

# Chapter: 3044

At this time, Long San and the others had already rushed in with all the forces.

However, the old nest of the King of Evil Gus was already in ruins.

Everything was destroyed.

People are all dead.

The treasures of heaven and earth have been scrapped, and the crystals of spiritual energy have all dried up.

Even the poison and poisonous poison were destroyed.

Obviously it is a first-level forbidden area, but there is nothing that can be used now.

Exploded!

These forces of the Black Sky Alliance are going crazy.

Aren't they just here to find benefits?

There is nothing now.

“What’s the matter? What’s the matter?”

Everyone was puzzled by this.

“It should be when the strongest evil Gu was refined, it destroyed everything around it, let the treasures of heaven and earth wither, and let the vigilance of spiritual energy completely dry up!”

“After all, there won’t be any living creatures around this evil Gu!”

Long San explained.

“But where is the king of evil gu? Where is the strongest evil gu? Why are they all gone?”

“They shouldn’t have escaped!”

Everyone quickly found the point.

The evil king is gone.

But everyone saw some traces.

It seems that the king of evil gu has exploded.

“Should be dead! I just heard Ye Junlin say that the strongest evil gu can absorb at most half of his daughter’s poison! I guess that the poison on Ye Junlin’s daughter is too strong! It exceeds the evil gu’s ability to bear!”

“And this evil gu is made by the evil gu king by himself. The evil gu is one with him. If the evil gu can’t bear the explosion, he will naturally explode too!”

An old man who is good at this said.

Everyone nodded approvingly.

It seems so.

Otherwise, it is impossible to explain the secret that the King of Evil Gu exploded.

It can’t be Ye Junlin who killed it, right?

Does he have this ability?

Even if he can fight against the gods, the king of evil gu just now is far beyond the gods!

“Damn! It’s all Ye Junlin’s fault! Although the King of Evil Gus has been eliminated, everything is ruined!”

“We don’t get any benefit at all!”

“If we personally encircle and suppress the king of evil gu, there will be a lot of benefits!”

“Ye Junlin, if you want to pay it back, you have to compensate us!!!”

...

The major forces have tacitly understood that they want to make up their minds on Ye Junlin.

They tried their best to get no benefit.

All this is because of Ye Junlin.

Therefore, they asked Ye Junlin to return this and make up for it.

Next, these forces will attack Ye Junlin.

Isn’t Ye Junlin a lot of resources?

Then grab it from him!

However, they need to attract more power, and it is not good if they lose out on Ye Junlin.

When Ye Junlin became famous before, they had this idea.

However, Ye Junlin has been abroad, and it is difficult for them to reach out.

But now it is different, Ye Junlin happens to be in Daxia.

They have a chance.

Violently grabbed Ye Junlin and said it again.

...

But Long Sanlongwu laughed: “Although Ye Junlin shouldn’t be involved, our goal has been achieved, and the king of evil gu has been eliminated! Everyone can rest assured!”

The Heavenly God Division is all here to encircle and eliminate the king of evil gu.

But how do they understand the minds of these people?

They didn’t care how many people the King of Evil Gu had killed and what kind of threat they could pose to Da Xia.

It’s just a matter of how much profit you can get.

Not to mention that they are already making plans for Ye Junlin.

“How wonderful! This scourge has finally been removed!”

...

Everyone pretended to make some appearances.

It looked as if they were really excited about the fall of the King of Evil Gus.

In fact, they were all thinking about how to attack Ye Junlin.

I just saw Qinglong and the others defend Ye Junlin so much. They are gods and there are many people.

You have to find a way to get rid of them before you can attack Ye Junlin.

After Ye Junlin and the others left, he immediately released a reward order to detoxify Junjun.
