

The Return of the God of War [The Protector] Chapter 1966

“Boom!!!”

Levi Garrison kicked out.

A terrible air current swept across.

“Kacha!”

“Kacha!”

...

everywhere, all kinds of buildings and equipment burst open.

The whole banquet scene was in a mess!

The airflow forcibly created a black scorched earth trace tens of meters long...

“Kacha!”

“Boom!”

A building not far away collapsed.

Billowing smoke filled the audience.

Everyone was stunned.

No one thought that Levi Garrison would suddenly get into trouble.

The power of one foot is as horrible as it is.

The people in front were urging, in fact they wanted to see Levi Garrison's jokes.

I didn't expect him to come for real!

"This..."

"It turns out that he is still a master!"

Levi Garrison shocked the audience with this move.

Including Kyushu Xuanzun and his ilk.

Was also surprised.

too strong!

There is definitely a place among the younger generation!

No wonder he was so daring to bet against the king's family, it turns out that he really has two brushes!

"Winning" the

gambling king family can no longer bear.

He Zongtang waved his hand, and a large number of masters killed Levi Garrison.

Repeatedly provoking the gambling king family will end in death!

"Take it as a good show!" The

gambling king smiled.

Kyushu Xuanzun and they all laughed too.

Levi Garrison didn't care about it at all.

"Boom!"

"Boom!"

"Boom!"

...

But Levi Garrison seemed to be playing football, one by one.

One after another, the figures flew into the audience.

It looked like a human-shaped cannonball, blasting a mess everywhere in the villa.

Gradually, the smile on the gambling king's face disappeared, and the expressions of Kyushu Xuanzun and others also solidified.

"Bang!"

"Bang!"

...

Levi Garrison showed his power, and the masters of the Gambling King's family were like chickens and dogs.

In front of Levi Garrison, there was no fighting power at all.

& Soon, hundreds of masters scattered all over the villa, falling to the ground groaning and rolling, and the scene was chaotic.

"Unbearable!"

Levi Garrison sneered.

At this moment, everyone present could not laugh anymore.

Levi Garrison is much stronger than they thought!

Especially He Qingxue and Guo Yifei were the most shocked.

They first met Levi Garrison!

Now Guo Yifei understands Levi Garrison's confidence in provoking them.

He also understood why Levi Garrison disembarked quietly.

Is this ordinary person so strong?

He didn't want to take another look at the beginning, but now He Qingxue has to pay attention to it.

"Trash! A bunch of trash!"

"Go on, take him down for me!"

He Zongtang He Zongwen became angry and sent more and stronger masters to kill Levi Garrison.

The corner of Levi Garrison's mouth evoked an arc of disdain, and he fought with hundreds of masters.

“Boom!”

“Crack!”

“Uh!”

...

Levi Garrison fisted to the flesh, blood spattered, and screamed hysterically.

Powerful as a god!

Levi Garrison, with an invincible posture, crushes the gambling king family!

“Puff!”

“Puff!”

... where

Levi was passing, countless people fell down, blood stained the ground, and the entire manor was in a mess.

The faces of the gambling king family and the guests who came were ugly to the extreme.

It's the same as eating flies.

shame!

Great shame!

I was alone in the gambling king family, but the gambling king family couldn't stop it!

Seven or eight hundred masters were sent out for a while, and they couldn't stop it at all.

The gambling king family is not afraid of what Levi Garrison can do?

Not to mention that their real hole cards have not yet been played.

Kyushu Xuanzun and the young masters of Heishui Company are still here...

Can Levi Garrison be able to beat Kyushu Xuanzun, who is number four in the sky list, given his ability to reach the sky?

impossible things!

It's just that this scene is a bit embarrassing now, and it makes the gambling king family lose face!

It's just a matter of face to get mixed up in the upper class!

Now, Levi Garrison has lost the face of the gambling king's family!

The gambling king couldn't get off the stage in front of Kyushu Xuanzun.

