

Chapter 183

Seeing Claire panicked, Charlie smiled and said with relief: "My wife, don't worry about the villa, the king will never come to trouble."

Jacob kept shaking his head: "No, last time you helped the Qin family with Feng Shui and spent hundreds of millions to procure those shells, and now the White family is looking for you again. These two families are both reputable families in Aurous Hill City. Just your little knowledge of Feng Shui. Sooner or later we have to wear clothes! In case they are held accountable, our family will have to follow suit!"

As he said, Jacob said hurriedly: "You should return the villa to the White family soon, otherwise, if someone tries to settle after the fall, we are all over!"

At this moment, Charlie's mother-in-law Elaine blurted out: "What's the return? This big villa was given to Charlie by Mr. White, and it was not stolen by Charlie! Why pay it back? In the future, this is our Home, our villa!"

Elaine had never thought in her life that she would have the opportunity to live in such a luxurious villa. Now that the villa has been acquired, Jacob said that he would go back. Isn't this like killing her?

Claire shouted helplessly: "Mom! We can't collect this kind of stuff, it will be very troublesome in the future!"

"Trouble you a**!" Elaine snorted disdainfully, then looked at Charlie and said flatly: "Oh, Charlie, I didn't expect you to have such a great ability to earn a big villa. ."

Elaine smiled all over her face and said excitedly: "You are really a good son-in-law. If you go to show others Feng Shui early, wouldn't our family be rich already!"

Jacob really couldn't stand it, and said, "Wife, this is not about the villa. Even if Charlie shows them Feng Shui, he can accept a villa like this? If the White family regrets it in the future, won't they hate us?"

Elaine jumped three feet high and pointed to Jacob's nose and cursed: "Don't tell me those who have nothing, I have suffered from poverty all my life with you, and now it's hard to live in a big villa, don't you want it? I tell You, if you dare to let your son-in-law return back this villa, I will divorce you!"

"You, you, you are a mouse giving the cat three losses, you don't want to make money!"

Jacob was so angry that he couldn't speak, and sat down on the sofa.

Charlie smiled and said, "Dad, don't worry, this villa will not be taken away."

"Good son-in-law, you are really capable."

Elaine looked around, touching antiques for a while, painting and calligraphy for a while, and was overjoyed: "Let him show off Noah Willson. Now I live in a big villa. They can only buy a flat outside. It's really 30 years. Thirty years in that dilapidated house"

Claire couldn't stand it anymore, so she pulled Charlie to the side and whispered: "You tell me the truth, what is going on?"

Charlie said: "My wife. Don't worry, it's definitely a legitimate income. But now I am inconvenient to say that I will tell you if I have a chance in the future."

"Since you said that there is a reason, then I believe you." Claire thought for a while and said, "But look at Feng Shui, you still don't do it again, lest my dad and I be worried about it."

Charlie took the opportunity to take her hand and said, "Don't worry, I won't do things that worry you. Dad has been urging to have children. What should you do if I have an accident?"

"Don't give me poor mouth."

Claire blushed, and quickly broke free.

At this moment, Elaine happily came down the stairs and shouted while walking.

"When I return from a trip next week, I will call all the people I know and come to see the big villa I bought!"

Claire said, "Mom, the villa was given to Charlie."

"He is our son-in-law, and the villa that is his, is also ours."

Chapter 184

Elaine triumphantly shook the bracelet in her hand: "I have already sent a WeChat Moments, look at this bracelet, there is also the big villa, others will like me!"

Charlie looked at Elaine's bracelet. Qin Gang gave it to him and he intended to give it to his wife. He didn't want to make it cheap to his mother-in-law.

The royal mansion.

Gerald stood in the hall and reported what he had learned on the phone to his father.

After speaking, he hesitated for a while, then raised his head and said: "Dad, isn't the uncle confused? Such an expensive villa, if I haven't lived in a day, I will give it to Charlie that stupid bird! You have to persuade him!"

The Gerald's father was sitting on the grandmaster's chair, his face solemn.

Gerald returned to report, saying that his uncle had given the villa to Charlie.

He didn't believe it, so he went to ask his elder brother Solmon for verification, but he didn't expect this to be true!

Moreover, Solmon also downplayed the reason for giving away the villa, only owing to Charlie a favor.

What kind of favor, let the extremely stingy Solmon give away such an expensive mansion?

The king said with a cold face: "I have already called your uncle. He seems to have a very determined attitude. He wants to return the villa, which is unlikely."

Gerald gritted his teeth and said, "Dad, do you think Charlie has any problems? We have been investigating for so long, but we can't find any real news about him, which is strange."

The prince pondered for a while, and then said slowly: "Your uncle has been shrewd throughout his life, and he will never indulge Charlie for anything, so no matter what problem Charlie has, in short, this person, you must not provoke in the near future. I will check with your uncle in the evening to see what background this person has."

"Yes."

At the same time, Noah Willson and his family are suing the Old Mrs. Willson.

Wendy snorted and cried with tears: "Grandma, Charlie, I don't know what means he used to deceive the White family's villa in Tomson. It is a villa worth more than 100 million! Moreover, he got the villa, and didn't take the initiative to honor you, and drove our family out of the villa. Isn't this too much?"

Old Mrs. Willson sat on the main seat, her expression was majestic, and her expression was also very dissatisfied with a cold snort: "This kid Charlie really doesn't understand the rules!"

"Yeah, Mom! he is so shameless!" Noah said with a calm face, "He, as the son-in-law of the Willson family, naturally should know that any good things in the Willson family must be enjoyed by you first. The location of your villa is remote and the decoration is old. It should have been replaced a long time ago. If he really has you in his heart, he must first give you the Tomson first-class villa! Let you enjoy it first!"

As soon as these words were spoken, Mrs. Willson's eyes suddenly lit up!

Willson's villa has been her living for more than ten years. Although it looks impressive, it is already an old property. Coupled with the relatively poor location, it can sell for 10 to 20 million.

Tomson's villa is a hundred times better than here. The Lady Willson herself is very greedy, but she can't afford it because she has no money.

But when she heard that Charlie had the largest villa of Tomson First-Class, and Noah's fanfare, she also felt that this villa should really be enjoyed by her, the head of the family!
