

Dragon Husband 1743 Part 1

Chapter 1743 Immortality

Although Su Lanbo looked polite, his eyes couldn't hide and deceive people.

Seeing this man's eyes, Wiliam only felt disgust from the bottom of his heart.

Very hypocritical.

"Hoho, then congratulations to you first. I hope to appreciate your heroic appearance tomorrow and bring you home." The old man Qingfeng also said this politely, motioning Su Lanbo to lead the way.

Apparently he didn't want to say anything else.

And Su Lanbo nodded and led the way in front of him.

The old man Qingfeng deliberately pulled a distance from Su Lanbo, and then asked Wiliam in a low voice, "What do you think of this person?"

Wiliam is also a man of temperament, and replied in a low voice, "It's not a good thing."

"Hahahaha! Won my heart! Won my heart!" The old man Qingfeng couldn't help but stroke his gray beard and laughed.

"Oh? Do you already know this person's character?" Wiliam asked rhetorically.

The old man Qingfeng whispered: "I knew him ten years ago. This man named Su Lanbo is very talented, but his personality is extremely arrogant. What he wants, he will do anything to get it. And he is the most personable. The point of criticism is that he is extremely greedy. As long as it is a woman he targets, there is not a single woman who will not suffer."

"Ten years ago, he was born on the Caixiu Erlang Festival, but after all, he was too young and lost to another person. Then, he became ugly and acted wildly in public, which can be said to be unsightly. Now it seems that he Although the appearance is a little more restrained, it is a pity that the arrogance in the bones has not been reduced in the slightest."

"Wiliam, although I don't know how you will act, I advise you, don't offend this kind of person, or he will entangle you like a gangrene."

Wiliam nodded, "That's natural, I don't want to deal with this kind of person too much, it's better to be at peace with each other."

"It's good if you know. Let's go, let's go to their bonfire feast." The old man QingFeng was very familiar with these processes, and he easily said what the people of the cold boaters were doing now.

Su Lanbo led Wiliam and the others to a bustling place.

Sing and dance here.

There are bonfires here.

The wine is fragrant here.

The scene in front of me is very much like the harvest celebration on the Mongolian side.

And Wiliam also saw that on this square, there were tables and chairs placed in a place.

In this place, there are two large pillars on the left and the right, on which a huge couplet is written in red cloth.

It says:

"But the world is beautiful every year"

"Welcome the Dragon and the Mountains and Rivers are Peaceful"

Seeing this couplet, Wiliam couldn't help feeling emotional.

He probably read it too.

But Xie, refers to the magical effect of the Jiangshan Prayer Seal, which can cure all diseases and achieve the purpose of But Xie.

After the evil, there is no disease or disaster in the world, and the natural world is splendid.

The Yinglong in the second link should refer to the worship of the Frost Cang Python.

Snakes, pythons, and Jiaojiao were collectively called little dragons in ancient times.

Blessed by the Frost Cang Python, and running rampant on the river, the mountains and rivers are naturally peaceful.

Wiliam looked left and right, and sure enough, there were many small black snakes embroidered on the surrounding silk cloth.

It is precisely the totem on their bodies, which is what their ancestors dreamed of the Frost Cang Python.

"Hahaha! Old Man Qingfeng, you made me and my father wait!" A heroic voice came from not far away.

Wiliam and the old man Qingfeng turned to look, but saw a burly man walking over with open arms.

Seeing this burly man, Wiliam frowned slightly.

Because he knew this man.

This man has a beard on his face, isn't he the man who helped Wiliam ferry?

It never occurred to me that this man's status in the Cold Boat Race was not low.

Wiliam was thinking in his heart, if this man still had an impression of him, he would be at great risk of being exposed.

Miscalculated.

Just when Wiliam's mind was a little complicated, Beard just glanced at Wiliam and Feng Xue, and then continued to look at Old Man Qingfeng.

Wiliam's heart slowly relaxed.

Probably didn't recognize it.

Yes, they are only one side of each other.

And the beards are ferrying all the year round, and there are countless people who have seen them, and it is normal for them not to recognize them.

Beard hugged the old man Qingfeng, "Hahaha, my father was still talking about you just now, come with me."

The old man Qingfeng broke free from the warm embrace of his beard and smiled bitterly: "I said Su Yongcun, do you have to crush my old bones?"

"Hahaha, I'm sorry, I haven't seen you for a long time, I miss you so much." Beard laughed.

It turns out that this bearded man is called Su Yongcun...

Wiliam thought silently in his heart, motioning Feng Xue to follow him and walk towards the places where the seats were placed.

Walking there, Wiliam soon saw a group of people sitting on the left and right.

Sitting in the center was an old man with gray hair.

The old man looked lethargic, as if he was too old to bear this warm picture.

And seeing the old man Qingfeng, the old man suddenly opened his eyes and laughed loudly: "You are immortal, you are here, I can only see you once in ten years, but I am suffocated. I said you are immortal., I can't go out, can't you come and see me at any time? How many ten years do I have, I can't say that this is the last time we meet. "

This old man is also a carefree look, just like a beard.

It was Su Yongcun's father, and he should also be the patriarch of the Cold Boat Race.

The old man Qingfeng also ignored Wiliam immediately and was busy reminiscing with the old man.

Wiliam pulled Feng Xue to the side and listened, only to realize that the old man's name was Su Changsheng, and he was indeed the patriarch of this generation of cold boaters, and he was almost a hundred years old.

Su Changsheng has only one son like Su Yongcun.

And Su Yongcun has a son and a daughter.

The man named Su Lanbo is strictly speaking of the direct line, but because his talent is too high, he is looked up by the ethnic group, even higher than some direct descendants.

Wiliam was eating melons with relish when he suddenly heard Feng Xue screaming behind him, and then Feng Xue slammed into his back.

Wiliam grabbed Feng Xue and looked forward.

I saw that Su Lanbo was already standing in front of Bai Fengxue, looking at Bai Fengxue unhappily.

It should have been Bai Fengxue standing in the same place just now, but Su Lanbo pushed him hard for no reason before hitting Wiliam's body.

Su Lanbo looked down at the innocent Bai Fengxue, with anger burning in his eyes, "Where did you come from? You don't know how to give way when you see me coming?"