"Does the gambling man need me to take action?"

Kyushu Xuanzun joked.

"To kill a rat, why do you need to take action?"

The Return of the God of War [The Protector] Chapter 1967

The gambling king and his sons grinned reluctantly.

The smile was embarrassing.

If Kyushu Xuanzun really needs to take action, then the Gambling King family will make a joke.

The overlord of Golden Harbor Island, the gambling king family, has nothing to do with a young man.

It is a great shame to spread it out!

They don't have to mix in Golden Harbor Island!

"Go!" The

gambling king pointed to the eight people standing behind him.

These eight people are from Erudia, Westerners, and East Islanders.

Each strength is tyrannical!

The eight patron saints of the gambling king family!

It is their real trump card!

The gambling king didn't want to continue to be ashamed, and sent the strongest person to directly solve Levi Garrison.

"Yes!" The

eight patron saints shocked and shot.

"It is enough for this kid to be proud of the eight patron saints that can force the gambling king family to use!"

Kyushu Xuanzun smiled.

Soon, Levi Garrison fought against the eight patron saints.

The eight patron saints are warriors, super powers, and Toshima warriors...

they cooperate tacitly with each other, which is dozens of times stronger than those stinky fish and shrimps just now.

But to Levi Garrison, it is still an ant!

Although the eight are strong, they can join hands, and even the commoner is not capable of killing the gods!

How can you fight him?

“Not strong!” “Not

fast!”

“Not enough, not enough! More speed! More power!”

.....

While fighting with the eight patron saints, Levi Garrison was actually guiding them.

He appeared to be comfortable.

While blocking the attack of the eight people, there is still the mood to do other things.

This severely provoked the eight patron saints and the family of gambling kings.

“You’re looking for death!” The

eight patron saints all attacked Levi Garrison like crazy.

“This is a bit of a feeling, but it’s time to end!”

Levi Garrison’s voice fell, and his body burst out with unmatched power.

“Puff!”

“Puff!”

... the

eight patron saints flew out one by one.

& Unbelievable!

Everyone’s face changed drastically on the spot!

This time even Xuanzun Kyushu was not calm anymore.

I was disdainful of Levi Garrison before, but now it’s different.

The eight patron saints are not his opponents!

Then Levi Garrison is qualified to threaten them!

“My God! Who is he?”

“The younger generation, who can beat the eight patron saints of the gambling royal family, is in the top three, right?”

“But he is not the Valkyrie Zhongqiu, let alone the most. Strong Gemini! Who the hell is he?”

...

Now that the incident is happening, everyone is more and more curious about Levi Garrison.

Want to know his true identity!

“Go! The gambling king family must not be insulted!” With

a wave of the gambling king, the masters of the gambling king family rushed out.

Any hole cards are used.

“Bang!”

“Bang!”

...

just come one by one and fly out one by one.

After a while, the ground was full of people wailing and painful.

None of the masters of the gambling family is standing!

Levi Garrison crushes the gambling family by one person!

Everyone in the Gambling King family was shocked.

Originally thought it was a farce, they watched it as a joke on the show.

How did you know that Levi Garrison really swept the entire family of gambling kings alone!

Now all the hole cards that should be used by the gambling family, the masters that should be used.

But to no avail!

You can't control Levi Garrison at all!

"He, he..."

Guo Yifei was already shaking.

He was startled in a cold sweat.

If he was afraid that Levi Garrison wouldn't leave on the ship, and he really went to make trouble, would he be in Wangye now?

Fortunately!

The beautiful eyes of He Qingxue and Fang Peiqi have never been removed from Levi Garrison.

This ordinary person has this ability, it is unimaginable.

Fortunately, He Qingxue didn't drive him off the ship, otherwise it would be the same thing whether they were alive or not.

The atmosphere in the field freezes.

At this time, Jimson of the Blackwater Company stood up.

