

## Chapter 299

When Charlie unlocked the Aston Martin one77 with the smart bracelet, everyone at the scene was shocked!

Everyone exclaimed in their hearts: This Aston Martin one77 is really Charlie's!

Gao Junwei is also dumbfounded, what is the situation?

Isn't Charlie a pauper son-in-law?

How could he afford such an expensive car? !

Juan was even more stunned: "This is incredible. Can this man who eats leftovers can afford an Aston Martin one77?"

At this time, Charlie led her to the front of the co-pilot, and said with a smile: "My wife, get in the car, I'll take you around!"

Claire asked with a puzzled face: "Is this car really yours?"

Charlie nodded: "Of course, the key is here, can your husband lie to you?"

After speaking, Charlie hurriedly whispered in her ear: "Wife, Qin Gang actually lent this car to me to check out. He said it was for me to experience it. I deliberately pretended to force Gao Junwei just now!"

Charlie himself is not very interested in these two too much publicity cars. Today, if it weren't for Stephen's words to see his wife here, he wouldn't even bother to come and collect these two cars.

Moreover, he also knows his wife's personality. She is absolutely unwilling to drive such a car on a daily basis, which is too public.

So, he made up such a lie, and after taking his wife to experience it, he drove the car back and handed the two cars to that Limo for safekeeping.

Claire suddenly realized it, and at the same time, she was relieved.

She was really afraid that Charlie would continue to lie to the big men, and the more they lied, the more they would get into trouble.

Since someone else lent him the car to experience it, then she doesn't have to worry so much.

Thinking of this, she felt a lot more relaxed, and she was also full of curiosity about this Aston Martin one77.

Although Claire is not a vain woman, she still wants to sit in and experience such a top sports car.

So, she bent down gently and sat in this super luxurious Aston Martin one77!

Charlie didn't sit in anxiously, but looked at the dumbfounded Gao Junwei and Juan, and said with a sneer: "pauper is a pauper. Go back and make more money before you come out to pretend to be embarrassingly rich!"

After speaking, they were too lazy to take care of the sauce-stained expressions of the two, and sat in the luxury sports car and pressed the engine start switch.

In a short time, the super sports car's powerful engine roared throughout the exhibition hall.

Claire had never driven a luxury car of this level. She sat in the driving position, swallowed hard, held the steering wheel excitedly, and started the car.

The top luxury car Aston Martin one77 slowly started in the sight of everyone, drove down the slope on the other side of the booth, and then drove directly out of the exhibition hall.

The powerful aura immediately caused a sensation.

Gao Junwei was completely confused, is this car really such a waste? What is the situation!

Juan also had a pale face. If both cars belonged to Charlie, didn't she offend him a lot just now?

She couldn't help but get it: "This is impossible, isn't he the Rubbish son-in-law of the Willson family? Where did he get the car key?"

Gao Junwei could not accept life and death. Charlie could really afford this Aston Martin one77, so he gritted his teeth and said, "That hanging wire must have a stolen car key!"

When the manager Limo heard this, he was very angry. These two fools, dare to insult Mr. Wade? Just looking for death!

He turned his head to look at Gao Junwei and Juan, and yelled angrily: "You have offended Mr. Wade, and dare to bark here!"

With that said, he directly ordered the bodyguard: "Hit him hard!"

Gao Junwei was knocked to the ground with three punches and two kicks by the bodyguard. He was immediately caught by his hair and beaten desperately on the face. He soon became a pig head.

Juan was also beaten with disheveled hair, and her mouth was crooked, and Gao Junwei also limped in pain.

After beating the two, Limo directly let them be thrown out of the exhibition hall.

Gao Junwei lay on the concrete floor, shouting angrily: "d\*mn, who is this Charlie!"

Juan said angrily: "He is just a son-in-law, I think he is a driver at most, and it is impossible to be Mr. Wade."

Gao Junwei was beaten with blood foam in his mouth, and said: "Smelly rag, I will never let him go!"

After speaking, he had a cold expression, gritted his teeth, and said: "And Claire! Don't even want to escape from my palm!"

Here, Aston Martin one77 has left the convention center.

The super luxurious sports car has aroused the close attention of countless people on the street.

It was the first time to ride an Aston Martin one77, Claire found it very novel.

After all, it is the world's top supercar, and almost all young people hope to have the opportunity to experience it.

However, Claire's curiosity about it was just a taste of it.

Before Charlie drove far, Claire said to him: "Let's drive the car back, don't cause problems for Qin Gang."

Charlie said, "What are you afraid of? Mr. Qin Gang is a good person."

"That's not appropriate." Claire said seriously: "Anyway, we have already experienced it. Let's return the car and go home."

Seeing her persistence, Charlie nodded gently.

Immediately, he drove the car back to the exhibition hall and parked on the booth.

As soon as he got out of the car, Limo respectfully greeted him and asked him: "Mr. Wade, how do you feel? Are you satisfied?"

Charlie nodded and said in a low voice, "First, find a place for me to store these two cars, and I will ask you to get them later when I need them."

Limo didn't dare to ask too much, and nodded hurriedly: "Mr. Wade, don't worry, I will help you keep them safe!"

Charlie smiled with satisfaction and said, "Then I will leave now."

"Mr. Wade, I'll give it to you!"

"No need!"

On the way back, Claire couldn't help sighing: "I originally said that I would try to negotiate the list of the Convention and Exhibition Center, and by the way, I would have liked to invite them to the opening ceremony tomorrow. Now it's gone again."

Charlie asked curiously: "My wife, is your studio ready to officially announce the opening?"

"Yes." Claire said, "After so many days of preparation, it is almost ready to officially open."

Speaking of this, Claire said sadly: "It's a pity, I can't invite anyone with a reputation to come to join me. I only invite a few classmates, and then you and your parents will come as well."

Charlie nodded, but thought in his heart, can't find anyone with a big face to join her? Husband will help you find one!

Emgrand Group Mrs. Doris, Miss Song Family Warnia, Qin Family Patriarch Qin Gang, White Family Patriarch Solmon White, Underground King Orvel, and Treasure Pavillion's Mr. Bao Fungui.

He knows a lot of big people who are among the best in Aurous Hill, and they all are at the beck and call of Mr. Wade. Then, as long as he gives an order, they will come over and take care of his wife's business by the way. The wife's studio will surely make a sensation in Aurous Hill.

Thinking of this, he immediately edited a message and sent in a group to these people on WeChat:

"My wife's studio will open tomorrow morning. Please take the time to come over and join us. The address is..."
