

Dragon Husband 1761

Chapter 1761 Eat melon and eat yourself

At first seeing Su Hongxiu pointing in the direction of Wiliam, everyone felt that the dust had settled.

It was not until they heard the words behind Su Hongxiu that everyone reacted slowly.

Something is wrong?

Not Wiliam?

Let Wiliam give way and block the direction of your fingers?

Speaking of which, isn't Su Hongxiu referring to Wiliam?

Everyone's eyes suddenly turned towards the direction behind Wiliam!

Thinking about who is the lucky one who can get the surprise and favor of Su Hongxiu's turnaround.

And Wiliam was even more dumbfounded on the spot.

He originally thought that Su Hongxiu was pointing at him.

Even Wiliam has done a good job of psychological construction to bite the bullet and agree.

However, did not expect Su Hongxiu to come to such a trick?

Wiliam's feet were about to be lifted, but he quickly put them down.

behind yourself?

Wiliam looked behind him suspiciously.

Then, he met Bai Fengxue's more puzzled and dazed eyes.

Bai Fengxue's face was innocent, with an expression of "Who am I? Where am I? What am I doing".

At this time, everyone also saw the people behind Wiliam.

A loud exclamation suddenly appeared everywhere.

Su Hongxiu nodded with satisfaction, and said to the people at the scene: "There's nothing wrong, I chose that little brother, little brother, come up, I like you."

What Su Hongxiu said was exactly Bai Fengxue.

Everyone's eyes were instantly focused on Bai Fengxue.

A howl of grief greater than the death of the heart rang out.

If it is Wiliam, although everyone thinks that this person is not a noble person, it is the same thing, but the ability to defeat Su Lanbo is there, and everyone does not dare to criticize.

But what's going on now?

This sudden counter-attack almost made everyone in the audience break their waists.

Su Yongcun was also stunned.

All the beautiful fantasies were completely turned into dream bubbles at this moment.

From hell to heaven.

Now he fell from heaven and fell back to earth.

Daughter, daughter, what are you doing?

Is it Wiliam who can't do it, or is it you who can't?

Bai Fengxue looked caught off guard, and secretly grabbed the clothes behind Wiliam.

Seeing Feng Xue's appearance, Wiliam only felt amused.

Bai Fengxue clearly looks like she eats melons and eats herself.

A little cute.

But ah, Su Hongxiu, what the hell are you doing!

Let me not choose, what does it mean to choose my wife?

"Su Hongxiu! Tell us why!"

"Yes! Why! Why choose that sissy!"

"I'm more than that sissy man! Choose me! Choose me!"

The following voices of protest and questioning sounded instantly.

Wiliam frowned slightly.

Are these people looking for death?

Bai Fengxue was also obviously offended, the helplessness on his face disappeared instantly, with a small face, obviously holding back his anger.

"Little brother, come up." Su Hongxiu didn't pay any attention to the questioning voices of those on the scene, and once again used her small hand to gently tick Fengxue.

Bai Fengxue was obviously also out of anger, his heart swayed, he passed Wiliam, and walked directly towards the stage.

"Hey..." Wiliam wanted to pull, but it was too late.

In the blink of an eye, Feng Xue was already standing on the stage and opposite Su Hongxiu.

Four eyes facing each other.

Su Hongxiu's face turned slightly red.

Like the shyness of a daughter's family.

She was bold enough to hold Bai Fengxue's little hand in front of so many people.

"Little brother, what's your name? You are so handsome." Su Hongxiu held Bai Fengxue's hand, and squeezed Fengxue's soft hand gently in front of everyone's eyes.

Bai Fengxue's face suddenly turned red, and she was a little twisted.

She regretted standing up a bit.

Just now, I was really pissed off by those sissies.

Now think about it, shouldn't come up.

Will it disrupt Wiliam's plan?

"Tell me, what's your name?" Su Hongxiu saw that Bai Fengxue didn't answer, and even leaned up on purpose and blew a soft breath in Fengxue's ear.

This breath seemed to blow in the ears of all men.

Many people couldn't help shivering, as if they were too comfortable.

This witch, leave me alone!

"Bai, Bai Dazhuang." Bai Fengxue said a little stumblingly.

Of course she wouldn't say her name.

The name Bai Dazhuang was something she thought of before she came.

It seems that she is big and strong to cover her soft beauty.

When the people at the scene heard the three words Bai Dazhuang, they were all stunned.

Then there was an instant roar of laughter.

"Hahaha! Even this small body is white and strong!"

"You can pull it down! Even the voice is my mother's! Hurry down, you are not worthy of my red sleeves!"

"Red sleeves, look at me! Look at my biceps! This is the big one!"

This mocking voice made Bai Fengxue uneasy again.

Bai Fengxue blushed with anger, and in an instant, all regrets were thrown out of the sky.

She knew in her heart that Sister Hongxiu knew her, but she was just acting.

And she seemed to know that Sister Hongxiu did not despise these stinky men.

So, acting?

Help Sister Hongxiu to pull this lie away first?

Who wouldn't?

Williamxing, so can I!

Am I not a boy now?

For a time, Bai Fengxue's IQ exploded, and she immediately wanted to understand all this.

She seemed to deliberately stimulate these men at the scene, and she also held Su Hongxiu's soft little hand with her backhand, "Miss Hongxiu, I like you too, marry me, and bridal chamber tonight!"

This enthusiasm and undisguised words made the popularity of the scene crazy again!

A little sissy!

Be bold!

leave me alone!

"Ouch, isn't this a coincidence? Lang Youqing concubine intends, tonight's bridal chamber will be the bridal chamber." Su Hongxiu suddenly understood that Feng Xue was also acting, and giggled happily.

William saw the hair down from below.

The hatred in his heart.

I never thought that Su Hongxiu would have such a trick.

William knew that Su Hongxiu would use someone as a shield.

But he subconsciously ignored that Feng Xue was disguising himself as a man at the moment.

So, if William and Fengxue choose a shield.

Su Hongxiu naturally chose Bai Fengxue.

Don't let other men take advantage of it.

tsk tsk!

Also riding a horse to eat a lady!

He has also been married three times on horseback!

Just so conservative?

William's thoughts in his heart were inexplicably crooked.

The people at the scene looked at the pair of dogs and men in front of them, and they were angry and anxious.

But what can be done?

The two of them didn't talk about their love and concubine, and Su Yongcun's previous words were kept there.

Bai Qianqian is such a sissy, can he do it in the bridal chamber tonight?

If not, can you apply for a substitute?

But just when everyone was disheartened, a sneer sounded.

"Pretend? Pretend me again?"

Everyone looked at the sound, but it was Su Lanbo who had been silent and gloomy.

Su Lanbo seemed to have been waiting for this moment for a long time.

He came to the stage slowly, pointed to the pair of dogs and men, and said to everyone righteously: "Everyone, don't be deceived by them. They are just acting."

"Just this sissy! I can tell you with confidence that he likes men not women!"

"Because I saw this sissy kissing a man with my own eyes last night!"