"I'm Jimson from the Blackwater Company. He family is covered by us, so I knelt down to apologize and spare your life!"

The Return of the God of War [The Protector] Chapter 1968

Jimson said lightly!

Both he and his subordinates believed that as long as the other party heard of his identity, they would immediately kneel and apologize.

For a long time, Jimson's way of solving problems and resolving contradictions is very simple.

As long as you report your name, go up and slap the opponent a few times, the matter will be solved!

For so many years, no matter who the opponent is, Jimson has used this method to solve it.

I have never failed!

After all, who would want to offend the Blackwater Company and the laboratory of the gods behind it!

Who won't give them face?

Now Jimson is doing the same.

Use this method to solve the crisis of the gambling king family!

He had imagined Levi Garrison kneeling in front of him, letting him slap in the face!

Thinking of this, Jimson almost laughed out loud.

When Jimson made a sound, Levi Garrison was taken aback.

"Huh? Blackwater Company? It has something to do with Richard?"

Levi Garrison didn't expect that he would meet Richard's people here.

Counted down indirectly, it is the enemy!

The so-called enemies are extremely jealous when they meet!

Your kid hit the gun!

Seeing Levi Garrison stunned.

Jimson and his men laughed.

It really worked.

As soon as he knew his identity, even Levi Garrison was really scared.

The gambling king family also showed joy.

Especially the gambling king He Zong asked a few people and showed ecstasy.

Satisfied!

I am so satisfied with this marriage!

Look at the strength of this son-in-law!

Just put a word to calm Levi Garrison!

The gambling king family is already imagining a bright future.

Marriage with Heishui Company is right!

Jimson stood up, and under the protection of the bodyguards, walked towards Levi Garrison step by step.

“The kid knelt down and kowtowed to admit his mistake! I’ll spare your life! This matter is over!”

Jimson sneered.

Soon, Jimson walked to Levi Garrison.

“Have you heard of the Blackwater Company?”

” Have you heard!”

“Do you know the Lab of the Gods?”

“Yes!”

& The smile on Jimson’s mouth grew thicker and deeper: “Since everything is known! Then kneel down and apologize? I am an existence you can’t afford! You can’t offend you!”

But after his words came out, Levi Garrison Just staring at him.

“What are you waiting for? Kneel down and apologize!”

Jimson stretched out his hand to push Levi Garrison.

“Slap!”

Levi Garrison didn't expect Levi Garrison to open his hand and slap his face severely with a slap.

Suddenly, the skin opened and the flesh was dripping, dripping with blood.

Jimson screamed like a pig in pain.

“Who the hell are you? Do I know you? Get out!”

Levi Garrison slapped Jimson's face again.

The other side of his face was also bloody.

“I'm Jimson! Master of the Blackwater Company! You have to kneel down for me!”

Jimson shouted.

“Pop!”

Levi Garrison slapped again: “Who the hell are you? Why should I kneel down for you?”

“Because I am someone I can't afford! I'm Heishui... Papa...”

Jimson Before he finished speaking, he was slapped fiercely.

"I'm...

slap ..." Another slap.

"Woo...pa..."

Jimson choked and slapped him.

One of his face was swollen like a pig's head.

A face is bloody and bloody, and neither mother nor father knows him.

"Ooo, ooo"

Jimson was beaten crying, great big tears streaming down disappointing.

"Snapped!"

Levi Garrison slapped again.

"Try another voice?"

“Puff!”

Jimson fell to his knees with a puff.

“Don’t fight, I’ll take it, I won’t say anything!”

Jimson kowtowed his head and begged for mercy.

No matter how arrogant he continued, he was really beaten to death by Levi Garrison.

During this process, everyone was stunned and dumbfounded.

There was no reaction at all.

Jimson suffered.

“What are you doing? Quickly let go of my young master?”

The master of the Blackwater Company stared at Levi Garrison and roared.

The Return of the God of War [The Protector] Chapter 1969

Levi Garrison didn’t say anything.

