

# Dragon Husband 1776

## Chapter 1776 Refining

"You! You! You!" The person at the scene pointed at Wiliam, with a look of anger, but he couldn't say a word.

The ancestral training and rules of the cold boaters for thousands of years have indeed been smashed in front of this kid!

Nothing!

This kid is like a rebellious person who fell from the sky, causing the people in the cold boat to panic!

Why does their fetish listen to this kid so much!

Could it be that this kid has something to do with the Jiangshan Prayer Seal?

But this is simply not possible!

You must know that the Jiangshan Prayer Seal has existed for so many years!

Even if the ancestors of this kid have any connection with the Jiangshan Prayer Seal.

But after thousands of years of change, no matter how rich the bloodline is, it will be gradually diluted.

"What are you trying to say? Or are you just trying to humiliate our Hanzhou people!" Su Chang was so angry that his beard flew up.

Wiliam took a step forward with Bai Fengxue on his back, and said coldly, "I'll tell you one more thing, haven't you always wanted to break the shackles of Jiangshan's prayer seal? I'll give you such an opportunity."

Su Changsheng's face froze, as if he had been stabbed in a sore spot, "What nonsense are you talking about!"

"Am I talking nonsense? Su Changsheng, you are thinking about breaking the shackles, why do you dare not when the opportunity is in front of you?"

As if in Wiliam's hands, the Jiangshan Prayer Seal was a trivial toy.

"I've helped you refine this prayer seal, and your shackles will naturally dissolve." Wiliam said lightly.

"Humph! After all, you are still thinking about our Prayer Seal! Do you think we'll be fooled by trying to deceive us with such ridiculous lies!" The people at the scene immediately shouted angrily.

In their opinion, Wiliam is simply a liar.

He knew that he couldn't take the country's prayer seal by force, so he thought of a big lie.

In an attempt to get the people of the Cold Boat to cooperate with him, let him refine the prayer seal of the country.

In this way, the purpose of the empty-gloved white wolf can be achieved.

However, this lie is so ridiculous that people can't even believe it if they want to.

First of all, I want everyone to cooperate, this is very funny.

The most important thing is that this kid keeps saying that he wants to refine the country prayer seal.

Does it mean to ask Jiang Shan to pray and seal the Lord?

This is something that the cold boaters have been looking for for thousands of years but cannot do it!

Why did Su Changsheng take Su Lanbo so seriously, even to the point of condoning it.

Isn't it just because he holds a glimmer of hope for Su Lanbo and wants Su Lanbo to have the opportunity to be recognized by the Jiangshan Prayer Seal?

This kid is ridiculous!

However, William could not tolerate their opposition.

He smiled, as if talking to himself, "Old You, do me a favor, it's good for you, and it's good for me. You don't lose money on this deal."

The voice just fell!

A terrifying aura suddenly hit everyone in the audience!

In front of everyone's eyes, there seems to be a mountain of corpses and a sea of blood!

Their teeth are shaking!

Their legs are shaking!

Some people with relatively low cultivation levels fainted immediately.

This momentary change caught everyone present by surprise!

And even more terrifying!

They saw an unforgettable picture for a lifetime!

Between William's eyebrows, it seemed like a door had opened!

An afterimage slowly walked out of this door!

The afterimage is getting bigger and bigger!

In the end, it stood alive in front of everyone!

The height of this afterimage is five meters!

Looking at this afterimage, it looks like a person, but it doesn't look like it at all.

He has a human body, but has a bull head with four eyes and dark horns on his head!

His feet are like cow hooves.

Not only that, he also has six hands, ears and temples like swords and halberds, fierce and domineering.

What's more striking is that he also has a pair of black and big wings on his back!

What the hell is this!

next second!

William's hair instantly turned fiery red!

Everyone's heart beeps a dog!

This is so special!

Is this couple playing cosplay!

What's the matter with each and everyone playing and transforming!

What the hell is this!

Everyone didn't have time to react, only to see the monster's bloody mouth!

The Jiangshan Prayer Seal suddenly flew up and went directly into the monster's mouth!

After the monster did this, he turned his head and stared deeply at William.

"It's only this time, it won't happen next time."

The sound is very light.

But unexpectedly, there is a sense of domineering, which shocked the hearts of everyone present!

After saying this, the monster got into William's eyebrows again.

William's hair then returned to its previous appearance.

These few seconds seemed like a lifetime in the eyes of everyone!

So unforgettable!

No matter which picture it is, it is too unforgettable and mysterious!

How long is that boy's eyebrows!

What is that monster!

Why can I swallow the prayer seal?

Oh, my god!

Are our prayers sealed?

There were countless questions in the hearts of the people at the scene.

I can't digest what happened so briefly.

"Jiangshan Prayer Seal! Boy! Where did you get our Jiangshan Prayer Seal!"  
Someone reacted and shouted sharply.

"Where did it go? Didn't I tell you? I helped you refine the Jiangshan Prayer Seal. In other words, the Jiangshan Prayer Seal has already recognized me as the master." Wiliam's thoughts moved as he spoke.

In his body, an incomparably exquisite seal suddenly flew out!

It is a miniature version of the Jiangshan Prayer Seal!

When the people on the scene saw this scene, their eyes were completely split!

hateful!

this kid!

How did he do it!

How many years has the Jiangshan prayer printed on their side!

It's never been that big!

How can you become so small and exquisite!

Could it be that this kid really printed the prayers of Jiangshan to refining!

Why can't other people do it, only this kid can do it!

What was that monster just now!

Wiliam looked at the people at the scene and sneered.

All of this is naturally in Wiliam's plan.

Wiliam first knew that the Jiangshan Prayer Seal was jointly forged by the three ancient emperors, and later obtained the remnant soul of the soldier by chance.

That's it, why can't I have a prayer seal?

Everything is just a matter of course.

Before Wiliam never thought about being so flamboyant to subdue the Jiangshan Prayer Seal.

It's just that these people can't be beaten.

So Wiliam did it on purpose.

And on Chi You's side, Wiliam naturally counted as well.

Since Jiangshan prayed that Yin Chiyu also participated in the casting, there must be something from Chiyu in it.

This thing, for Chi You to get it, only has advantages and no disadvantages.

That's why Chi You turned into an afterimage without hesitation, and helped Wiliam to subdue the Jiangshan Prayer Seal directly.

Only this time, the next is not an example.

ridiculous.

The next time this happens, Chi You will have to come out.

"Don't be too busy to settle accounts with me, don't you take a look first, have you untied the shackles on your body?" Wiliam said jokingly again.
