

Chapter: 3015

Sui Qingqing sneered shamelessly.

“Yes! That’s right! We are lucky!”

“We’re not going to die, God will take care of our killers!”

...

Ye Junlin really laughed angrily.

Can you say this?

In order not to admit that he saved them, can he say anything?

It’s getting more and more outrageous!

Can you even say something like being struck to death by a thunderbolt?

How thick-skinned this shameless man is!

Impressed!

Completely served!

If they didn’t shoot themselves just now, can they kill them under the Heitian League? ? ?

What about the brain?

What kind of strength do you have, don’t you have any points in your heart?

What happened to the seven people, don’t you know?

Can you still get out of the Black Sky Alliance?

So confident, right?

Ye Junlin sneered, and an idea appeared in his mind.

Since you said you can kill it from the Black Sky Alliance, right?

Then I’ll see for myself if you can kill them?

Are you not confident?

Well.

Prove your strength!

The idea was born.

Ye Junlin is not in a hurry to explore the forbidden area.

He is going to be honest with these people.

Seeing Ye Junlin coming over, several people began to panic.

“You...what are you going to do?”

Sui Qingqing said in a trembling voice.

“Are you going to kill us?”

“You can’t do this! If you can’t tell us, let’s do it, right?”

...

Fan Yunpeng and the others stepped back and said vigilantly.

They all broke out in a cold sweat.

If Ye Junlin wanted to kill them, it would be too simple.

How did those people in the Heitian League die before, they are vividly remembered.

Ye Junlin looked at them and said coldly, “I’ll give you one more chance!”

“Apologize and thank you, I’ll let you go!”

But these people are too stubborn.

Sui Qingqing said angrily, “Don’t even think about it! You want me to apologize in bed? I never thought you were like this!”

Xi Mengxiang also stared at Ye Junlin: “That’s right! Can we not know what your thoughts are? Don’t you just want to get our bodies and treasures?”

Ye Junlin didn’t say a word, and pressed up step by step.

“Why do you use force?”

Xi Mengxiang and the two trembled.

Fan Yunpeng and the others were unable to say a word because of their fear.

They are also afraid of death.

“I’ve given you a chance, don’t you want it?”

Ye Junlin asked.

“No! Impossible! I will not sell my body! My soul is noble!”

Sui Qingqing firmly opposed it.

The others also summoned their courage and shouted, “Don’t take a chance!”

They were able to figure out Ye Junlin’s temper.

If you want to kill them or forcefully get two women, it won’t be delayed until now.

If you want to act, you should already do it.

“Well, good. I’ve given you a chance!”

Ye Junlin laughed.

“You...what do you mean???”

Everyone realized something was wrong.

“run!”

A group of people are going to run.

However, Ye Junlin picked up the rope carried by the Heitian League person on the ground.

“Snapped!”

The rope flew out, knocking down the seven directly.

“Brush brush...”

After some tumbling, the seven were tied to a long rope.

Ye Junlin pulled the rope and left.

“You...what are you doing???”

“Let us go now!”

“You’re not heroic doing this!”

...

Several people shouted immediately.

Anxious!

I don’t know what Ye Junlin is going to do to them.

Yelling one by one.

But they are still tough enough!

There is no possibility of repentance and apology at all!

I have been blaming Ye Junlin!

But Ye Junlin ignored it at all.

Roughly drag them!

If you encounter large rocks or trees ahead.

Ye Junlin didn’t dodge either, and pulled them abruptly.

Either the stone shatters, or the tree bursts.

It didn’t take long for a few of them to be scarred.
