

The Return of the God of War [The Protector] Chapter 1857

At the beginning, Levi Garrison issued a convening order, and they felt that the crisis had come.

But after I figured it out, Levi Garrison was self-catching.

Obviously hiding, it is difficult to find him.

He wanted to take the initiative to expose his traces.

Isn't this seeking a dead end?

Levi Garrison glanced at Lin Tianlong.

A person next to him immediately understood, and slapped Lin Tianlong's face with a slap.

“

Just talk nonsense again, just kill you!” Levi Garrison smiled: “You still care about your situation first, right?”

Levi Garrison's eyes fell on Fu Jia and Ning still.

“Bring them to my room!”

Levi Garrison left after leaving a sentence.

“Boom!” But

Fu Jia and Ning still had their heads exploded.

He... what is he going to do?

Take it to his room? ? ?

A bad premonition flooded my mind.

Fu Jia and Ning were still shaking.

Isn't he going to...

thinking of that situation, the two immediately broke into cold sweats.

Together with Lin Tianlong were shocked.

“What are you going to do? What are you going to do? Let people go!”

Lin Tianlong has been secretly in love with Fu Jia.

I heard that the two of Fu Jia were about to be taken to Levi Garrison's room.

How could he not panic?

Once Levi Garrison did something to the two of them, he was crazy!

For a moment, Lin Tianlong blushed and shouted, struggling hard.

“Quiet!”

“Bang!”

He was knocked out directly.

Ning still and Fu Jia were finally taken away.

Brought to Levi Garrison’s room.

In the room, Levi Garrison was lying in a recliner.

Fu Jia and Ning still looked at Levi Garrison warily.

Fu Jia clenched her fist tightly. She wanted to slam the killer, but she understood that it was impossible to succeed.

With Levi Garrison’s strength, she had no chance at all.

She and Ning still looked at each other.

Both of them are determined to die.

If Levi Garrison had any ideas, they would commit suicide and would never let Levi Garrison succeed.

& “You...what did you bring us to your room?”

Fu Jia asked nervously.

“You two come here!”

Levi Garrison’s cold voice sounded, and the two trembled at the same time.

Under Levi Garrison’s coercion, the two still walked over obediently.

Can’t hide it!

Not the same as Fu Jia.

Ning is still more afraid of death!

She was thinking about what Levi Garrison would do to her later, she might compromise and let Levi Garrison do the tricks obediently.

It seems that Levi Garrison is not bad either.

Except for her status as a demon, in all other respects, she is the best among the young people she has ever seen.

Lin Tianlong and the like are even more incomparable with him.

He seems to be very good.

Thinking of this, Ning still felt much better.

The two walked up to Levi Garrison anxiously, not knowing what he was going to do...

“One press on the shoulders, one press on the legs! Hurry up!” The

words are not surprising and endless.

When Levi Garrison said these words, Fu Jia and Ning were still directly dumbfounded.

That’s it?

Was it for this to capture the two of them?

puff!

Ning still had to vomit blood.

I wanted everything just now, and I was mentally prepared.

What is the result?

Fu Jia was also speechless.

“Hurry up, what are you doing? Force me to do it myself?”

Levi Garrison urged impatiently.

Fu Jia had to press his shoulders and beat his legs.

It's just that the two of them feel a little lost inexplicably, empty.

Levi Garrison didn't do anything to them, but made them unwilling.

Isn't he attractive?

Young, beautiful, high-status, and strong.

Shouldn't men like it all?

Especially a big monster like Levi Garrison!

But Levi Garrison didn't even look at them at all.

To catch them is just to do this!

The evil spirits outside the room smiled.

“It seems

that the little Cthulhu is really a born devil! The man is killed, the woman is not let go!” “Under his leadership, I believe we will return to the era of the Cthulhu!”

Everyone laughed.