“Slap!”

Instead, he slapped Jimson’s face with a slap.

Jimson screamed again.

The subordinates were arrogant, and the punishment fell on Jimson.

“You try to move the young master again?”

Jimson’s men were anxious and couldn’t help but shouted.

“You said it yourself!”

Levi Garrison smiled.

“Slap!”

Another slap was slapped on Jimson’s face.

“Ah!!!”

...

Jimson screamed.

“Boy, you are looking for death! You are not...”

“Pop!” As

soon as the man said halfway, Levi Garrison slapped Jimson's face again.

Jimson was going to be killed.

"Boy, you..." The

group of guards wanted to be arrogant, and suddenly Jimson yelled like madness: "Shut up all the damn! You say a few more words, I'm going to be beaten to death!"

" f*ck, " Get out of here! A bunch of trash! Kill you all in a

moment !" Jimson was about to explode.

This group of stupid men.

It didn't work at all, it was stupid to death.

Didn't you see that you would be beaten if you said one more sentence?

The masters of the Blackwater Company can only watch and dare not move.

For fear that Levi Garrison slapped Jimson!

Jimson wiped the blood from the corner of his mouth and looked at Levi Garrison with a sneer: "You have a kind! You have a kind! But you have forged a relationship with Liangzi from the Blackwater Company! Wait..."

Before he finished talking, Jimson was caught Levi Garrison slapped.

“Puff!”

This slap directly took Jimson’s white teeth away.

None of them were left.

“What I hate most is the Blackwater Company and the Lab of the Gods!!!”

Levi Garrison roared.

“Ah!!!”

“I blame my

bad mouth!” Jimson regretted it to death.

I just reminded my subordinates not to be mean, I didn’t expect to forget it.

Levi Garrison in front of him was just like a lunatic.

I can’t listen to this threat most. You’re going to be beaten if you have a cheap mouth

Jimson closed his mouth tightly, resolutely not making a sound.

So are his men.

Do not make any movement.

Levi Garrison looked at the shocked gambling king and others.

Hundreds of dignitaries on Golden Harbor Island stared at Levi Garrison angrily.

“Young people stop! We know that you are amazing! But you want to go your own way. Are you going to offend the entire Golden Harbor Island? Are

you going to be an enemy of the gambling king family, the Heishui company, and Kyushu Xuanzun?”
“Yes, you again? Being strong, offending, these are all dead ends for you

, let’s stop !” “Stop it, you have made a big mistake! Don’t go on...”

...In the

face of everyone’s threats and persuasion, Levi is happy “Just them? Not enough to be my enemy!”

To be regarded as a real enemy.

Richard and the laboratory behind the gods count.

Nothing else is worthy at all!

Arrogant!

overbearing!

No one is in sight!

But everyone can only watch, after all, he has this confidence.

Although the Blackwater Company is strong, there is a laboratory of the gods behind it.

But it is the worst.

Without even showing any strength, he was crazily crushed.

He Qingxue's beautiful eyes flashed.

She could see something else from Levi Garrison.

I still have a lot of pride in the summer.

For example, this one is not on the list!

Guo Yifei was already so scared that his body was shaking violently.

I used to think that Levi Garrison was an ant.

Now the ants are themselves!

Levi Garrison looked at everyone in the King Gambling Family and said with a smile: "I said that all the consequences are at your own risk! Do you believe it now?" The

faces of the King Gambling Family are ugly.

The reputation of the gambling king family for decades has been ruined!

Suppressed and beaten by one person!

Shame!

By now.

They will not admit defeat!

The only hope is Xuanzun Kyushu.

"Xuanzun Kyushu, please take action to save the last face of Golden Harbor Island!" The

gambling king family looked at Xuanzun Kyushu one after another.

“okay.”

The Return of the God of War [The Protector] Chapter 1970

Kyushu Xuanzun is the last hope of the gambling king family, and even Golden Harbor Island.

