

Dragon Husband

Chapter 639-640

Feliicity's face blushed, not expecting Wiliam to say such a thing.

But these words were so natural that she could not tolerate any refutation.

Because the husband and wife have been so long, it is normal to sleep together.

Seeing Feliicity's silence, Wiliam suddenly sighed long.

What He Tiantian said to him before is still lingering in his mind.

He wanted to tell Feliicity, let Feliicity make the choice.

But there is a little selfishness, not knowing how to speak.

After another while, Wiliam suddenly asked, "You are not very happy these two days."

Feliicity was taken aback and asked, "Why do you say that?"

Looking at Feliicity's alluring face, Wiliam couldn't help but feel sorry.

The smile on this face should be so brilliant and beautiful.

Instead of being like this, it seems to be trying hard to make myself laugh happily.

"Do you not like me being too close to Chunfeng?" Wiliam asked again.

These words gently touched Feliicity's heartstrings.

Seeing Wiliam's seriousness, Feliicity nodded, "Well, even though I know I shouldn't, I still feel sour."

Wiliam smiled, "I'm sorry, I should have noticed this kind of thing earlier, and I wanted you to smile, I'm really sorry for you, I will pay attention to it in the future."

Feliicity also said seriously: "I'm just an ordinary woman, and I can't be as broad-minded as those big women. Although I believe in your personality, I will inevitably be jealous. After all, I love you so much. I just want you to be mine."

After Feliicity said this, she was slightly startled.

In such a situation, how could I say the deepest words in my heart?

It may be because of his own heartache, or it may be because of Lu Yeyucheng.

Wiliam didn't even think that Feliicity would say such a moving thing. This sentence likes you so much, like a heavy punch, and hit Wiliam's heart hard.

A kind of guilt surged from deep in his heart.

For a long time, William knew that Felicity believed him.

So when you come into contact with these women, you sometimes lose your sense of measure and are taboo.

But I really forgot to consider it for Felicity.

Comparing your heart to your heart, if Felicity got close to other men, how would you think about it in your heart.

William thought of this, poured red wine for Felicity, and said with a smile: "My wife, I'm sorry, I will pay attention to it in the future. I just want to make you sweet and not make you sad again."

The two people's heart-to-heart conversation also broke the barrier just now.

Felicity knew that she was small-minded, but unexpectedly William could understand and her heart was warm.

With a bottle of wine, the two can't help but relive their childhood memories.

From the first blizzard, I have been talking about the emperor flower and the Li Chunfeng a year ago.

"Felicity, you sing really well, I really want to hear you sing one more song." William said with a smile.

Felicity watched William express her true feelings, and she was shy for a while, "When did your mouth become so sweet?"

William smiled without saying a word, and when he saw a bottle of wine empty, he told Felicity what He Tiantian had said before.

Felicity was taken aback for a moment, her face becoming more embarrassed.

It turns out that he is also talented in martial arts.

However, this kind of martial arts talent is at the expense of William's happiness.

Wouldn't he be a single dog for a lifetime?

"So, the choice is yours." William said with a smile.

He already knew that Felicity would definitely choose to practice martial arts.

After all, Felicity always wanted to be closer to herself.

And embarking on the road of martial arts is the best way to approach oneself.

But at this time, Felicity suddenly stood up and walked out of the window.

She pulled it gently, and the curtain was opened.

Felicity looked out the window with an effortless smile on her face.

She pointed to the sky outside the window, "William, look, the moon outside has come out, and the stars can be seen."

William looked out the window, and sure enough, the bright moon was in the sky, the haze was gone, and the stars were as beautiful as a dream.

"I can't see the moon and stars in my room, so I will sleep well with you tonight." Felicity smiled and said such a sentence.

William was stunned for a while.

These words seemed to be answering William's request for overnight stay.

However, William knew that she was answering the question about whether to practice martial arts or not.

She is willing to stay, which means that she will give up martial arts and achieve a good time tonight.

William looked at Felicity's smile like a flower, and suddenly became mad.

Silly wife.

"Yeah." William nodded and took Felicity's hand.

Both of them knew what this answer meant.

When the feeling was strong, there was another crackling knock outside the door. Seeing the momentum, it seemed that he was determined to break the door without opening the door.

William and Felicity made a black line together.

I want to know who the knocker is with my toes!

