

Chapter: 3039

As soon as these words came out, the audience immediately exploded.

Isn't Ye Junlin just one step away from the most poisonous Gu?

Ye Junlin is purely here to send assists.

Not to mention whether Junjun's poison can be solved or not, will she be in danger.

The evil gu is sure to devour the poison of Junjun, and its growth is certain!

It is powerful, which means the power of the King of Evil Gu.

Threats to everyone!

Everyone's concerns are justified.

Of course, this group of talents won't care how Da Xia is ruined, they are just worried that after the King of Evil Gu is powerful, they will not be able to deal with it and will not be able to divide up his treasures.

Therefore, the King of Evil Gu must not be made stronger.

Junjun's poison cannot be sent.

"Ye Junlin, we are targeting you! This is indeed the case! Detoxifying your daughter means that the King of Evil Gu is powerful! At that time, it will threaten the lives of everyone in Daxia!"

"You can't put the entire Daxia in dire straits for your own selfish desires! You can't save your daughter, sacrifice others, everyone is innocent!"

"What's more, your daughter's poison may not be able to be solved, and it is easy to be dangerous!"

...

Long San Long Wu said.

"Yes, we will resolutely stop your actions that make the King of Evil Gus powerful!"

"Yes! You can't stop us!"

"Ye Junlin quickly get out of the way, or I'll kill you!"

...

The Black Sky Alliance and other forces shouted.

Everyone is going to attack.

Even Qinglong thinks so.

To detoxify Junjun like this, not to mention the danger, but also make the King of Evil Gus easy to become stronger.

At that time, it is really a threat to Da Xia!

I don't know how many people are going to die!

Therefore, they did not speak.

They don't even know how to say...

"If you were not from Daxia, I would have stopped talking nonsense with you, and hit you directly!"

"Some people may really think about the safety of Daxia, but I will tell you all about it! Even if the King of Evil Gu succeeds in refining the strongest evil Gu, I can kill him! He can't make it!"

Ye Junlin said lightly.

He would definitely not take a king of evil beasts in his eyes.

One punch thing!

But when Ye Junlin came out, everyone didn't believe it.

"Blow it! Once the strongest evil Gu is perfected, who knows what level he can reach! Can you guarantee it?"

"What if you can't guarantee it? If he is really out of control, then because of your own selfish desires, Da Xia will be in hell!"

"Guaranteed shit, you can't guarantee anything!"

...

Everyone refused to agree.

"Ye Junlin, listen carefully, as long as we are here, don't try to detoxify your daughter with evil gu!"

"Here is the order of the gods! All the guards of the gods listen to my orders! Attack!"

Long San took out the order of the gods and ordered it directly.

Before Daxia and these gods joined the Tenshen Division, they all promised that they would obey any orders when they saw the orders of the gods.

"Brothers rush in together! Whoever stops and kills whoever!"

The Black Sky Alliance and other forces are also preparing to charge.

Qinglong and the others are extremely tangled.

On one side is the order of the gods, and on the other is Ye Junlin.

They can't attack at all.

An irritable cold sweat broke out.

At this moment, Ye Junlin suddenly shouted: "Qinglong, Qilin, Suzaku, White Tiger, Xuanwu, Xiao Feng..."

"Stop them for me!!! If you still think I'm Ye Junlin!"

"what?"

How many people are going crazy!

It's even scarier than they thought!

Ye Junlin began to let them choose.

Whether to choose him or choose the order of the gods!

This question is so hard!

Everyone's footsteps were stagnant, and they all looked at Qinglong and the others.

Waiting for their choice!

"All the god guards attack me!"

"What are you hesitating about? Attack me!"

Long San and Long Wu shouted.

"Aren't you still the guardian of the gods? Is it difficult to choose?"
