

# Chapter: 3022

Ye Junlin's intrusion directly disrupted the normal progress of Yan Zangsheng.

"One word side by side king, what are you doing?"

"Didn't you see that the genius doctor was busy?"

...

Long Sanlongwu immediately scolded him because he was a god.

The others were also displeased.

No matter how much they respect Ye Junlin, they will be angry at this critical moment.

"What's wrong?"

Yan Zangsheng raised his head and asked.

"The man behind you ruined my daughter's ice bed! Now she's got a poison attack..."

Hearing this, Yan Zangsheng looked at Junjun, a trace of unbearable flashed in his eyes.

But he returned to normal immediately, looking at Ye Junlin and said coldly: "What does your daughter's matter have to do with me? I didn't do it! And I won't detoxify your daughter, so why are you looking for me?"

Yan Zangsheng guessed that he really wanted to take action to detoxify Junjun.

He only glanced at it and knew how serious Junjun's toxin attack was now.

But he can't!

Resolutely not to mix things up with Ye Junlin!

Ye Junlin sneered: "I understand, it's a group of people who control you not to detoxify my daughter and destroy my daughter's ice bed!"

"Tell me who is behind the control of you? Otherwise I'll kill you!"

"Boom..."

Ye Junlin's terrifying murderous aura overflowed.

Covers everything here.

"Ye Junlin, what are you doing???"

"You still want to kill the magician?"

Long San and Long Wu immediately stopped in front of Ye Junlin.

"It is absolutely impossible to stand shoulder to shoulder with the king!"

The four leaders of Yanlongwei rushed up and hugged Ye Junlin.

Now Yan Zangsheng is the baby of Daxia.

How could Ye Junlin be killed?

"Okay, very good! I'll find them sooner or later! Just wait!"

"And my daughter's poison, I can solve it myself! I can do it without you!"

Ye Junlin left after leaving a sentence.

Yan Zangsheng didn't raise his head the whole time, and his expression didn't change.

I don't care about Ye Junlin at all.

But he said silently in his heart: "I hope you will never meet them, otherwise your end will be miserable!"

difficult!

Everything is so hard now!

Not only could they not find a way to treat Junjun, but some people frantically prevented Junjun from detoxifying.

Ye Junlin collapsed a little.

Why haven't the people from Zhen Mosi appeared?

Why can't I find the second half of the Poison Sutra?

After the dark doctor who came to know all this, he also sighed for a while.

Even more angry!

I'm still brooding about the ice bed being destroyed!

"Mr. Ye, it's now a critical moment!"

"In abnormal times, you have to use abnormal methods! In the past, there were many evil methods to detoxify! But we stopped them all!"

"There are a lot of ways to crook the door! But even if it can be detoxified, the side effects will be great. For example, the whole person is completely crazy, completely reduced to a demon and such..."

"Therefore, many people who offered bounties offered such methods or poisons used to fight poison with poison were rejected by us one by one!"

"But now Junjun is like this, I suggest starting from this direction! No matter what Junjun will become, no matter what he will be, detoxify first!"

...

Doctor Dark said a last resort.

Ye Junlin was silent.

He didn't want to touch this evil method.

He wanted to detoxify Junjun, and he wanted Junjun to recover normally without any side effects.

But even if this evil method is detoxified, it will not make Junjun normal.

This is something Ye Jun is unwilling to touch even when he dies.

But now there is no way.

Had to resort to this wicked method.

"Let me think about it first?"

Ye Junlin is very chaotic.

I don't want to make any decisions on this for now.

But soon an unexpected thing happened –

At this time, Hydra actually contacted Ye Junlin.

Claiming they have an antidote.

It depends on whether Ye Junlin believes it or not.

Trade if you believe...
