

Chapter: 3037

Ye Junlin stared at him and said, "I didn't say I was with him, and I didn't want to help him! It's just that you can't kill him for the time being!"

"Yes, we still have something to do! When we are done, you can do other things!"

Doctor Dark also said.

They dare not disclose the matter of letting the King of Evil Gu detoxify Junjun.

This kind of evil method is despised by everyone, and it is also prone to accidents.

"As long as you stop us from destroying the King of Evil Gus, you are helping him!"

"Yeah, we are all stupid to the door, you stop us?"

"Besides, what do you have to do with this scourge that has been stinking for thousands of years?"

"You can stop us, but you must give us a good reason!"

...

Long San, Long Wu and the others said coldly one by one.

Even Qinglong and Xiao Feng couldn't understand it.

What exactly does Ye Junlin have to discuss with the King of Evil Gus?

"Is this Ye Junlin? If you stop us, you are going against the wishes of the entire Great Xia!"

"You are preventing us from killing the people! Do you know how many people inside these people have killed? Many living people are suffering inside at the moment!"

"We're a second late, we don't know how many people died, how many people suffered! We're here to save them!"

"When you stop us, you are harming people, helping the great scourge of the King of Evil Gus! Are you sure?"

...

These major forces that kill people like numb, say that the justice is Ling Ran, and the sound is grand.

They were obviously eager to divide up the treasures of the King of Evil Gus and the treasures of heaven and earth from the first-level forbidden land.

But take this supreme excuse.

But what they say is reasonable, and you can't refute it.

"Do you know how difficult it is for us to get together? It's hard to eradicate the scourge, but you are actually blocking it?"

"Anything that stands in your way, no matter what your excuse is! You are helping the King of Evil Gus! That is our enemy! Daxia's enemy!"

Long San also stood on the moral high ground and began to put pressure on Ye Junlin.

"Ye Junlin, you have considered it clearly, standing opposite us is our enemy! We don't mind getting rid of you first, and then step on the lair of the evil king!"

Long Wu directly regards Ye Junlin as an enemy.

"Yes! Blockers are killed without mercy!"

The major forces shouted.

A war is imminent.

"Wait! Slow! Everyone calm down first!"

Qinglong and the others immediately stood up, for fear that the two sides would fight directly.

"Wait for me to ask!"

Qinglong gestured to Long Sanlongwu, and then asked Ye Junlin:

"Boss, what is the matter with you coming to find the King of Evil Gus? If you don't make it clear, everyone will not stop!"

Ye Junlin hesitated.

Where can you say this?

Looking for the King of Evil Gus to detoxify, what about bullshit?

And the principle of detoxification is to let the king of evil gu use his strongest evil gu to devour the poison in Junjun.

Now everyone knows how strong the poison is in Junjun. If he is swallowed by the most poisonous poison of the king of evil gu, he does not know how strong the poison will be.

This is equivalent to making the King of Evil Gu stronger, who can agree?

Ye Junlin said it, and most people must object.

Besides, there are people who will definitely stop using this kind of evil method to detoxify Junjun.

Ye Junlin was not afraid of them and could kill them all.

But how can you kill because of this?

"The reason I can't say for the time being!"

It's just that Ye Junlin's voice just fell.

Someone immediately said: "You shouldn't ask the King of Evil Gus to detoxify your daughter, right?"

Someone guessed it.

This made Ye Junlin tremble.

Someone reminded, and everyone reacted.

"I heard that the king of evil gu has refined a kind of evil gu since he knew the gu technique, and it is called the strongest evil gu! It is still refining gu! Now this most poisonous Gu is so powerful that it is close to the point of death within 100 meters!"
