

Chapter: 3035

Soon after, they came to the Miaojiang Shifang Mountains.

“The king of evil gu is really cruel! Killing so many people! It is cruel enough to use living people to practice gu!”

“In order to refine the strongest evil Gu, you can really do anything!”

...

The recent brutal actions of the King of Evil Gu were found, and several people in the dark doctor scolded him.

Ye Junlin said nothing.

Just kept a cold face.

Soon after, everyone arrived at their destination.

“Ok?”

This made everyone stunned.

what happened?

Why are so many people gathered outside the Evil Gu King’s Nest?

A few have to be in the thousands.

They are all masters!

“Black Sky Alliance?”

Ye Junlin saw a few familiar figures in the crowd – from the Black Sky Alliance!

The burly man with obvious characteristics is also there.

Holding a pair of mutant wolves in his hands.

Looking at the crowd, there are many people leading the beasts.

It seems that after the recovery of spiritual energy, many people tame these mutant beasts.

wrong?

What are they doing?

One force gathers together!

“Huh? They didn’t have them when I came here before. Why are there so many people all of a sudden?”

The Evil God of Poison was also very surprised.

“What does it look like, is it related to the King of Evil Gus?”

Doctor Dark wondered.

Ye Junlin also became nervous.

If the information that the most poisonous Gu of the King of Evil Gus will detoxify Junjun is revealed.

Then he was too late.

Most likely it has been destroyed.

When Ye Junlin and his party appeared.

It is not surprising that there are so many forces, they all thought they were here to encircle and suppress the king of evil gu.

Moreover, these forces ran out because of the recovery of spiritual energy, and Ye Junlin had never been seen before.

So I don’t know them all.

“Huh? Boss (Master) why did you come here?”

Suddenly a surprised voice sounded.

I saw the people from Tenjinji coming.

Among them are Qinglong Qilin, and Xiao Feng.

They received a mission from the Heavenly God Division to exterminate the King of Evil Gus here.

I didn’t expect to see Ye Junlin and others just after arriving here.

“Could it be that you are also here to surround and suppress the King of Evil Gus?”

Kirin asked.

Ye Junlin was taken aback for a moment.

But that’s how it reacted.

It turned out that so many people gathered here to surround and suppress the king of evil gu.

“what happened?”

Ye Junlin asked.

Qinglong told Ye Junlin everything.

This made Ye Junlin breathe a sigh of relief.

He thought it was the opponent who discovered the existence of the King of Evil Gus and came to destroy it.

It was just a coincidence that they were going to encircle the king of evil gu.

Clear out the scourge of these big summers.

After all, this past time.

Daxia has no gods, was bullied by outsiders, and was almost divided.

The interior is certainly the same.

So many people jumped out from the hidden world, and made all living beings burnt.

This group of hidden forces is not very strong in this era when gods are everywhere.

They are just like the ancient Ye family, only living in a place with a little spiritual energy.

Just like the No. 76 forbidden area that Ye Junlin once destroyed, now think about it, their resources are actually “reiki”.

This “reiki” doesn’t exist outside, only where they live, so they won’t come out.

But after the aura recovered, the aura outside was more intense, and they all ran out naturally.

Each one became a curse.

However, Tiance Mansion has no strength to solve these problems at all, so they can only watch.

Now it’s finally out.

The formation of the Tenjin Division will solve these problems.

Doctor Dark and the others heaved a sigh of relief, thinking they were slow.

It was just a misunderstanding.

Just in time.

A false alarm!

I thought that the mysterious power was so powerful.

What they are going to do, people can always guess one step ahead and stop it one step ahead!