If he can't, then Golden Harbor Island will be trampled underfoot forever.

I heard Kyushu Xuanzun agree.

The gambling king family, Qi Qi relieved!

The reputation of the gambling king family can still be preserved!

Hearing that the master was about to take action, the disciples of Xuanzun Kyushu shouted excitedly.

Everyone wants to urgently know what state of Kyushu Xuanzun has reached after retreat?

It happened to show them through Levi Garrison.

Kyushu Xuanzun's inner thoughts are the same.

He also wanted to show his magical skills!

He thought that Levi Garrison was not strong enough before, and might not be enough for him to take action.

Surprisingly, Levi Garrison is too strong.

Just to his appetite!

Hearing that the first master of magic on Golden Port Island is about to take action, other masters of magic on Golden Port Island have come one after another.

They want to witness the horror of the magic master!

“You are still too young after all! I don’t know the truth is that there are people outside the sky!”

” It’s a good thing for young people to be arrogant, but don’t be too arrogant! There will always be someone better than you in this world!” The

Gambler couldn’t help but said.

Xuanzun Kyushu then said: “Yes! Young man, you are quite talented! You may not be able to enter the top five in the future! But you are so arrogant, I have to take you today!”

Levi Linle.

He is now number one on the top!

Thousands of people are paying attention to this battle.

He Qingxue’s beautiful eyes flickered, but she didn’t know why, but in her heart she hoped that Levi Garrison would win.

Compared with Jimson who was beaten as a pig, Levi Garrison is her prince charming.

She could still agree to the marriage contract before, but now seeing Jimson so embarrassed, she doesn't want to marry.

The battle of Golden Harbor Island has become more and more popular!

After all, it is the fourth shot on the top list!

"Stop talking nonsense, come on! Beat you, I have other things to do!"

Levi Garrison hooked his finger towards the Kyushu Xuanzun.

One sentence angered Kyushu Xuanzun and his thousands of disciples.

This hasn't started yet.

Did Levi Garrison mean that his master was defeated?

court death!

"Ignorance junior!"

Kyushu Xuanzun was merciless, and his shot was just a spell.

& “Boom...”

The air current evolved from the magic spell was overwhelmingly pressed towards Levi Garrison.

The terrible air current will strangle people into shards.

Everyone was shocked.

Kyushu Xuanzun is worthy of being the first master of magic arts.

The spells that were pinched out at random have such power.

“Boom!”

Levi slammed out a flat punch, and the airflow was crushed and scattered.

Kyushu Xuanzun was shocked.

Next.

He has all kinds of magic skills!

Almost all the faculties of his life have been taken out.

But it was useless in front of Levi Garrison.

Regardless of your various skills, I, Levi Garrison, blocked it with a fist.

At the beginning, everyone had a satisfied and assured smile on their faces.

Gradually shocked, confused, unbelievable...

until now everyone was stunned. .

terrible!

too frightening!

Kyushu Xuanzun's technique has reached the point where he can use it to change the weather, manipulate thunder, wind and rain, and even ground energy.

But all this is helpless to Levi Garrison!

Freak!

Absolute freak!

Even the top three in the rankings definitely don't have this strength!

No matter how strong the strongest Gemini is, it won't go back and forth with Kyushu Xuanzun.

This is impossible! ! !

Who is he?

“Great Destruction Technique!!!”

Kyushu Xuanzun was forced to use his own tricks.

A killing technique!

Just because it is too cruel and bloody, Kyushu Xuanzun generally would not use it.

But this knot must be used.

“Kacha Kacha...”

All the sky thunders smashed down, trying to destroy everything.

“Is that all?”

Levi Garrison sneered.

Terrible power erupted from his body, abruptly offsetting the sky thunder.

“Da da da...”

Kyushu Xuanzun retreated several steps, and asked inconceivably: "Who are you?"

Levi Garrison didn't speak, but slowly took off the disguise mask.
