## Chapter 1639 Nine Sect Rankings

Everyone looked at Wiliam with expectation.

At the same time, he squeezed a sweat for Wiliam silently.

If it is said that his ruling on nine cases before is a matter of the whole arena.

The current ruling on the ranking of the nine cases is related to the face of the nine cases.

If this matter is not handled properly, the offender will be the boss.

But this matter is difficult to manage.

Since ancient times, the ranks of the Nine Zongs have been competing openly and secretly, and no one is convinced that whoever is the first.

How exactly would Wiliam grasp the balance in this Xie?

Wiliam pondered for a moment. First, he looked at Qin Shengzhong and said, "The end of the Nine Sects is for Lanshan Zhige. Lanshan Zhige is righteous, but the true strength is still in the middle of the Nine Sects. Such a ranking, Qin Sheng Do you refuse to accept it?"

Qin Shengzhong seemed to have thought of this a long time ago. He nodded heavily and said, "I take it, thank you!"

Qin Sheng's goal of returning to this nine-sects qualifying match has been over fulfilled, and ranking at the end of the nines is already a virtue for the ancestors.

Wiliam is so ranked, fair and just, almost no one will raise objections.

What's controversial about the last place, right?

Wiliam said one after another: "Eight of the nine sects is the immortal hell of a thought, and the seventh of the nine sects is the good wood public defeat. Do you have any objections? Do you have any objections?"

These two sects are both artisan and sect sects of sword walking and slanting front, and they are still slightly inferior to other sects in terms of martial arts strength.

And their last ranking was similar.

The suzerain of the two sects nodded their heads and arched their hands towards William: "It should be so, Lu Shaoxia judged it impartially. We are deeply impressed."

Even if they were to go to three cases, they would not have this ability.

So An Xin staying in the seventh and eighth position is also a good thing for them.

You can save a lot of tedious interruptions and concentrate on the art and craftsmanship.

At this point, the rankings of the next three cases have all come out.

The ninth Lanshan Zhige, the eighth one reads the immortal prison, the seventh good wood public loses.

Everyone has no opinions on this.

But everyone's worries are still there.

After all, these are only the next three cases, and the situation is relatively clear.

To be selected as the next three sects, other sects can't ask for it.

Wouldn't their rankings be higher?

Apart from the three cases themselves, how can anyone else have opinions?

The real headache has just begun.

The middle three cases, especially the upper three cases, can be contended.

Be sure to hold onto it.

William also slowed down this time, as if he was also considering the balance in Xie.

He first slowly said: "The sixth of the nine sects, it is the golden jade volley."

As soon as these words came out, the audience was in an uproar!

The most unexpected thing for everyone still happened!

Jinyu Volley was ranked at the bottom of the three sects!

This broke everyone's eyes!

Jinyu volley!

Although it was a dark horse that turned out to be killed!

But this time Jin Yu volleyed, but Song Hanyu and Wiliam came out amazingly!

And Wiliam won the championship!

Now Wiliam puts the golden jade volley to the end of the middle three sects, what the hell is this doing!

Slap yourself in the face!

Even if Wiliam volleyed Jinyu to the top of the nine sects, it was not surprising to everyone.

## Dragon Husband 1639 part 2

After all, Dugu Hongshi was regarded as the sect brought back by Wiliam this time, and it was normal that they would no longer be the head of the nine sects.

Only now this ruling is completely unexpected to everyone!

Even the people in Jinyu Volley were dumbfounded.

They are actually thinking in their hearts that they have to go three times!

So their mentality was very relaxed, and they didn't even expect to hear the name Jin Yu Lingkong so early.

Now this announcement makes them feel like a bolt from the blue.

The old Sect Master was even more dumbfounded.

He was trembling all over, and his first thought was to appeal the unfair ruling.

But in the next second he suddenly thought that the person who made the ruling was the great hero of the Jin Yu volley this time!

Excluding Wiliam's performance in this competition, Jin Yu's performance in the volley was mediocre.

After all, Song Hanyu had given way twice in a row, and his strength hadn't really been revealed.

But why does Wiliam want to do this!

The old sect master held this breath in his heart and couldn't relieve himself, and the whole person was going to be depressed.

Wiliam looked at Jin Yu Volley at this time, his expression calm.

He said faintly: "Jin Yu Volley's performance this time was excellent because of me and Aunt Song. But I joined Jin Yu Volley purely to help Big Brother Yuntian and Aunt Song a favor. After this ruling, I will withdraw from Jin Yu Volley. "

"Considering Jin Yu Lingkong's strength, because Aunt Song is in charge, she is at the bottom of the three sects. Do you have any opinions?"

What Wiliam said was another bolt from the blue!

He wants to withdraw from Jinyu Volley!

Everyone looked at Wiliam like a fool.

Dare to love that he is here to play this time!

There is no way that Jiu Zong is in his eyes!

The people in the Jinyu volley were trembling all over.

What does it mean to wait until you lose it to know that you regret it!

This is it!

I didn't know how to cherish Wiliam before, I only knew how to question him and mock him!

But Wiliam severely slapped each of them with strength!

Just when they suddenly realized that they wanted to climb Wiliam Gaozhi, Wiliam turned and left cruelly, couldn't tell after breaking up?

This kind of heartache lingers in the heart of every sect child.

But other people have different feelings in their hearts.

This kid is selfless!

After helping, turn around and leave, without nostalgia!

And his ruling was based on Song Hanyu's strength.

In this case, everyone basically has nothing to say.

Applause gradually broke out at the scene.

Give it all to Wiliam.

Everyone applauded this ruling.

Song Hanyu looked at Wiliam on the stage, feeling sentimental and felt that Wiliam was more worthy of respect.

Wiliam did this with good intentions, but how many people can understand his heart?

If Jin Yu volleyed to the position of the upper three cases, although everyone has no opinions.

But sooner or later Wiliam was leaving Jinyu Volley.

What will happen to Jinyu volley in the future?

What does it mean to climb higher and fall worse?

Now Wiliam carried Song Hanyu out, saying that it was because Song Hanyu was in control that Jin Yu Lingkong was among the three.

Wiliam not only put aside his own credit, but officially pushed Song Hanyu to the top of Jin Yu's volley.

From now on, Jin Yu volleyed to see Song Hanyu's face.

And there is another reason.

If Jinyu Volley ranks in the top three for the first time in the nine sects, will the people inside the sect be arrogant and domineering one by one?

But do they really have the strength to be arrogant and domineering?

I'm afraid I don't know how I will die in the future.

Wiliam's decision was very correct.

Unfortunately, few can understand him.

After a brief period of noise, the situation gradually settled down.

Song Hanyu stood up and said in a deep voice: "I am Jinyu volleyed, accepting such a ruling, and I feel honored and understood for this ruling. Wiliam, thank you."

As she said, she bowed deeply to Wiliam.

She didn't even care about the old Sect Master's face at all!

Master, I'm sorry.

It started when Wiliam said this sentence!

from now on!

I'm Song Hanyu!

Will officially bear the fate of Jin Yu volley!
