

The Protector Chapter 1307

After all, Levi Garrison ruined their generous life and life.

Now that they have finally waited for the opportunity, can they be upset?

Bryan and Victoria arrogantly came to Levi Garrison's residence.

Levi Garrison was taken aback.

I didn't expect these two people to come.

"Levi Garrison will arrive at Tianchen International Hall at 8 o'clock tonight! Dare you?"

Bryan looked at him playfully.

"What are you going to do?"

Levi Garrison asked.

"Of course it is to clean up you, depending on whether you dare to come?"

Victoria also looked at Leviliadao: "Such a lovely child, it is a pity that I gave birth to the wrong family, because a surname is about to be dealt with."..

"Levi Garrison, no matter how brilliant you were in the past, now you can only sit in a wheelchair and be bullied by others!"

“Even if you were once the god of war in Erudia? Can you save your wife and daughter now? Not just watching!”

Bryan sneered and said: “How brilliant you were at the beginning, but now? Can you still be so arrogant?”

“Be sure to come, don’t let us look down on you!”

Bryan and Victoria left arrogantly.

Soon after, the Western Heavenly King came and told Levi Garrison the matter.

“Okay, go tonight!”

It was almost eight o’clock in the evening.

Zoey got the message, and the Garrison family named Levi Garrison to take Levilia with him.

She hurried to stop, but after all, she was a step slower.

Zoey quickly called Mr. Lin.

“Old Lin, please save my child once, and the Garrison family will start with her. Please, please save my child and husband!”

“Ah? What is it with?”

The old man on the other end of the phone was stunned.

Who would dare to deal with them?

Are you looking for death?

this is not!

Just as he was about to say something, Jamal Garrison 's voice came in his ear: “

Hearing this, he could only vaguely promised Zoey: “Okay, okay...”

Zoey hung up the phone and was relieved.

In Kyng Cui Hall.

Joseph and the Garrison family are waiting.

Levi Garrison's adoptive father said, “I don't understand a bit. Since the Oakland City Garrison family wants to deal with Levi Garrison, why don't you just do it? Let us come instead?”

Many people have this doubt.

“It's very simple! The Garrison Clan in Oakland City is a superior existence. They would bend down to do this kind of thing? Let us do it perfectly!”

Joseph explained.

Everyone understood in an instant.

The Garrison Clan in Oakland City would not bend over to do this for Levi Garrison.

They can only arrange it.

Soon, the Northern Heavenly King pushed Levi Garrison into the field.

Levilia was embraced by Levi Garrison.

“Levi Garrison, do you really dare to come?”

When everyone in the Garrison family saw Levi Garrison, everyone was basically angry.

Two years ago, Levi Garrison brought too much shame to everyone.

Almost ruined everyone’s everything.

Everyone dared not speak.

Want revenge, how can it be possible?

That is the Erudia God of War!

How can revenge?

But what everyone thought was that Levi Garrison had become like this.

Give them a chance to avenge.

“Why didn’t I dare to come?”

Levi Garrison smiled.

Levilia muttered: “Dad is the God of War, so I won’t be afraid of you.”

“Hahaha... God of War? A joke!”

“Where is there a disabled person in the God of War?”

“Levi Garrison is telling you the truth! It is the Garrison Clan in Oakland City that brought you here tonight! They want to deal with you!”

“Who asked you to change this little bastard’s last name!”

Our big feud is finally going to be avenged! If the Garrison family does it, you will undoubtedly die!

The Protector Chapter 1308

North Hampton Garrison's family has been waiting for this day for too long.

Everyone wanted to get rid of Levi Garrison and hurry up.

"Dare he?"

Levi Garrison said coldly.

"Hahaha..."

Bryan smiled.

Victoria smiled.

Everyone laughed.

"Levi Garrison, you are so arrogant?"

"Don't dare? Why don't people dare? What kind of thing are you?"

The Garrison family scolded angrily.

Levi Garrison hugged Levilia and smiled and said, "For the sake of my daughter's face, I will give you another chance, otherwise you won't even have time to regret it later!"

The Northern Heavenly King, who was pushing the wheelchair, smiled: "You can't cry even if you cry!"

“Hahaha... Levi Garrison said the opposite, right? You beg for mercy now, and we can help you beg for mercy later!”

Joseph smiled.

The adoptive father and adoptive mother even looked at Levi Garrison jokingly: “What about your rhetoric at the cemetery? What mercenary million dominates the world?”

“Yeah, what about the right to say good? How about the best minister? Why are you sitting in a wheelchair now?”

They were all so scared that they lay on the ground and did not dare to move.

Now one by one straightened their waists, facing Levi Garrison Yaowu.

“Well, there is only one chance, you have lost it!”

Levi Garrison smiled.

“Levi Garrison, I think you’ve lost your mind, right? Are you talking nonsense!”

The Garrison family scolded.

“The big guys are here, everyone get ready!”

At this time, a message came from outside.

Joseph and others hurriedly stood by to prepare.

The door opened.

Jamal Garrison brought the top of the Garrison family to come.

“Ancestor...”

Joseph greeted him affectionately.

“Boom!”

It’s just that they were all pushed away.

Jamal Garrison , Kenny Garrison and others all walked to Levi Garrison.

“Puff!”

“Puff!”

“Puff!”

...

Everyone knelt to the ground one by one.

Everyone shouted at Levi Garrison together–

“Meet the master!”

“Meet the little lord!”

“Congratulations to Levilia for changing his surname!”

“This is a blessing for all races! The Garrison family gave away 888,800,000 in cash!”

“Send another small main island!”

North Hampton Yejia was stunned.

But this is just the beginning.

All the members of the Long Family of the Second Family came to the front together and knelt on the ground.

“Meet the master!”

“Meet the little lord!”

“Congratulations to Levilia for changing his surname!”

“Send Levilia a playground!”

“Give me another castle!”

...

Next, Mr. Lin Jialin led the team to the court, also kneeling in front of Levi Garrison.

The shouting is the same.

The gifts given are all priceless!

The same goes for the Qin family, the royal family in the capital.

The same goes for the Jiang family of the royal family in Oakland City.

...

The same is true of the major royal families in the capital.

The same is true of the great royal families in South Hampton.

...

The big families of Erudia came to worship together.

Soon, thousands of people were accommodated here.

The most frightening thing was that thousands of people all knelt down in front of Levi Garrison.

“Congratulations, Levilia Garrison changed his surname!”

Who is the lord?

Of course it is Levilia!

Levilia changed his surname, but Erudia Wan Clan came to congratulate...

This is unimaginable!

Bryan was stunned.

Victoria was stunned.

Joseph was dumbfounded.

The adoptive father and mother were dumbfounded.

...

North Hampton Garrison's family was all dumbfounded.

This...what's the situation?

Why do people call Levi Garrison the master?

Isn't he a ruin?

How could big clans like the Garrison family listen to him?

This is impossible!

Unimaginable!

The Garrison family couldn't accept all this in front of them.

But the most terrifying scene appeared-

I saw Levi Garrison got up from the wheelchair holding Levilia...

Quiet.

silence.
