

## A Man Like None Other Chapter 882

### Chapter 882 Heartless

“From today onward, you are no longer affiliated with the company. Get lost!” said Samuel coldly.

Thump!

When Steve heard that, he fell to the ground. After slogging it out for his entire life, he ended up losing everything.

“Dad...”

Herman quickly helped Steve back to his feet.

Steve immediately kneeled in front of Samuel and begged, “Mr. Bailey, I beg of you. Please spare me. Please let me off...”

However, Samuel was unmoved. Without Jared’s instructions, Samuel would not dare to make any decision.

Steve seemed to catch on to that too. He had no choice but to beg Jared through gritted teeth, “Jared, I was wrong about you. Please ask Mr. Bailey to spare me.”

Jared looked coldly at Steve and said, “Uncle Steve, you’re clearly out of my league, and I want nothing to do with you.”

Seeing that his effort was futile, Steve turned to Hannah.

“Hannah, please. I beg of you. Please speak up for me. I know I’m wrong.”

Hannah was put in a difficult position, and she was heartbroken at the same time. She reached out and wanted to help Steve up to his feet.

However, the moment Hannah put her hands out, Gary stopped her. Even though Gary had said nothing, it was apparent that he did not want Hannah to get involved.

After begging everyone, nobody took pity on him!

When Herman saw how pathetic his father looked, he rushed forward angrily and picked Steve up.

“Dad, there’s no need to beg them. It’s no big deal. We don’t have to stay at the Bailey family anymore. I am a section chief after all and can afford to take care of all of you. After two years, I’ll get back at them.”

Herman gritted his teeth and glared at Jared and Hannah!

He hated his relatives. He could not believe they could be so heartless.

Then again, he had never thought of them as his relatives at any one point.

“A section chief at Summerbank. What a high position. Don’t you agree, General Jackson?” Jared asked Theodore.

“I can’t believe that someone as insignificant as a section chief can be so arrogant. We can’t allow someone like him who will abuse his powers to stay on in the enforcement team,” said Theodore as he glanced at Herman.

Herman froze and glanced at Theodore. He stared at the general with his eyes wide open.

Earlier on, he had been focusing on Samuel and did not notice Theodore’s presence. It was only now that he noticed him.

In the presence of the General of the Department of Justice of Jadeborough, a section chief like himself was nothing.

“G-General Jackson... I-I...”

Herman stammered and did not know what to say.

“Don’t bother talking. As the General of the Department of Justice of Jadeborough, I hereby dismiss you from your duties as a section chief. As for your violation of the law, I will send someone to continue with the investigation,” ordered Theodore coldly.

In that instant, Herman turned pale and collapsed onto the ground. So did his father, Steve. Both of them looked like two miserable dogs.

As for those local officials, they were dumbfounded once they heard that Theodore was the General of the Department of Justice of Jadeborough. Worried that they might be implicated and lose their jobs, they had all left sneakily.

“Mr. Chance, let’s change to a different room. I want to apologize and make it up to you,” said Samuel respectfully.

Jared nodded. Looking at Steve and Herman who were seated on the floor, Jared had lost his appetite.

Very soon, the rest of them got into another private room. During the meal, Samuel kept on apologizing to Jared. That stunned Hannah and Sarah very much.

Only Gary looked very happy to see Jared being treated so well. He knew a long time ago that Jared was not a simple man.

Samuel and the others did not return to the city. Instead, they stayed on at the Chance family’s village.

Two days later, Jared bade farewell to his parents and went to Jadeborough with the rest of them.

During that time, Tristan also called Spencer and got him to prepare the herbs that Jared needed. Once Jared had finished helping Theodore, he intended to go to the Medicine God Sect to complete making the jet melding cream so that he could cure Tommy and Phoenix.
