

Chapter: 3040

“What about your loyalty? What about your promise? You are a member of the Tenjin Division! You must obey the orders of the gods unconditionally! Even if the knife is on your neck!”

...

Long San and Long Wu shouted wildly.

Others are waiting for the decision of the crowd.

Qinglong and the others hesitated until their blue veins burst, with a painful expression on their faces.

This choice is too painful.

The urging of Long San and Long Wu kept coming from their ears, and their heads were about to explode.

“what!!!”

“Stop them!”

...

Suddenly, Qinglong, Qilin and the others all turned around, facing Long Sanlong Wu and thousands of people...

All of them really turned around at the same time.

“Whoever passes by here is my enemy, killing without mercy!”

“Yes, no one can pass from here!”

“Boss (Master), don’t worry, we are guarding here!”

...

the crowd shouted.

They formed a human wall to block Long Sanlongwu in front of them.

Ye Junlin was very relieved to see this scene.

Enter the king’s lair with the Dark Doctor and the others.

Qinglong and the others looked at each other and all laughed.

So happy for their choice!

They stood on Ye Junlin’s side again.

“Reverse! Reverse! Qinglong, you are reversed! You don’t obey the orders of the gods! I must tell others about your actions today! Expel you from the gods!”

“It’s over! It’s over! It’s over now!”

“If the strongest evil gu swallows the strongest poison, who can stop it?”

“Wait, before long Daxia will become hell!”

“By then, too many people will die, and you will be blamed!”

...

But no matter what they say.

The human wall formed by Qinglong and the others did not give in an inch.

“Give me... hey, forget it...”

Long Sanlongwu still wants to attack.

But seeing Qinglong and their so many gods.

It can only be a lose-lose situation.

There is no way.

Can only wait here.

prayed...

However, the forces of the Black Sky Alliance were angry because they were afraid that they would not be able to divide the treasures of the King of Evil Gus.

There is no way.

There are so many gods standing in front of them.

There’s really no way.

Ye Junlin and his party of five continued to go deeper.

Saw a lot of poison and beasts.

Seeing the evil evil spirits, his eyes were straight.

To him, everything in front of him is a treasure, more addictive than a woman.

But what followed was a scene like purgatory on earth.

Living people refining Gu.

It’s terrifying to the extreme!

It looks irritating.

Many babies and children were also refined Gu.

It looks distressed and angry...

“It’s not fucking human!!!”

Doctor Dark cursed.

Ye Junlin was also very angry.

Looking at those children, I think of Junjun.

Jun Jun is poisoned, as well as himself.

But what about them?

only to be tortured.

But there is no way...

Keep going.

They finally meet people.

In fact, at this time, the King of Evil Gu and his apprentices all received messages.

Thousands of masters outside surrounded them.

Hundreds of people stared at Ye Junlin and them.

The king of evil gu in the rear even put out all the poisonous gu to prepare for a battle.

“Don’t get me wrong, we are here to detoxify the King of Evil Gus!”

Ye Junlin said.

“Ye Junlin, right? Is your daughter the strongest poison?”

A thin, terrifying, ghostly old man stepped out from behind.

His eyes were glistening.

He looked at Jun Jun excitedly: “It’s really strong! This poison!”

Not wrong.

His most poisonous Gu is about to be successfully refined, and it is just a matter of savage preparations.

Now it’s delivered to your door.

How could he not be excited?

It is melancholy, there is a strong poison as the nutrients of the most poisonous Gu.

The poison in Junjun’s body is too suitable.

Ye Junlin naturally saw his intentions.

But for Junjun, he didn’t say anything.

“Come on! Let’s start!”

Ye Junlin didn’t talk nonsense, and directly carried Junjun to the front.
