

Dragon Husband 1609 part 1

Chapter 1609 A Desperate Big Bet

William's words sounded like a bang, knocking everyone present awake!

Yes!

The two people in front of Qi Jian Zhetian were all out.

The third person directly withdrew from the game, which seemed to be due to injury before.

Thinking about it now, it's completely giving way to Chi Zhan!

The only way for Qi Jian Zhetian to re-attack back to Jiu Zong was in Chi Zhan's body.

Chi Zhan definitely wants to go back to Qijian to cover the sky.

Then Hu Yixiao was talking about a ghost!

Really as William said.

After Jin Yu volleyed and lost Chi Zhan, although the referee considered this aspect, he lost a great advantage.

But William and Song Hanyu are both in the loser group and still have no decision to win.

They also carry the glorious mission of Jin Yu volleyed into the nine sects.

So to please them is the most important thing right now.

What were you thinking about just now?

Following William's words, everyone at the scene showed an awkward look.

How comfortable was the scolding in front of me, but now I am embarrassed to face William and Song Hanyu.

"Hahahaha, William, William, you are really amazing. In just a few words, you brought the situation back. Now I want to see, what should Jin Yu volley do?" Hu Yixiao seemed to be watching. The old suzerain who looked at Jin Yu volleyed in a playful manner.

The old Sect Master's expression was also very embarrassed, he coughed dryly, and said to Song Hanyu: "Han Yu, I didn't know how to speak Faithful, you and Wiliam must not take it to heart. I know you are still very kind. , Always put the honor of Zongmen first..."

Song Hanyu has a mentor-apprentice relationship with him, so the old master can only choose to start with a good relationship.

Song Hanyu looked at the old sect master with disappointment.

I thought that the old suzerain was obsessed with obsession.

Unexpectedly, in the end, it was still inferior.

The old suzerain is old after all.

She sighed, but said nothing.

Because all this is under Wiliam's control.

Song Hanyu felt guilty to Wiliam, and didn't want to express his attitude casually at this time, and broke Wiliam's plan.

Although he didn't know what Wiliam's plan was, Song Hanyu knew one thing, that is, Wiliam must do what he said and would not do anything bad for Jin Yu Lingkong.

Seeing Song Hanyu's silence, the old sect master looked at Wiliam again.

But he really couldn't say anything in a low voice, so he could only say to Chen Zhongyan: "Chen Zhongyan, don't hurry over and apologize to Wiliam! What you said just now! Almost misunderstood our great hero! If it was Wiliam If you refuse to forgive you, I will never let you go!"

Chen Zhongyan was sweating profusely.

I didn't think I was so cool before, but now the retribution is coming so quickly.

He stood up and looked at Wiliam, a bit conscientious for a while.

Without all his support, there is no confidence in him.

The remarks just now were really too poisonous, and everyone would be angry.

How can it be easily forgiven?

At this time, Wiliam smiled and said, "Forget it, I don't expect you to say anything good at all. Sect Master Hu, just pick it up, what is the purpose of your coming this time?"

Everyone was at a loss.

Eh?

Dragon Husband 1609 part 2

Hu Yixiao came here, what other purpose?

So what kind of nonsense did you say in this circle?

Hu Yixiao also laughed and said, "Talking to smart people is to save effort. Yes, I came here this time and it does have a purpose."

"But first I want to ask you the same question before. Wiliam, you and Song Hanyu have both fallen into the loser group, and I believe that you two will be able to reach the end. Sooner or later, you will meet."

"The question is here. This time, do you choose to protect? Is it Wiliam, who is able to protect the points, or is it a double pride with absolute strength and knowledge?"

Hu Yixiao looked at the old suzerain jokingly.

Suddenly hearing this question, everyone's heads buzzed.

How similar!

Didn't you also face the issue of choosing one of the two before?

Then Jin Yu volleyed into a big somersault!

Here again?

pick one of two?

Wiliam or Song Hanyu?

The old sovereign's heart suddenly became tangled.

It's so hard to choose!

Wiliam's points are far ahead, even if he loses in the end, the points will still be the highest.

As for Song Hanyu, his peak strength was restored, even more terrifying than before.

Until now, she hadn't completely forced out all of her abilities.

Moreover, the upper and lower Zongmen were still very relieved of Song Hanyu's strength.

Moreover, Song Hanyu had a deep attachment to the sect, and everyone knew that.

Who should I choose?

Although I feel relieved to choose Song Hanyu, Wiliam is a big piece of fat...

Choose Wiliam, what if Wiliam rebels again?

Who is right about this?

After a while, the old Sect Master had a decision in his heart.

Choose Song Hanyu!

Even if Wiliam stopped, those points belonged to the golden jade volley.

Not bad for this last point.

And just when the Sect Master wanted to answer, Song Hanyu suddenly stood up.

The eyes are sharp.

She said lightly: "Who do we choose has anything to do with you? We don't have to answer you?"

Hu Yixiao shrugged his shoulders and said, "Of course it has nothing to do with me. I just asked casually and passed. My real purpose is, can we two sects make a bet?"

"What bet?" The old Sect Master's eyes drenched.

Hu Yixiao said: "Use Chi Zhan to bet with you. And you use Wiliam and Song Hanyu to be the last winner."

"I have absolute confidence that Chi Zhan will be able to reach the finals. Also, I have confidence in your two sects."

"So let's take a gamble."

Hu Yixiao looked at the old sect master, "If you win, it is not difficult for you to become the leader of the nine sects."

The first of the nine sects!

These four words, like magical powers, hit the heart of the old master!

His breathing was instantly disturbed.

The head of the nine sects!

Does Jinyu Volley really have a chance!

From the nameless, to the head of the nine sects!

This is an enduring feat!

In history, Jinyu Volley will be completely marked with the name of his suzerain!

"What are you going to say?" Song Hanyu's mind was clearer and asked immediately.

She knew that Hu Yixiao was playing psychological tactics and grabbed the weakness of the old lord!

"My bet is that if Chi Zhan and the two of you meet in the finals, then there will be a dignified battle! The winner will get all the points of the loser!" Hu Yixiao finally said.

As soon as this was said, there was an uproar at the scene!

So I'm waiting here!

Hu Yixiao is really scheming, not only the Jedi counter-kill, but also the vigorous counter-kill!

But is this allowed by the rules?

As if knowing everyone's thoughts, Hu Yixiao said: "You don't have to worry about the rules, I naturally have a way."

"Think about it, if you win Chi Zhan, Chi Zhan's points will be yours. According to the current situation, whose points can beat you? I'm afraid that Dugu Hongshi can't! You become The head of the nine sects will definitely not be empty talk!"

"Dare you! This desperate bet!"
