

Dragon Husband 1647 part 1

Chapter 1647

Wiliam's body suddenly stiffened, and he realized what the business was talking about!

What else can you do with this big red and beaming?

Send it to the bridal chamber?

Wiliam couldn't help taking a step back, keeping a safe distance from the demon girl, and then said, "Don't be kidding me."

Su Hongxiu looked at Wiliam jokingly, "What? Are you shy?"

Wiliam shook his head and said, "Sect Master Su, I treat you as a good friend. Don't always think about eating me."

Su Hongxiu covered her mouth and grinned, "Well, I won't tease you. I know you are not ready yet."

"This is not a question of being prepared or not ready." Wiliam had a black line, why couldn't he catch the point?

"Well, let's go, I'll send you out." Su Hongxiu's conversation turned, and Wiliam was even let go.

Now even Wiliam couldn't react a little bit.

Dare to love that I was playing with my feelings just now?

The two of them walked in the direction of the door step by step.

On the way, Wiliam still had a doubt in his heart, so he asked, "Sect Master Su, what is your current level of strength? I have never been able to see through you."

Su Hongxiu turned his head and looked at Wiliam seriously, "Well, this question, it's been a long time since someone asked me."

"Do you want to hear the official answer, or the correct answer?"

Wiliam couldn't help but glared at Su Hongxiu, can he speak well?

Su Hongxiu didn't laugh anymore, he thought about it seriously, and said, "Then I will answer you seriously. Well, judging by the strength shown in the game between you and Xu Tongyin, I shouldn't be able to beat both of you. problem."

At this moment, Wiliam's footsteps stopped.

Isn't it a problem to hit two?

What a special thing!

This answer far exceeded Wiliam's imagination!

He looked at Su Hongxiu with a strange expression on his face.

This woman is also terrible.

On the one hand, it is her strength, on the other hand, it is her wisdom.

She didn't directly say that she could beat two Wiliam at once.

Instead, I found a reference, using the match between Wiliam and Xu Tongyin as a reference.

This shows that Su Hongxiu knew that Wiliam's strength had not yet been fully demonstrated.

Wiliam was also thinking carefully in his heart.

What would happen if I had full firepower and had a fight with Su Hongxiu?

According to the answer given by Su Hongxiu now, there is a high probability that he can't beat Su Hongxiu at full firepower.

This woman has something.

No wonder the big red and thin tall building, with the woman inside relying on Su Hongxiu's support alone, can gain a foothold in the rivers and lakes without worrying about food and clothing.

Without strong strength, this is absolutely impossible.

Wiliam reassessed Su Hongxiu in his heart.

When he walked to the door, Wiliam said to Su Hongxiu, "Thank you for the hospitality this time. I will come to visit you with my wife in a few days."

Su Hongxiu waved his hand lazily, and said, "Go and go. I'll bring it with you then, I'm really looking forward to seeing your lady."

William nodded, and then strode out of the red and thin tall building.

I didn't think I had just walked two steps before being held on my shoulder by a person.

He turned around and took a look, good fellow, Xu Benliu!

He actually fell to the door of the red and thin tall building personally to squat guard?

William looked at Xu Benliu with a black line.

Xu Benliu laughed loudly, "Finally let me wait, go! Go to us! We are all waiting!"

Xu Benliu was a tall man, and he couldn't help but put William under his arm and walked away.

William was a little dumbfounded when he drank wine.

This rushing and rough man, his whole body was full of smell, this was caught under his arm, so sour and refreshing.

He almost felt that he had a sense of taste for a while.

I don't know how long it took before he regained consciousness.

Opening his eyes, he suddenly saw that he had appeared in the sect of Can Jian Nine Heavens.

And beside him, surrounded by a large group of people.

Looking at it, there is also a huge crowd of people in front of him.

William had an ominous premonition in his heart.

It seems that a banquet is being held here again.

"William, you finally woke up hahaha, did you get fainted by a group of ladies in the red and thin tall building? haha!" Xu Benliu patted William on the shoulder and smiled.

William was embarrassed to say that this hearty appearance was smoked by you.

He stood up and looked at the people next to him.

Good guys!

It doesn't matter if I look at it, I'm surprised when I look at it again.

There are not only people who have broken swords for nine days.

And the people from Dugu Hongshi also came.

Moreover, Wiliam even saw Qin Shengzhong!

What a special thing!

Wouldn't it be that people from these sects are all here waiting to fill my bar?

Wiliam's forehead hurts a little.

Hasn't Qin Shengzhong heard that this is an elm bump?

Why are you here too?

He also suffers from social bullying?

Wiliam looked at Qin Shengzhong.

Qin Shengzhong was a little embarrassed by Wiliam's look, and shrank back to the back of the crowd.

Obviously, Qin Shengzhong is also very uncomfortable with such social activities.

However, in order to thank Wiliam, he bit his head to entertain.

This kindness, Wiliam received a snack.

"Wiliam, is your health better?" Bai Jianxing asked concerned.

Wiliam nodded, and said politely, "It's much better."

"Well, what are you waiting for! Drink!" Bai Jianxing turned around and shouted to the crowd.

Wiliam's eyes were red in an instant.

Good guys!

I thought I cared about myself!

Unexpectedly, it was just for serving wine!

William was almost framed again, and went to the wine table.

Xu Tongyin is still wrapped in bandages, but it doesn't affect his handsome and heroic toasting, "William, come, I toast you! This time I will fight with you, it's not too cool!"

William was sweating coldly, thinking that a cup would be okay, so he drank it quickly.

As soon as the wine glass was moved out of his mouth, Bai Jianxing almost hit William's nose with the wine glass, "Lu Zu, I respect you for this glass. I was so rude to you before, please forgive me!"

William Yihan, full of wine, said politely: "Nothing, it's all over."

After the wine was still in his throat, Bai Jianxing took another glass of wine from the side, "Thank you for this second cup, which gave me a chance to be a new man, otherwise, my old face is really shameless to see the sect."

After speaking, Bai Jianxing drank it, and then looked at William eagerly.

William felt cold, the second cup...

Is this the rhythm of the third cup?

He hurriedly said: "Sect Master Bai does not need to be polite. Any apology, thanksgiving invitation is in my glass of wine, sit down!"

William directly blocked Bai Jianxing's third cup.

After he finished drinking, he thought to sit down and take a rest. After all, the wine he drank on the red and thin tall building was still not getting over.

But I didn't expect that as soon as Bai Jianxing sat down, he stood up again!
