

Chapter: 3013

He just can't stand the behavior of these people.

He didn't like them from the beginning.

Now that I saved them, I turned around and left without saying thank you.

Then Ye Junlin will discuss an explanation.

Not bothering with ants is another matter.

It's two different things.

They are so indifferent, then Ye Junlin will have to ask for an explanation.

When Ye Junlin asked this question, they were all taken aback.

It seems that Ye Junlin killed everyone in the Black Sky Alliance and saved them.

Should I say thank you?

After all, it was someone who saved them!

The two old men had to subconsciously thank Ye Junlin.

After all, this is the right thing to do.

But Sui Qingqing said one step ahead: "Thank you? Why thank you?"

Xi Mengxiang even added: "Yes, do we know each other?"

The three men Fan Yunpeng looked at Ye Junlin for granted.

Even a little surprised.

They didn't seem to realize that Ye Junlin saved them.

Ye Junlin replied: "I don't know! But you were chased and killed just now, and I saved you! You should be thankful! This is the minimum rule!"

As soon as the words came out.

Sui Qingqing was stunned for a while.

He even looked at the corpse on the ground several times.

That's right.

Ye Junlin killed everyone on the ground!

If it weren't for these people in the Black Sky Alliance, they would all be dead.

None of them can escape!

But Sui Qingqing bit his head and said, "Saved us? Not necessarily?"

Xi Mengxiang also said: "Yes, this is not to save us at all, right? I remember that the Black Sky Alliance wanted to kill us, you always ignored it, and you want to leave directly, right?"

As soon as these words came out, they were immediately supported by Fan Yunpeng and others: "What does this have to do with saving us? You are obviously saving yourself, right?"

"Yeah, obviously someone wanted to kill you, and then you fought back and killed them. What does it have to do with us?"

Ye Junlin said coldly: "But I killed all these people! Otherwise, you will all die! That's why I saved you!"

Sui Qingqing and the others shouted: "You are so strange? Isn't this a grievance between you and others? Can it all involve us?"

"It's not like you saved us at all, it's your own business! Someone killed you, and then you killed someone else.

We have nothing to do with your grievances at all. You are absolutely right, do you want to force others to owe you a favor? "

"I'm done! We're just the same enemy! You just saved yourself, it's none of our business, I've never seen someone with such a thick skin as you!"

...

Ye Junlin: "...".

Sure enough, I felt right at first!

These people are shameless to the extreme!

And it seems that their forces have basically been destroyed, and they can live to the present.

It is estimated that a lot of means have been used.

For example, let the companion be the dead ghost, stepping on the body of the companion to escape.

All the way to now!

Is it cheap?

People saved you!

Just move your mouth and say thank you!

This can lead to other things.

It was an eye-opener!

this time.

Ye Junlin really saw all kinds of shameless people!

There is no most shameless, only more shameless!

In the vast world, there are indeed all kinds of people.

"I saved you, you have to say thank you! That's the rule!"

Ye Junlin's matter has really been pursued to the end.

Don't give an explanation.

This can't be over!

He said coldly and released a strong breath.

"Understood! You didn't do this to hear us say thank you, did you? Are you mean? We all understand!"

Fan Yunpeng glanced at Sui Qingqing and the others.

Everyone showed the look of understanding everything.

Sui Qingqing stared at Ye Junlin, and sneered: "You saved us by forcibly saying this! It's not a verbal thank you. You want substantial benefits!"
