

CHAPTER 1321

The eyes of the whole world are focused on this moment.

Everyone wants to know who the word side by side king is...

Especially Ray and Erudia's enemies want to know more.

Where is this sacred?

How much threat and danger it will cause them.

So for this, they must know what is the sacred word side by side king?

The next second is the moment for the king to take the stage side by side!

“

Messiah shouted, and the king's robe was invited .

The unicorn on the robe is as lifelike and vigorous as a mountain.

Seeing the robe is like seeing the word side by side the king!

“Please one word side by side the king!!!”

In the next second, surrounded, a tall figure appeared on the Conferring King Terrace.

The figure is as tall as a mountain, and the momentum is straight into the sky.

“call!”

He just stepped forward, and a majestic breath filled the audience.

It suppressed everyone’s breathing, almost unable to breathe.

The strong!

Super strong!

Ray, these masters can feel it.

The existence on the king’s stage is simply invincible.

Even Ray had a trace of fear in his heart.

As soon as he saw the word side by side, he had no idea of ??any challenge.

This person gave him the same feeling as those of the strongest in the Northern Liang Gate Clan.

Just exuding a little momentum, it oppressed him with a hint of courage.

But when everyone wanted to see who he was, the Yanlong mask covered it.

His speed is too fast.

Almost the moment he appeared, he grabbed the Yanlong mask and put it on.

No one caught this shot.

Especially the naked eye.

Just about to see his face, I missed it in an instant.

“Ok?”

More than that.

The people staring on the screen couldn't see clearly, Levi Garrison had already put on the mask.

“It's too fast, right? We don't even see clearly! What is the origin of this word side by side?”

Meredith asked while holding the reading glasses.

“I can't see clearly! We can only look for the lens!”

Everyone pinned everything on close-up shots.

See if there are any snapshots.

It is impossible to rely on the naked eye and live broadcast!

North Hampton is here.

After Levilia saw that tall figure appeared, Levilia immediately shouted: "Dad, it's Daddy! Daddy has appeared!"

Seeing Levilia's excitement, Zoey and Emma looked at each other helplessly.

"Look! This is the consequence! Levi Garrison said casually, Levilia really believed it! Hey!"

Zoey sighed.

When children grow up, they will be deeply impressed by the words and deeds of adults.

Will take these as real to see.

"Levilia, that's not a father, let's keep watching!"

Zoey said.

"Oh fine."

Levilia stopped talking, sitting on a small stool, looking at the screen.

At this time, Levi Garrison also put the Yanlong Ring on his finger.

Messiah put on a royal robe for him!

He is holding the Yanlong Sword.

“Laugh!”

One pulled out the Yanlong Sword, and the golden sword glowed dazzlingly.

The golden light was so dazzling that people couldn't open their eyes.

Levi's sword points to the sky!

A wave of invincibility in the world, overwhelmingly overwhelmingly present!

This is his time!

This era is called the King of One Word Side by Side, also called Levi Garrison!

The Grand Ceremony of One Word Side by Side King's canonization is about to end!

“From now on, Erudia will be canonized side by side with the king!”

“Who has objections?”

Messiah asked towards the bottom.

Everyone was silent.

Ray is powerless.

He is not as good as...

He can only shut up and not speak.

“I have objections!”

Suddenly a voice resounded through the audience.