"How about tomorrow night? Tomorrow we will return to the emperor flower, there should be the most beautiful, I don't want to leave regrets." Felicity looked at the surrounding environment, and suddenly said shyly.

William was taken aback for a moment, too, he was confused.

How can I be sloppy with the Felicity in a foreign hotel.

"By the way, I will also take advantage of tonight to go back and talk to Ruoshuang." Felicity said again.

William nodded, "Well, shall we make an agreement? When will I take you to a bigger stage to listen to you singing."

Felicity froze for a moment, revealing the shyness of her little daughter's house, "Well. I'll take you to see the snow, to see more beautiful snow."

Let everything return to that ten years ago.

We are all so pure, purely like each other, has nothing to do with identity, has nothing to do with time.

William stretched out his little finger and motioned for Felicity to pull the hook.

Felicity also gently pulled it, as if he had made a more sacred and solemn promise than marriage.

Then he reluctantly left William's room.

William looked at Haoyue outside the window, feeling fascinated.

This night, it seemed calm, but the waves were already quietly surging.

In Lingyue Villa, an elderly person was on the phone, "Hohoho, have the three leaders of the Green Snake Spring League already started? Are all the disciples who were ordered to leave Lingyue Villa have died?"

"It seems that everything is within my plan."

He hung up the phone casually, and a crazy smile appeared on his face.

William, William, don't you have the heart to destroy Lingyue Villa?

That old man, I will help you and let you know what is called, from top to bottom, from people to things!

Completely vanished!

This is the price you have to pay for humiliating me!

Under the bright moon, this person slowly walked out, revealing his true face.

Jin Lieyun!

Chapter 640

All this is within Jin Lieyun's calculations!

After being forced by William to abolish his whole body cultivation base, he secretly vowed that William would not die.

So, when he learned that some of William's women were coming to Jianghuai, he told Lu Sixian the news through Liu Nianru.

Lu Sixian's lustful character is well known throughout the city, and he will definitely look for these women the first time.

At that time, William and Lu Sixian would inevitably have a conflict.

Behind Lu Sixian is Lu Fengbin of the Qiu Lu Group.

If others don't know, would Jin Lieyun still not know? Lu Fengbin leaned back on two mountains.

Lingyue Villa turned against him, and he would inevitably turn to the Green Snake Spring League.

The only thing that made Jin Lieyun miscalculate was that Lu Fengbin and Lingyue Villa would completely turn his face, and his son would be forced to death by Wiliam!

But this is better news for Jin Lieyun.

Sure enough, Lu Fengbin went to the Green Snake Spring League to help.

Originally, Jin Lieyun knew that the people of the Green Snake Spring League would deal with Lingyue Villa in the near future.

This is also a big thing he has been pressing on his mind.

Now, he was anxious to see the Green Snake Spring League come out, waiting for a day, it was suffering.

It's tomorrow.

He had already inquired about the information just now, and She Renyi had dispatched manpower to strangle all the disciples expelled from Lingyue Villa under Yuehua.

That's great!

In this case, Lingyue Villa had already taken on a notoriety of fratricidal brotherhood before fighting.

Originally, Lingyue Villa and the Green Snake Spring Alliance still had the strength to fight.

By the way, now there are so many people in Lingyue Villa, how could it be the opponent of the strong army and the strong green snake spring alliance?

Tomorrow, I really look forward to it.

Wiliam had no idea about all this.

Seeing that the moonlight was just right tonight and that he was not drowsy, he walked out of the hotel and studied the "Impermanent Medical Classics" in the small garden.

Especially the impermanence nine forms, he has been stuck in the fourth form for a long time.

This fourth form is called Zhen Xinghe, and according to his current state of the late stage of Wai Jin, he can barely use it once.

After playing this Zhen Xinghe, he felt like his whole body was drained.

And this town of Xinghe, as the name suggests, one move, fists seem to haunt the light of the galaxy, beeping!

An embracing tree was punched a deep hole by Wiliam.

If it hits someone, it's still worth it!

After Wiliam hit this punch, he closed his hand and sighed helplessly. It seemed that he was still too reluctant.

The fourth style is already so powerful, let alone the fifth style that he has touched a little.

Want to play, but can't even think about it?

This town Xinghe can only be used as a killer at the bottom of the box, not as a common trick.

He sat on the ground and recovered a bit of strength, then returned to the room and rested.

