

Dragon Husband 1623 part 1

Chapter 1623 Chess Game

Song Hanyu thought that when Hu Yixiao came to Jin Yu volley, Wiliam revealed the identity of Chi Zhan undercover.

At that time, Song Hanyu had two doubts in his heart.

Wiliam didn't have any real evidence to prove Chi Zhan's undercover status, but he said that it didn't fit Wiliam's steady personality at all.

Song Hanyu was thinking that Wiliam should have two possibilities.

He still had the real evidence in his hand, and he could completely hammer the red sword to death, but he didn't say it.

Another possibility is that he deliberately said it to guide the whole situation.

It now appears that the two guesses are all in!

When Wiliam assassinated him by Chi Zhan, he deliberately left Long Live Demon Lotus on Chi Zhan's body.

And when Chi Zhan appeared the next day, the Long Live Demon Lotus on his body could naturally be perceived by Wiliam, so Wiliam immediately determined Chi Zhan was the assassin!

Qi Jian Zhetian's blindfolding method of retiring from the game by Li Daitao was completely ridiculous in front of Wiliam.

Then Wiliam agreed to Hu Yixiao's gamble with a provocative look, and he also pushed the boat along the way, just in time for the people with strange swords to fall into his full control.

Now, Wiliam killed Chi Zhan in three seconds, not only won the final championship of nine qualifying matches, but also won all Chi Zhan's points!

As a result, Qi Jian Zhetian does not have a single point now, and he is not eligible to be included in the nine sects!

If it is normal, even if Qi Jianzhatian loses, but with the title of runner-up, it is more than enough to be in the Nine Sects.

Qi Jian Zhetian is now lifting a rock and hitting himself in the foot. He lost his wife and broke down!

Happy!

Thinking of this, Song Hanyu's heart suddenly became very comfortable, and the grievances accumulated before were completely released at this moment!

As expected of Wiliam!

Qi Jian Zhetian thought that he would be able to fight back against Wiliam and earn a lot of money!

As a result, Wiliam came to a jedi counterattack, slamming them into endless hell!

This move is too good to hit the other side by the way of the other.

Standing next to Wiliam, Xu Tongyin still looked at Wiliam with deep awe.

This guy actually used the entire nine sects as a chess game.

It should have been discovered that something is wrong here!

Xu Tongyin was also laughing at himself as a steel man.

When Wiliam confronted him, he had already discovered that Wiliam's Long Live Demon Lotus was missing a petal and was not completely body.

At that time, I wondered why?

It turned out that the other incomplete silver needles had long been hidden in Chi Zhan's body.

high!

So clever!

The current Hu Yixiao was completely roasted on the shelf by Wiliam.

If he swallows this dumb loss, everyone may still sympathize with the strange sword to cover the sky.

However, if he wanted to jump out and accuse Wiliam of cheating, it was tantamount to hitting Wiliam's muzzle directly.

The people at the scene were already screaming at Qi Jian, and there was no sympathy for them at all.

Hu Yixiao thought in his heart that this time he lost completely.

But absolutely can't let this kid succeed easily!

His eyes swept across the scene and silently fixed on a person.

He said aloud: "This time, my strange sword concealed the sky is considered a confession! However, Wiliam's conspiracy against my people beforehand should have broken the rules, and he should also be punished! He should be deprived of his qualifications!"

Dragon Husband 1623 part 2

Good guys!

The people at the scene took a breath.

Do you want to be so shameless!

Knowing that Qi Jian Zhetian is finished now, he wants to pull Wiliam to die together!

No, take the whole Jin Yu volley together!

Where can the people in the golden jade volley depend on it!

This is the scene where they started history!

Wiliam's own score was already so high that no one had come before, and now he was superimposed with Chi Zhan's score.

Threw away the third place points ten times!

This miracle will be bound to the golden jade volley forever, how can this little man be easily trampled on?

"You fart! Wiliam wins righteousness! How can it be considered a violation of the rules! You clearly want to drag everyone to die together!" Jin Yu Lingkong's people scolded on the spot.

The scene suddenly became noisy.

Song Hanyu was next to Wiliam and whispered: "Wiliam, you have done well enough. I really convinced you. You have been counting from the beginning of the game until now, but now it's good. Your mission is over. , Leave it to us next, we will definitely fight for you what you deserve!"

In Song Hanyu's mind, the game was over, and Wiliam's mission was indeed over.

But Wiliam smiled and said, "It's over? Where does this go? And, leave it to you? I'm afraid you are not worthy."

Song Hanyu's expression froze on the spot, and she could not wait to immediately pick up this girl's ears and give him a severe lesson!

Can you speak!

If you can't speak, please shut up!

My old lady kindly defended you, but in exchange for a sentence, is not worthy?

Hot face stuck your cold ass?

Moreover, what does it mean that it's not over yet?

Isn't the game all over?

Song Hanyu thought, suddenly couldn't help but shiver!

This scene, deja vu?

She suddenly remembered that when several sects assassinated Wiliamfan for the first time and were blackmailed by Wiliam, Song Hanyu also felt that the matter was over.

At that time, Wiliam said that the game had just begun.

Well, Song Hanyu witnessed with his own eyes how Wiliam played a good game in the Jiuzong Qualifying Tournament.

Now think about it when the game really just started.

Now he said where did he go?

Could something unpredictable happen again?

No, it's not unpredictable, it's me unpredictable, but this kid is in control.

Moreover, this matter is our Jinyu Volley is not worthy to participate in it?

Depend on!

Thinking of this, Song Hanyu wanted to scold his mother.

When is the end!

It's really bad to be around this kid.

What terrible thing will happen next?

“Well, don’t make any noise!” A thunderous voice sounded at the scene.

Everyone followed the sound to see that it was the organizer of this time, Bai Jianxing, the lion’s suzerain.

Seeing this highly respected person speak, Jin Yu Lingkong’s spirit lifted up and immediately said: “Sect Master Bai, it is more appropriate for you to preside fairness in this matter, please call the shots for us Jin Yu Lingkong!”

Bai Jianxing had pale hair, and his spirits were not very good.

He looked around, and the sound around him gradually became quieter.

He just said: “As the master of the Nine Sects Qualifying Tournament, the old man should and is obliged to draw a successful conclusion to this matter.”

The face of Jin Yu volleyed with joy.

The consummation period!

It’s a very good signal!

However, Bai Jianxing’s next sentence dazzled all the people in Jinyu Volley.

“The battle of the arena has always been resolved in the arena, and there is no room for the slightest adulteration in private. Wiliam’s attack against Chi Zhan beforehand was a serious violation of the rules of the game. I announce that all Wiliam’s results will be cancelled!”
