

Dragon Husband 1607 part 1

Chapter 1607

The people at the scene looked at each other.

What Wiliam's words meant, everyone knew best.

Except for Wiliam and Song Hanyu, isn't there only Chi Zhan!

This kid is vicious!

Everyone looked at Chen Zhongyan one after another.

Chen Zhongyan was so angry that he jumped up and cursed: "You kid! Are you going to die? Okay, I'm all pouring dirty water on my head!"

No one at the scene knew that Chi Zhan was brought into the sect by Chen Zhongyan.

If Chi Zhan had a problem, then Chen Zhongyan would definitely not be able to separate.

At the moment, Chen Zhongyan is in the limelight, as if he can compete with Song Hanyu for the position of the sovereign.

If Wiliam was splashed with dirty water, the Sect Master really didn't care about him.

Can he not get angry!

And Wiliam smiled and said, "Is it that person? I immediately call out and ask if I know?"

Chen Zhongyan sneered, "I just said that he didn't like this kind of occasion, and he didn't show up. Why? I slandered crazy while he was away? Boy, you're afraid that you are too naive in thinking!"

However, Wiliam looked at the person behind Hu Yixiao and said with a smile: "Oh? Are you really there?"

"That's not nonsense..." Chen Zhongyan said halfway, his eyes narrowed!

I saw the person who was stared at by Wiliam slowly walked out, and said coldly to Wiliam, "The eyes are good."

This person wiped his face, revealing another face.

Seeing this face, the people at the scene suddenly exclaimed.

This man!

Isn't it Chi Zhan!

He has been on the scene all the time, and he still followed Hu Yixiao!

A terrible guess came to everyone's mind in Jinyu Volley!

This guy, it's really possible to be an undercover agent!

But Chen Zhongyan was dumbfounded when he saw Chi Zhan.

Even, his body trembled, and he stretched out his hand to point at Chi Zhan, "You, you, you!"

"What am I? Sect Master Chen, are you disappointed?" Chi Zhan showed a rare initiative and said to Chen Zhongyan.

At this moment, Chen Zhongyan's head was completely blank.

"Wiliam, yes. I'm an undercover agent, are you satisfied?" Chi Zhan looked at Wiliam and said with a smile.

And Hu Yixiao also looked at Wiliam with interest, "Boy, I ask myself how did you see through this perfect match? When did you see through? Can I know?"

Wiliam said casually: "You think the clothes are seamless, but I was just an axe by the class. I started to doubt it when Chi Zhan appeared."

Wiliam shrugged his shoulders and said casually: "I remember when Deputy Sect Master Chen introduced Chi Zhan, he said that you only met by chance, and then you became alien brothers, and then you were dragged into the golden jade volley. It's an absolute dark horse this time."

"Yes, but what's the problem with this?" Chen Zhongyan said with a frown.

Wiliam shook his head, "Two questions, one, such a super master has not been seen for several years, but at this moment you have met you, and you have also added the little-known Jinyu Volley, which is a problem in itself." ,

"You said before about the character of this person, killing a family to prove the truth, this kind of person's ambition is definitely not something that a small sect can bear! And this kind of ambition, it is impossible for him to dormant for several years. So only One possibility..."

William looked at Hu Yixiao as he spoke, "He had already had a sect, and he was secretly protected by the sect, as the most powerful killer in the dark, right, Sect Master Hu?"

When Hu Yixiao heard this, he also smiled, "Awesome, your ability to speculate on people's hearts, I'm afraid it will be the best in the world."

He also didn't have too much explanation, but he affirmed William's guess.

"You continue to say that I am more and more interested in you." Hu Yixiao motioned to William to continue.

William really continued, "The second question, I can't blame Jinyu for volleying. It's you who were used. It's the time when Chi Zhan appeared. I said the big time, but now it's a small one. Time point."

"The time Chi Zhan appeared was after something happened to me just now. This has to arouse my attention."

After William finished speaking, Liu Yuntian and Song Hanyu on the side suddenly lit up!

"Yeah! The time Chi Zhan appeared was just after William was assassinated in the hills late at night! Okay! It's really your Sect Master Hu's hand! Foresight!" Liu Yuntian slapped his forehead and said suddenly.

Liu Yuntian and Song Hanyu had long felt that this matter was a bit unreliable.

It's just that I couldn't figure out what was unreliable at the time.

I didn't even think about the strange sword covering the sky.

At this moment, Liu Yuntian has a complicated mood!

He clearly told William about many things about Chi Zhan.

Including the fact that Chi Zhan once joined Qi Jian Zhetian.

It seems that at the beginning, it was rumored that Chi Zhan mysteriously disappeared after Qi Jian Zhetian made the bloody massacre, and was hidden by Qi Jian Zhetian.

The purpose is to avoid the rage from the clamor outside, and the second is to become a big killer for the strange sword to cover the sky.

These things were obviously told to Wiliam by Liu Yuntian.

But only Wiliam was able to connect all the clues that seemed to be inconsistent with each other, and infer the real answer!

And this is exactly the difference between Wiliam and ordinary people!

It seemed that Wiliam had guessed all this a long time ago, but he just couldn't say it.

Song Hanyu wanted to kneel down for Wiliam now.

No wonder!

No wonder this kid said that fun things are going to happen again and again!

It turned out that it was all in his grasp!

Even now that I think of it, the strange events that occurred in the entire nine qualifying matches have something to do with Wiliam!

He has mastered the rhythm of the nine qualifying matches in his own hands!

What a terrible person!

What a terrible mind and pattern!

This kind of person, I am afraid that the Sect Master of Nine Sects is not even better than him!

At this time, Song Hanyu suddenly thought of something.

Wiliam had previously asked Song Hanyu if he really wanted to admit defeat to Shang Chi Zhan?

It should have been noticed by then, so it was pretending to be a tactful reminder, right?

Otherwise, according to his personality that has nothing to do with him, there is no need to ask more!

I'm so stupid, I can't hear his overtones!

Later, after he got a positive answer, he replied that the problem was not big.

Depend on!

Today's situation, even the situation of nine qualifying matches, will not change because of Chi Zhan's rebellion!

Still under his control!

Otherwise, he won't say the sure thing that the problem is not big!

Not right, right, right!

Song Hanyu suddenly felt all over again.

When she thought of the word steadfast, she was stimulated again!

What Wiliam said just now, are they just inferences?

There is no basis in fact, right?

Then why did he dare to stand up, and even say something now!

This is not in line with his step-by-step character, and it is not in line with his seamless calculations!

Then why did he do this!

There are only two reasons!

one!

He already had conclusive evidence, but why didn't he tell it!

He is still hiding some important clues!

two!

He deliberately said these words in order to once again guide the direction of the entire nine qualifying matches!

Regardless of the reason, it makes people shudder when thinking about it!

Depend on!

This kid, what is he going to do!
