## CHAPTER 1356

| The king of swordsman carried a large knife weighing several hundred jins, opened it wide, and slashed it down.  |
|--|
| Feng Buqun, a 10,000-person butcher, smashed down with a pair of iron fists, and the car was smashed into scrap. |
| Both Poison Yama and Hidden Weapon Wizards did not choose to shoot.  |
| "boom!"  |
| Levi Garrison didn't evade at all, but hit Feng Buqun's iron fist with a fist.                                   |
| "??!"  |
| Suddenly, a terrible vigor penetrated Feng Buqun's arm to his body.  |
| "Uh"   |
| "Puff!"  |
| Feng Buqun opened his mouth and vomited blood, and his body flew out.  |
| The Qi Jin just passed from Levi Garrison's fist directly shattered the inside of his body.                      |

| Feng Buqun smashed to the ground fiercely and died on the spot.         |
|---|
| The king of swordsman slashed with a big knife.                         |
| But Levi Garrison didn't evade at all, holding his arm in front of him. |
| "Boom!"   |
| Just listen to a dull sound.  |
| Dadao was shocked and returned.   |
| "hiss!"   |
| Immediately, the audience took a cold breath.                           |
| Terrible!   |
| It's terrible!  |
| Invulnerable?   |
| What kind of physique is this?  |
| Isn't it defying the sky?   |

| A big knife of several hundred catties is extremely sharp.                                    |       |
|---|-------|
| Can't cause any harm to Levi Garrison?  |       |
| Even Chen Yuezhen was stunned.  |       |
| The material of his knife is made of extremely hard metal.                                    |       |
| It hurts less than a minute?  |       |
| How terrifying is this?   |       |
| When Chen Yuezhen wanted to cut the second knife, he found that he couldn't lift the anymore. | knife |
| It seems to weigh tens of thousands of tons!  |       |
| I saw Levi Garrison's fist pressed against the knife.   |       |
| "boom!"   |       |
| "??!"   |       |
|   |       |

What was even more frightening was that Levi Garrison hit the knife with a fist, and the knife

snapped in half.

| "Boom boom boom"  |       |
|---|-------|
| These hidden weapons were so powerful that they exploded on the ground, turning the area in of them into a sea of ??fire. | front |
| But the two did not see Levi Garrison.  |       |
| When I looked at Levi Garrison, he had already appeared in front of them.   |       |
| "Your hidden weapon can't hurt me at my speed!"   |       |
| "Boom!"   |       |
| Levi Garrison slapped Tang Yulong with a slap.  |       |
| Tang Yulong flew out immediately!   |       |
| Although Poison Yama ran fast, Levi Garrison was faster.  |       |
| "boom!"   |       |
| Kick him out with one kick.   |       |
| Poison Yama is good at using poison, but martial arts is average.   |       |
| Levi Garrison's kick made him lose all abilities.   |       |

| Can't move!  |
|--|
| The password box in his hand didn't have time to be destroyed, so Levi Garrison got it.                                  |
| "Although you got the password box, it is already covered with toxins, you are dead!"                                    |
| Poison Yama sneered.   |
| Levi Garrison smiled: "Really?"  |
| He raised his hand.  |
| There was an invisible glove on his hand.  |
| It turns out that he had already prepared!   |
| Not to mention being prepared.   |
| After Levi Garrison was baptized with poison in the Palace of the Blood King, he was almost immur to most of the poison. |
| Toxic Yama was stunned.  |
| The hidden weapon wizards were also stunned.   |

| Tyrannosaurus and they were dumbfounded.                               |
|--|
| None of these four demon heads, Messiah, had ever been caught.         |
| When Levi Garrison was here, were all easily defeated?                 |
| How powerful is Levi Garrison?   |
| Isn't he poisoned and injured?   |
| How can it be stronger than before?                                    |
| Is this injury or enhancement?   |
| Levi Garrison captured Poison Yama and Hidden Weapon Wizards together. |
| "Come on, who is the person behind you?"                               |
| "Speak out, I can spare your lives!"                                   |
| Levi Garrison asked.   |
|  |
