

The Return of the God of War [The Protector] Chapter 1850

Everyone looked at Ji Fengchen in amazement...

Are you not struggling?

Monsoon dust, you are the arrogant of the Erudia Di Ranking!

You represent the Erudia martial arts world!

Can't you be more spine?

Lin Tianlong and Fu Jia waited to go up, slapped Ji Fengchen's face several times.

Not only them, but the people behind Monsoon Dust are also extremely angry!

"That's it?"

Even Levi Garrison was shocked by Ji Fengchen's actions.

This is changing too fast!

The one who clamored the most fiercely before, cursed the most, turned out to be the most persuaded and the easiest to defect.

Often such upright gentlemen who are full of benevolence and morality are all hypocrites.

The catastrophe is imminent, absolutely the first to admit counsel!

This is the so-called decency!

“Are there other people?”

Levi Garrison’s cold voice sounded, and Ning still trembled violently with the remaining three or four people.

They really couldn’t bear Levi Garrison’s coercion.

“Still you must never kneel to him! Don’t do that shameful thing!”

Fu Jia immediately shouted.

“Yes! I’d rather die than surrender! Even if I die, I can’t kneel down to these evil sects!”

Lin Tianlong also roared.

Ning still looked at Levi Garrison stubbornly with a few people, and did not kneel down or subdued!

“You have the ability to kill us! We won’t kneel down for you!”

Ning still flashed a touch of firmness in his eyes.

Others also regarded death as home.

“Aren’t you afraid of death? Good, good!”

Levi Garrison’s face suddenly changed, and his body revealed a terrible killing intent.

The killing intent is like a big invisible net, overwhelming the sky and the earth for ten days!

At this moment, everyone seemed to be strangling their throats by an invisible hand.

Everyone struggled with their necks.

It’s just that the invisible hand is getting tighter and tighter, everyone’s breathing is getting faster and faster, and their complexion is getting redder.

The invisible force that strangled the throat became stronger and stronger, everyone was suffocating, and their complexion gradually turned purple.

“Uh...”

“Uh...”

Many people made a sound at all, and could only struggle silently.

Their brains are blank, their consciousness has gradually dissipated, and their souls seem to be extracted.

This is the feeling of death!

When death comes, no one is not afraid.

“Puff!” At

this moment of death, someone finally couldn’t stand it.

“Puff!”

Another.

“Puff!”

... In the

end, only Ning remained one.

Her eyes protruded and she was about to die.

At this moment, she understood that Levi Garrison would really kill her!

“Puff!” With all

her strength, she knelt down in front of Levi Garrison.

Everyone was subdued.

Xiang Levi Garrison knelt down.

Levi Garrison completely destroyed their psychological defenses and completely shattered their sense of decent superiority.

“Hey!!!”

Lin Tianlong and Fu Jia looked facelessly.

Today people are completely lost!

They will be a shame!

This is a shame that cannot be washed away in their lives!

“Master Cthulhu, we were wrong, we apologize to you!”

Ning still they knelt in front of Levi Garrison.

This is the power of the evil god!

“Hahaha... but decent! The bones are not as hard as we are!”

Thousands of people laughed refreshingly behind Levi .

They haven't been so happy in a long time.

"Monsoon Chen, you guys disappointed me too much!"

"You are not worthy of the ranking! You are a family shame!"

...

Fu Jia immediately scolded in anger.

Hearing this, Monsoon dust crawled in front of Levi Garrison.

"I will respect the

Lord Cthulhu in the future! Lord Cthulhu will dominate the Erudia martial arts world!" "Is it possible for you ignorant people to be insulted?"

...

The attitude of Monsoon Chen changed a hundred and eighty degrees.

Let everyone present sigh.

Shameless!

“Master Cthulhu, these decent decents should all be killed! Don’t keep one!”

Ji Fengchen’s eyes flashed fiercely.

“All killed?”
