

Chapter 227

Because Charlie urged Claire to start a business, Claire was thinking about it all night by herself, until the next morning, her face was still full of fatigue.

After waking up, Claire hurriedly started to wash. Charlie asked distressedly: "Why don't you sleep more, my wife, why do you get up in such a hurry?"

Claire said, "I'm going to the Future Company, so I must not be late."

Charlie asked, "Future Company? Going for an interview again?"

"No." Claire shook her head, hesitated and said: "I'll try to pull some projects."

"Okay." Charlie said with a smile: "If you start a construction company, I'll work for you."

"A construction company started as soon as it was opened. Funds and connections are all problems." Claire said: "I am going to build an office. Let me start with the studio. I will help the construction company draw design. A certain number of contacts will accumulate some funds before registering the company."

Charlie smiled and said, "Money and connections are not a problem. If you really want to start a company, I will open one for you."

"No." Claire rejected his kindness without thinking, and said seriously: "I want to try it myself first, and then talk about where you get the resources. The construction company can't just be opened like that."

Charlie said: "I have the money to start a company, and I also have the contacts you want."

Now the Emgrand Group's investment covers almost 70% of Aurous Hill's industries, and it's easy to get some design contracts in the construction industry.

Claire thought he was joking and waved her hand angrily; "You don't understand things in the construction industry. I will do it myself for investment matters, so you don't have to worry about it."

To register a construction company, at least 10 million start-up capital is required, and working capital is also needed. Where would he get that money.

Even if he had the money in his hands, he couldn't have the connections in the construction industry.

Charlie was speechless for a while, and his wife left his ready-made resources without using them, and had to start from scratch by herself. He really didn't know what to say.

As soon as Claire left forefoot, Elaine, mother-in-law on the back foot, came back. Her pension also counted on the Willson Group, so she often went to the Willson Group for these two days.

Although Claire's family broke with the Willson family, Elaine thought about reconciliation as before.

"Where did Claire go?"

"It looks like someone is looking for a project."

“What kind of project! Do you really want to leave the Willson family?” Elaine said angrily: “Isn’t it just a little misunderstanding, just made a fuss like this, arguing to cut off relations with the Willson family, what will it look like?”

Jacob was taken aback for a while and looked up and down Elaine.

“My wife, you went to Willson’s house, and you got confused by the Old Mrs. Willson’s scolding?”

“What kind of confusion, I’m not confused at all.” Elaine sat down on the sofa angrily: “Tomorrow you will go to Willson’s house with me and confess a mistake to the Lady Willson. The Lady Willson is your mother, and the eldest man is your eldest brother. , The blood relationship will be retained as much as possible.”

Jacob’s expression was not good, and he said angrily: “They want to sell my house and rob Charlie’s villa. They didn’t regard me as Willson family from beginning to end! If you want to apologize, I won’t step in again. One step from the Willson family is the best for me.”

Seeing Jacob, who had always been honest, had a tough attitude this time, Elaine was so angry that she turned to Charlie and said.

“Charlie, your father is a dead brain, you come to judge! With three of us, there was no overnight feud. You opened your mouth and said things that sever the relationship, this is too trifling! Besides, my pension also counts on the Willson Group!”

“She is confused? She wants to seize my property, rob Charlie’s villa, and said she wants Claire to divorce and marry another man. Is this confusion?”

Jacob became angry all of a sudden, stood up and said, “You go to Willson’s house and they will give you a bit of mischievous soup, you believe it!”

Seeing the father-in-law and mother-in-law arguing, they both pulled themselves to judge, Charlie’s head grew big.

He quickly found an excuse: “Claire asked me to pick her up, I’m going out.”

Chapter 228

After speaking, Charlie hurriedly walked out of the gate, and there was a quarrel between the two behind him.

It is difficult for an upright official to decide on housework, so it is better for him not to blend in.

Charlie casually found a small restaurant, ordered a few dishes, and planned to mix it up at night before going home.

This is a famous food street in Aurous Hill City with many people.

Charlie was eating, his eyes suddenly looked at the two figures across the street, and he was taken aback.

Isn’t that his wife Claire?

Across the street is a very high-end restaurant. Across the floor-to-ceiling glass on the second floor, Charlie is seeing Claire sitting by the window, and a middle-aged man in a suit and leather shoes wearing gold glasses is sitting opposite.

Claire was holding the materials and was talking to the man non-stop, as if she was introducing her own studio, probably because she wanted the other party to invest.

But the middle-aged man was absent-minded, his eyes gazed toward her neck, neckline, and chest.

He even wanted to touch Claire's hand by holding the materials.

Fortunately, Claire's eyesight was quick and her hands were quick, and she drew away.

Charlie saw an angry rush toward his forehead!

This sh!t, dare to hit his wife's idea!

The waiter had just walked over with a bowl of wonton noodles, before putting it down, Charlie stood up with a "jerk", took out a red banknote and patted it on the table.

"keep the change."

The second floor lounge of Yunlai Hotel.

Claire was suppressing the disgust in her heart, forcing herself to smile, and said to the man across the table: "Mr. Mei, the company's future plans are written in the information. There will be development in the future. If you are willing to follow I will cooperate, I will definitely give you the best project planning."

"Miss Willson, I know your abilities." The middle-aged man showed an embarrassed expression: "But now the company still has several projects under investment at the same time, so the funds are very tight."

Claire was a little disappointed. She exhausted her tongue and talked with him for a long time, but the other party was still ambiguous, so she couldn't figure out the details.

Seeing Claire's expression, the middle-aged man deliberately rubbed his hands and said, "Actually, it is not impossible. I will discuss with the company's senior management. To be honest, I am very optimistic about your company. Or else at 8 o'clock tonight. Let's talk a little bit, and I'll learn more."

"Mr. Mei, this is not so good, right"

Claire hesitated.

It's late at eight o'clock in the evening, and if we continue to talk, I am afraid that the results will come out late at night. I am a married woman, and it will not sound good to spread it out.

The middle-aged man laughed and said, "It's not too late. Investment is not a trivial matter. We no longer have a deep understanding of each other. How can we have mutual trust? I will invite you to have a supper and discuss plans. Come on, Mr. Willson, for Our future cooperation let's do a handshake."

After speaking, the middle-aged man stretched out his hand and shook it to Claire's small hand, a faint light flashed under his eyes.

This middle-aged man was named Ping Mei, and he had long coveted Claire, the "Aurous Hill No. 1 Beauty".

Just because of the lack of opportunities, there has been no chance to start with this beauty.

Now Claire actually found him personally, saying that she was disconnected from the Willson family and wanted to persuade him to invest in her new studio, which made him irritated in private parts. He planned to take Claire down tonight and play with it!
