

## Chapter 181

Gerald was also stunned.

Tomson's villa is the most valuable property in the hands of the entire White family.

This house is owned by Solmon, the current owner of the White family and the uncle of Gerald.

Solmon, Fred White's father, is currently the head of the White family, while Gerald's father is only the second in command.

This villa, let alone Gerald, even Gerald's dad is greedy, but there is no way, their family simply can't afford such an expensive villa.

Hearing that the uncle even gave this villa to Charlie, Gerald was also extremely shocked and uncomfortable, and immediately said to Wendy: "Wait a moment, I will ask my uncle."

Wendy hung up the phone, gritted her teeth and looked at Charlie, and questioned: "Charlie, what can you do to trick this villa from Uncle?"

Charlie said lightly: "Mr. Solmon chased me to give away this villa to me."

"You nonsense!" Wendy blurted out suddenly, "You have nothing to do with the White family. How could Uncle White give you such an expensive house for no reason! You must have used some shameful means!"

At this time, Gerald called Wendy and said, "Wendy, my uncle seemed to be busy, so he just hung up my phone after saying a word."

Charlie sneered, and directly took out the phone to turn on the speakerphone and dialed Solmon's number.

With a beep, the phone was connected instantly.

Wendy was stunned on the spot.

"Mr. Wade!" Solmon's voice was full of flattery: "Mr. Wade should have visited the villa at Tomson? I wonder if Mr. Wade is satisfied?"

Charlie said directly: "I saw the villa, and it's not bad overall, It is interesting."

Solmon hurriedly said, "Mr. Wade, you like it!"

Charlie said calmly: "I just called to tell you that I'm quite satisfied with the villa."

"If you have any needs, please tell me at any time, and I will try my best to solve it! Try to make Mr. Wade satisfied!"

The crowd around was silent and in shock.

Unexpectedly, this villa was actually given to Charlie by Solmon. Why?

Unexpectedly, Solmon, who had to be respectful even after meeting his fiancé, would kneel and lick Charlie's rubbish like a dog! This made Wendy feel hot on her face, and she couldn't help her face.

She finally couldn't help but asked aloud to Charlie's cell phone: "Uncle White, I am Gerald's fiancée Wendy. You will never give the villa to Charlie for no reason. What is the reason?"

"Huh, what are you? You deserve to ask about my personal affairs?"

Solmon said coldly.

Wendy's face was hot.

Charlie said lightly: "Solmon, you should explain to them, otherwise, they will think I lied to you."

"Okay!" Solmon said immediately: "Since Mr. Charlie has said it, let me explain to the public that I owe Mr. Charlie a great favor, so I gifted this villa. I would like to thank the clowns if they do Dare to doubt Mr. Charlie, I will definitely not let it go!"

Wendy was aggrieved for a while. How could she have been scolded so severely, her face flushed, and she almost cried aggrieved.

Seeing that Wendy was so aggrieved and crying, Noah Willson's face couldn't get through, and he coughed to please and said: "Ms. White, Wendy is still a child. She is also curious and has no other meaning."

Solmon ignored him and said respectfully: "Mr. Charlie, do you need me to explain anything?"

"That's it." Charlie nodded.

"Then I won't bother Mr. Charlie, please call me whenever you have to."

Charlie let out a "um" and hung up the phone.

## **Chapter 182**

"Charlie, is this really the villa the White family gave you?" Jacob reacted and opened his mouth in surprise.

"Dad, yes." Charlie smiled.

"This you" Jacob stammered, feeling like he was dreaming.

Claire hurriedly supported him, "Dad, go sit over there and take some rest. Now that Mr. White explained the situation, everyone knows about the villa. Charlie got it right."

Claire emphasized the words "just gain", specifically speaking to a group of relatives in the Willson family.

Horiyah clutched her heart in disbelief, and muttered: "This White family is really a big deal. If they want to give a mansion of hundreds of millions, why not give it to us?"

Not only she couldn't figure it out, others also found it incredible, and even Harold was jealous.

They can't afford such a mansion for ten lifetimes!

But why did the pie that fell from the sky hit Charlie, a wasteful body!

What kind of sh!t luck is this!

Noah's face was pale, it didn't matter that he was ignored by Solmon, but he felt that this villa should be his daughter's property in the future, and it was in Charlie's hands in a blink of an eye, making him totally unacceptable!

He looked at his crying daughter and then at Charlie, feeling even more sullen in his heart.

He hadn't looked down on Jacob for a long time, but now he was crushed by a door-in-law, what a shame!

Noah said sternly: "Charlie, tell everyone, what kind of favor does Mr. White owe you? You are not going to help Mr. White under the banner of the Willson family?"

Charlie said lightly: "This is my personal business, so please tell me!"

He turned around and said to Libo: "It's getting late, let's see off the guests."

Noah Willson claims to be an "elder", but in his eyes, he's not even a bullsh\*t!

Uncle Libo nodded respectfully and said to the crowd: "I'm sorry, I will send everyone to the door!"

Noah touched a gray nose, "hum" with anger, and walked out with a calm face.

Wendy stared at Charlie bitterly and resentfully, and then walked out.

The family almost broke down in their hearts.

How can they not be so high, how they used to look at the live-in son-in-law, now unexpectedly he hit the big luck!

At this time, Libo closed the door and went back to the guest room without disturbing Charlie's family.

Harold's family is gone, Claire then asked: "Charlie, now you should tell us the truth, White always owes you something."

Charlie hesitated for a while, still not thinking about how to explain it.

A few days ago, the White family pulled Jinghai into the game and wanted to unify the Aurous Hill metaphysics, but Jinghai was struck to death by his own "Thunder Order". The White family was afraid that he would condemn them as well, so the host sent him the gift of villa to admit defeat. They were also afraid that Charlie would be angry and would kill them.

After thinking about it, Charlie said, "I helped White's family see Feng Shui, so they gave me this villa."

"Huh?" Claire and her parents were shocked.

"Charlie, are you helping people with Feng Shui?" Claire's eyes widened.

Charlie nodded: "Yes."

Claire asked puzzledly: "Where did you learn Feng Shui?"

Charlie smiled and said, "On TV, there are many Feng Shui programs on TV."

Claire panicked and blurted out: “You are crazy! Watching TV and dare to show people Feng Shui, and dare to accept such an expensive villa?!”
