu on the side couldn’t help it.

How arrogant and arrogant can she tolerate others being presumptuous on her territory!

Even if he is the Sect Master of Qijian Zhetian!

But Wiliam suddenly smiled and said, “Well, don’t play any tricks. Sect Master Hu is right. It is really possible that Jin Yu’s fate lies in his hands.”

The scene was filled with righteous indignation, but after hearing Wiliam’s words, it suddenly became quiet.

Everyone looked at Wiliam in surprise, their eyes gradually becoming distrustful.

“Wiliam! You don’t want to grow up other people’s ambitions here, and destroy your own prestige! It is impossible, you and their strange swords cover the sky! Now we are together to pit us!” Chen Zhongyan was the first to jump out .

The more he talked, the more he felt that something was wrong. Suddenly he slapped his forehead, “It must be like this! Boy, you are the strange sword covering the sky! You have already studied the rules thoroughly, and you will add the strange sword covering in the back. God, this way, Qijian Zhetian will have a place, and we will also lose a large wave of points, right! Good boy, I always think you are not a good thing! It turns out that the dirty mind is here!”

As Chen Zhongyan said so, many people at the scene suddenly realized.

This explanation is really perfect, and it can just explain the two questions that Hu Yixiao raised just now.

If Wiliam is an undercover agent and temporarily joins Qi Jian Zhetian, Qi Jian Zhetian will not be counted out!

As a result, Jinyu Volley will lose all Wiliam’s points, and the road to promotion will be bumpy.

Everyone looked at Wiliam with angrily eyes, and some even started spitting blood!

“Well, you Wiliam! You know that you are unpredictable, leaving other sects not to join, but you chose to join us! It turned out to have a purpose, and you are ready to cheat us!”

“If Sect Master Chen hadn’t been smart, we would have been fooled by you! Almost grateful to you! You dog traitor!”

“Shut up all to me! Are you just relying on Chen Zhongyan’s nonsense guessing to say that to others? You simply lost all Jin Yu’s volley face!” Song Hanyu directly said loudly!

Something inferior to this group of pigs and dogs!

Wiliam kindly came to help Jin Yu Volley, this should be a great honor for Jin Yu Volley!

The top and bottom should be grateful to him!

However, since Wiliam entered the golden jade volley, what was his treatment?

It is the deep suspicion up and down, left and right, and their indifferent mockery!

This in itself was already a great grievance to Wiliam!

For Song Hanyu, who invited Wiliam in, it was also a kind of silent pressure!

Even when they spoke coldly to Wiliam, Song Hanyu wanted to jump out and scold them countless times!

Now, this group of dogs are attacking Wiliam because of Sect Master Hu’s inexplicable words and Chen Zhongyan’s unwarranted guesses!

Dragon Husband 1606 part 2

It’s too shameful!

In front of Wiliam, he lost all the sect’s face!

Everyone at the scene was scolded by Song Hanyu with extremely ugly expressions.

Wiliam stopped Song Hanyu from continuing to go wild, sighed, and finally stood up.

He walked directly in front of Chen Zhongyan and looked at him jokingly.

"Vice Sovereign Chen, I really don't know if you are too smart or stupid?" Wiliam looked at him, and continued when he was about to get angry, "You are smart, you did see through just now. Some routines. And if you are stupid, why do you think I am an undercover agent?"

Wiliam looked around and said calmly: "I joined Jinyu Lingkong to do me a little favor, and you don't trust me so much. I know this. Let's imagine that I am an undercover agent. Bar?"

"I'm an undercover agent. I temporarily withdrew from Jinyu Volley and joined Qijian Zhetian. This is indeed a blow to you, but it won't completely overthrow you halfway, right? After all, I am in the loser group now. The consideration of the group is much smaller than that of the winner group."

"And do you think that Qi Jian Zhetian will put the last place, and even the status of the entire nine sects, on me alone?"

The people at the scene felt their scalp numb.

It seems to make sense.

Qi Jian Zhetian definitely wouldn't put the hundred-year foundation on the young man Wiliam.

What's more, there were rumors a few days ago that a few people from the sect assassinated Wiliam, and among them were someone who covered the sky with a strange sword.

This is contrary to the fact of undercover.

"Also, if I am really Qijian Zhetian's undercover agent, then why did I stand up against Qijian Zhetian's yesterday? If it is an undercover agent, I should not act in a low-key manner to minimize my sense of existence. Why do you want to be so ostentatious?" Wiliam said again.

"This, this..." Chen Zhongyan's expression was a little ugly again.

He wanted to refute, but when the words came to his lips, he found that he couldn't say anything.

The faces of other people also became extremely embarrassed.

"Ahem, maybe there is some misunderstanding here. Faithful, don't say it too early." The old master coughed and came out to make a round.

And Song Hanyu said angrily: "Dog bites Lu Dongbin, but he doesn't know good people!"

Hu Yixiao, who was next to him, looked at Wiliam interestingly.

It was the first time he had contact with Wiliam.

A few times before, I just heard from his subordinates that this kid is not easy.

Chen Zhongyan was speechless at the thought of a few words.

This lip service is really amazing.

“Since you said that you are not an undercover agent! Then you explain to me what Sect Master Hu meant? I’m afraid this is not groundless, right?” Chen Zhongyan was completely shameless and threw everyone’s doubts to Wiliam.

And Wiliam smiled slightly and looked at Chen Zhongyan and said, “You are stupid. You are really stupid. Didn’t you just say the tricks of the strange sword covering the sky? How come you still haven’t reacted to it?”

Chen Zhongyan’s face became stiff, and he didn’t think of being ridiculed by this kid repeatedly and twice!

However, Wiliam no longer had any reason to understand Chen Zhongyan. He looked at Hu Yixiao with a weird expression and said with a smile, “Sect Master Hu, how are you.”

“Playing is a good strategy, and it is far-sighted. You do have a place among the nine cases.”

“Stop talking nonsense! Tell me! What kind of trick is he playing!” Chen Zhongyan shouted angrily.

Wiliam turned his head and said to Chen Zhongyan: “Undercover games, haven’t you said about it. He has placed an undercover on our side. Aunt Song is not, I am not, then you say, who else is there?”