Tomorrow I will take these women back to Q City (Qena City).

However, early the next morning, Wiliam was quarreled by the phone.

He picked up the phone and saw that it was Zhuang Ningning calling.

He picked it up, and Zhuang Ningning's voice came from the other end of the phone, "Wiliam! The big thing is not good! We have gathered hundreds of people outside our door! All of them are from the Green Snake Spring League! They plan to take us Lingyue Villa is completely destroyed! Come here soon!"

Wiliam's heart shuddered, as if thinking of something.

Green Snake Spring League, the timing here is a bit mysterious.

Seeing what Zhuang Ningning was talking about, Wiliam knew that it should not be too late. He immediately said, "How many people are there? What defense facilities are there in the village?"

Zhuang Ningning immediately said: "Originally we had more than 100 people, but yesterday you told me to retreat a group of people, now there are only more than 30 people left, and half of the people just saw something wrong and took the initiative to withdraw from Ling Ling. Yueshan Villa, there are still less than 20 people here. There is a unicorn wall in the village. I have already let people open it. I believe they will not be able to attack it in a short while."

Wiliam nodded and said, "I'll go over immediately."

After speaking, he quickly got up and went to knock on Feliicity's room.

Feliicity got up early and opened the door soon. Wiliam said with a serious face: "Lingyue Villa is in trouble. I'll be there. Don't go anywhere in the hotel. Wait until I come back."

After speaking, Wiliam couldn't even wait for Feliicity's answer, and jumped straight into the elevator.

On the way, Zhuang Ningning sent a location, asking Wiliam to go to a place not far from Lingyue Villa, and she sent someone to pick it up.

It turned out that Lingyue Villa had another secret door. After the Qilin Wall was put down, it was like a golden soup, and only through the secret door could you get to the inside of Lingyue Villa.

However, Lingyue Villa is remote, no matter how many people come, it will not cause a commotion in the city in a short time.

Wiliam quickly came to Lingyue Villa through the hidden door.

Everyone in Lingyue Villa surrounded the inside of the gate, trembling one by one.

Seeing Wiliam coming, everyone looked happy, "Master Lu, you are finally here, what can we do! Outside are the people of the Green Snake Spring League, how can they be enemies with us for no reason!"

Wiliam looked at Zhuang Ningning and said, "Now think about these useful things, Zhuang Ningning, is this wall outside the unicorn wall?"

Zhuang Ningning nodded and said, "Well, this unicorn wall was built when the unicorn gate was founded. It is a defensive mechanism. This unicorn wall is made of stainless steel, just enough to enclose our entire Lingyue Villa. , Leaving only the unicorn gate in front of me."

Wiliam nodded, because he knew that the North Lu family, and even other sect families with names and surnames, had defensive facilities in order to prevent foreign enemies from invading.

When my grandfather started the Kylin trend, he will definitely consider this aspect.

It's just that time is running out, and Wiliam doesn't have any time to move rescue soldiers.

"Wiliam, what should we do now? There are so many people coming from the Green Snake Spring League, one by one, they must be immortal with us." Zhuang Ningning asked.

Her heart is almost gone.

She deeply doubted whether she was the reincarnation of Broom Star.

This is only one day after becoming the owner!

Encountered such a rare mountain villa disaster in this century.

If Lingyue Villa is destroyed today.

She will be the shortest-lived dealer ever.

Wiliam didn't answer, but he looked around, these lonely people were too shabby for a villa.

These people are basically young people, and it is estimated that they have survived because of blood.

Everyone can tell that Lingyue Villa must be catastrophic today.

"Do you plan to stay? I only ask this time." Wiliam said to those people.

Those people look at me, I look at you. Suddenly someone came out more and more, showing a decisive expression, "Master Lu, what you said on the martial arts field before makes us unforgettable! Life is a unicorn. People, death is the ghost of the unicorn power! We will no longer be cowards this time! Swear to live and die with Lingyue Villa!"

Wiliam was just about to nod his head. At this moment, there was a roar of shaking and shaking outside the door.

It's as if some giant beast is coming!

Everyone looked towards the door of the Kylin Gate, and by this look, everyone got goose bumps all over!

Outside the door, there is really a great behemoth, booming!

Seeing this giant beast, Jin Lieyun, who had been silent for a long time, was also terrified in fright.

“This, this is!”

“The snake of war!”
