

Chapter 281

With so many bigwigs gathered together, Orvel didn't dare to speak loudly at all.

Even in his territory, when he entered the private room, he could only behave like a pug, wagging his tail in front of Charlie, hoping that he could take a look at himself.

Seeing that Orvel was so careful, Charlie smiled at him, nodded, and said, "Mr. Orvel, you are interesting."

Orvel heard Charlie's words and said with excitement: "It is my honor to be able to do things for Mr. Wade, Mr. Wade, please come to your seat."

Charlie nodded slightly and sat down in the position of Master Wade.

Then Orvel said respectfully: "Mr. Wade has any instructions, just call me, I will be at the door!"

After all, he carefully exited the box and guarded the door of the diamond box like a waiter.

Mr. Orvel is also the King of Aurous Hill Underground.

But at this time, he was just a gangster who couldn't get on the stage.

Each of these big men who ate with Charlie was much better than himself. In his capacity, he was not qualified to go directly to the table. It was already three lives fortunate to be able to talk to Charlie.

As soon as Charlie sat down on the main seat, Warnia followed closely and directly sat in Charlie's right seat.

The two were close to each other, only half a distance away, Charlie could even smell the faint fragrance of Warnia's body.

According to the rules at the dinner table, the most distinguished person is the main seat, and the next-level person is on both sides of the VIP guests.

Among them, the Song family is the strongest. As the representative of the Song family, Warnia naturally wants to sit with Charlie.

Therefore, at this time, whoever could sit on the other side of Charlie became the object of other people's intentions to fight.

Qin Gang pushed Aoxue at this time and smiled and said to Charlie: "Mr. Wade, you are a person with great magical powers. My daughter Aoxue has admired you for a long time and has always regarded you as an idol in her heart. Why not let her sit too? Next to you, serving you tea and pouring wine, what do you think?"

As soon as she said this, Warnia raised her pretty brows, and the expressions in Qin Gang's eyes were quite meaningful.

But Solmon White cursed secretly in his heart, what a f*cking shame that old dog Qin, wanted to use his daughter to get closer to Mr. Wade.

The main reason why Solmon White gritted his teeth in his heart is mainly that he has no daughters.

He secretly thought, if Solmon White, my daughter, will come out frantically when I get you Qin Gang.

At this time, Aoxue was flushed and embarrassed in her heart.

Although she also liked Mr. Wade, her father had already said that she should seize the opportunity, but in front of a group of people, it was too shameful.

However, although she was embarrassed, Aoxue was not the kind of twisted person, and she simply said openly: "Mr. Wade, please give Aoxue a chance to serve."

Charlie was taken aback when he heard the words, and said lightly: "Since you have this heart, just sit next to me."

Aoxue was overjoyed and hurriedly bowed to thank him, and then sat next to Charlie.

Tianqi's eyes were very envious. In fact, he also wanted his granddaughter to sit next to Mr. Wade. However, Aoxue was the first step, and the first step forward without removing this face for a while.

Tianqi did not dare to think about making Zhovia the woman of Mr. Wade.

But if Zhovia could be favored by Mr. Wade and accepted as a maid, that would be the blessing of cultivation in eight lifetimes!

Chapter 282

Because Charlie's medical skills are superb, and even his own ancestral medical skills, he knows better than himself. If Zhovia is fortunate to be able to serve Charlie in the future, she will definitely have the opportunity to learn.

This is also one of his purposes for bringing Zhovia to the dinner.

Of course, another purpose is naturally to seek medicine from Charlie.

He has been tortured by his own injuries for half his life, and now he finally has the opportunity to cure him in one fell swoop!

Thinking of this, Tianqi gave Zhovia a profound look, so she must look for opportunities to get closer to Charlie.

How could Zhovia not know her grandfather's thoughts, and her cheeks suddenly became crimson alluring, embarrassing and hot.

Zhovia hurriedly lowered her head, but waves arose in her heart. From time to time, she raised her head to look at Charlie, her fingers tangled together again.

Mr. Wade is the most powerful genius doctor she has ever seen. Both her character and appearance are superior. It is not an exaggeration to describe it as rare in the world, but she also knows very well in her heart that she can't be worthy of Mr. Charlie's attention and admiration.

Except for Zhovia, Aoxue and Warnia also looked at Charlie's eyes with strange colors, and their beautiful eyes never moved away from him.

Charlie didn't notice the gaze of the three women. He looked at everyone and smiled. He raised the cup and said, "Everyone, Wade is in Aurous Hill. It's so fateful to know you all. I have a banquet today and I want to get in touch with everyone more than I can usually. In the future in Aurous Hill, I will inevitably need every one of you to help me."

As soon as his hand moved, the crowd at the table also picked up the cups, for fear that it was a step slower.

Warnia hurriedly said to Charlie: "Mr. Wade is too polite. If you have anything, please do not hesitate to tell us. This is what we should do."

Tianqi also followed: "Mr. Wade reaches the world, and his medical skills are superb. The Old Master will admire you very much. If Mr. Wade has any dispatch in the future, the Old Master will dare not follow it!"

Charlie smiled faintly, and said: "Okay, everything is in the wine, everyone will do this glass!"

"Mr. Wade, cheers!"

Everyone drank a glass of wine together, and then respectfully raised the glass, seeing Charlie dare not put it down.

Charlie put the wine glass down first and then took out a box from his arms.

Everyone immediately stopped all their movements, and even their breathing became more cautious, their eyes all staring at the box, their excitement could not increase.

They know that in this box is the magic medicine everyone is thinking of!

Charlie looked at everyone at this time, and said lightly: "This is the medicine he is refining this time."

"Really!"

Everyone suddenly became excited.

Everyone came rushing to this magical medicine, and at this time they couldn't wait to see the magical medicine.

Charlie opened the box, revealing the ten pills in it, and said lightly: "Everyone, the medicine I refined this time is at least ten times more effective than the medicine I refined last time!"

"Ten times?!" Everyone was too excited to speak.

They wanted a magic medicine like the last time they were satisfied, but they didn't expect this magic medicine to be ten times better than the last one!

Charlie said at this time: "My medicine, I dare not say that it can save the dead and turn the living into immortals, but it can strengthen the body, prolong life, and cure all diseases. Before dying, as long as you have a breath, you can get a life back after taking my medicine. It is not a problem to live for a few more years. Therefore, after you take it, you must be cautious and cautious and not be sexually swallowed!"

Everyone was horrified and unbearable. This time, the medicine was so amazing?!
