

Chapter 271

After returning home, Charlie didn't think about Elsa again.

However, after he calmed down, he suddenly thought that the medicine he had promised Tianqi and Song family had not been refined yet.

For them, this medicine is simply the most amazing medicinal material in the world.

But to Charlie, this medicine was just one of the most common medicinal materials in the Nine Profound Heaven Scriptures.

If the more powerful medicines in the Nine Profound Heaven Scriptures can be refined, the effects can even bring back the dead, and even make people immortal, right?

However, those high-level medicines require a lot of rare treasures that people have never heard of. What's more, a lot of them also need Reiki as a primer for refining medicine. He has just entered the door, and there is still a long way to go. The road is to go, so I can only do it one step at a time.

The reason why he was willing to refining medicine for them was that Charlie himself wanted to take advantage of the opportunity of refining medicine to accumulate more experience in this skill.

However, he had no medicinal materials in his hand. Since he was refining medicine for the Song family, he naturally wanted the Song family to help solve this problem, so he directly called Warnia.

Recently, Warnia has been thinking about how to have more opportunities to contact Charlie.

Grandpa said that if anyone recruits a son-in-law like Charlie, in the family they will be greatly promoted, and a master like Charlie is simply a violent heavenly thing in an uninfluenced family like the Willson family.

Therefore, the best way is to be able to join forces.

Only a family called a dragon is worthy of having a son-in-law like a dragon.

Dragon son, how can you marry a brood of snakes and rats?

The more she thought about it, the stronger her heart for Charlie became, and she even faintly brought some expectations.

She wanted to call Charlie more, invite him out to meet more, and create more opportunities for contact, but she was also afraid that becoming too obvious would be seen by Charlie.

Warnia is proud of her life. It can be said that she is the most eye-catching princess in Aurous Hill. Compared with her, the daughters of other families are not worth mentioning. Therefore, a woman like her is also beyond the reach of Aurous Hill men.

From birth to now, Warnia hasn't moved any man, but Charlie is the first.

It happened that he was still a married man and a son-in-law.

Warnia also felt that this was somewhat ironic, and she was uncertain how to develop with Charlie in her heart.

Just when Charlie was always in her mind, she received a call from him.

At that moment, her girl's heart was full of excitement.

When she got on the phone, her voice even trembled, and asked, "Mr. Wade, why do you have time to call me?"

Charlie smiled slightly and said, "Miss Song, I am going to start refining medicine tomorrow, but I need some medicinal materials. You can solve it for me and then send it over."

Warnia was suddenly excited when she heard that Charlie was finally going to make medicine.

The Song family has been waiting for Charlie's magical medicine, but they haven't heard anything about it. Everyone is waiting anxiously, but no one is embarrassed to urge Charlie. After all, Charlie wants to send them meds. How dare they rush to save face?

So Warnia hurriedly said: "Mr. Wade, don't worry, you can give me the list of medicinal materials, and I will immediately find the best quality medicinal materials to send to you!"

Chapter 272

"Very good." Charlie smiled slightly and said: "Remember to prepare more weight, I still have other use."

Charlie doesn't need money to buy medicinal materials, but he needs a reliable channel for medicinal materials. Good medicinal materials are like good antique cultural relics. The solution is important.

His roots in Aurous Hill are still relatively shallow, so he's naturally not as good as the Song family. They have cultivated in Aurous Hill for hundreds of years, and they are very strong in various ways.

Warnia hung up the phone and received a list of medicinal materials from Charlie, so she called Qin Gang of the Qin family as soon as possible.

Although the Qin family is not as good as the Song family, the head of the Qin family is in the business of antiques, wenwan, and Chinese herbal medicine.

Even Charlie didn't know that Qin Gang was actually the largest supplier of medicinal materials in the entire Aurous Hill area.

This is mainly because of Qin Gang's medicinal material business is not privately owned. It is a pharmaceutical factory that directly supplies major traditional medicines, as well as chain pharmacies, only wholesale, not retail.

Warnia recounted Charlie's list on the phone and then asked: "Mr. Qin Gang, I don't know if I can get these medicinal materials for me. I want the best quality and a large quantity!"

As soon as Qin Gang heard that Warnia wanted these medicinal materials, he immediately realized what he hurriedly asked: "Miss Song, dare to ask, this medicinal material is prepared for Mr. Charlie Mr. Wade?"

“Yes.” Warnia had a good relationship with Qin Gang, so she didn’t hide her words, she said: “Mr. Steven should have also heard that Mr. Wade rescued my grandfather. He made a favor a few days ago and wanted to give me some magical medicine. I will prepare medicinal materials for that.”

Qin Gang said immediately: “Miss Song, don’t worry, I will prepare these medicinal materials, and I will deliver them to Mr. Wade directly.”

Warnia said: “Mr. Gin Gang, please send it off to me, if it’s appropriate?”

Qin Gang said earnestly: “Miss Song, you and I are friends, so I won’t tell you those imaginary ones. I also want to dare to ask Mr. Wade for magical medicine. In the future, in case of emergency, I just borrow this opportunity of delivering medicinal materials to Mr. Wade.”

Warnia thought for a while, even if she didn’t let Qin Gang send medicinal materials, Qin Gang would look for Charlie for medicinal materials, so she just gave him a favor so that he could take advantage of the opportunity to send medicinal materials to Charlie.

So she smiled and said, “I don’t have any opinion on this, but Mr. Gin Gang must prepare for the medicinal materials that Mr. Wade wants. Don’t make any mistakes!”

Qin Gang quickly assured: “Miss Song, don’t worry, I can’t fool Mr. Wade!”

Warnia smiled and said, “That’s it, you go and prepare, and send it to Mr. Wade.”

After hanging up the phone, Qin Gang was very excited.

His daughter, Aoxue, the beautiful and hot little pepper, saw her father rub his hands in excitement at this time, and couldn’t help asking, “Dad, what are you excited about?”

Qin Gang laughed loudly: “There is a great thing!”

Aoxue asked in surprise: “What’s the great thing?”

“It’s Mr. Wade!” Qin Gang said excitedly.

Aoxue felt a little in her heart, Mr. Wade? ! That amazing master Wade?

She couldn’t help but shyly asked, “Dad, what happened to Mr. Wade?”

Qin Gang blurted out, “Mr. Wade is going to make a magic medicine! Miss Song asked me to help Mr. Wade prepare medicinal materials. At that time, I will also be going to ask Mr. Wade to come back for a magic medicine!”
