## THE PROTECTOR

Chapter: 3068

They never expected Ye Junlin to make such a move before.

Catch them off guard.

Therefore, they immediately began to discuss countermeasures.

Fortunately, I finally figured it out.

The auction in the field has come to a white-hot state.

They grinned wickedly and looked at Ye Junlin.

"Come on, let's continue!"

The man shouted frantically: "350,000 aura crystals! I don't believe you

After the representative of the Snow Leopard Country got Ye Junlin's advice, he didn't care.

can follow me?"

truth.

Anyway, no matter how much you shout, someone will tell you the

Just now, Ye Junlin also clearly stated that at least one million yuan is

required to start.

This is where?

The representative of the Snow Leopard Country raised his hand confidently: "Then forty..."

But when he was about to shout, the person in charge of the auction

times, the deal!"

He shouted too fast.

"boom!!!"

on the stage directly shouted: "Okay, 350,000 yuan, once, twice, three

Don't give any chance at all.

"ten thousand....."

guard.

It can be seen how fast the person in charge of the auction speaks.

Don't give anyone else a chance to shout at all!

Everyone in the audience was stunned.

Wait until the auction director has made a final decision.

But the final word came too quickly, and the audience was caught off

The representative of the Snow Leopard Country only shouted a 4D.

Ye Junlin was also stunned.

Including the man behind War Eagle Nation and Hydra, they were all stunned.

The representative of the Snow Leopard Country was stunned.

what's the situation?

"Impressed!"

And such?

Don't let buyers bid?

Is there such an operation?

It's true I didn't think of it!

this this this...

Seller directly confirmed!

He was ready to fight with Ye Junlin to the end.

He didn't even make a move.

immediately shouted.

On the stage, the person in charge of the auction said with a smile:

"Then congratulations to this gentleman for taking this magical

Doctor Dark and the others were also full of astonishment.

Even the man was dumbfounded.

medicine!"

"Hey, what's the matter, I haven't shouted yet?" "I didn't give up, I still have to increase the price!"

The representative of the Snow Leopard Country was anxious and

The representative of the Snow Leopard Country naturally refused.

Just the person in charge of the auction sneered: "Is there? Why didn't

The representative of the Snow Leopard Country was anxious, and

immediately said: "He called for 350,000 yuan...I want to call for

400,000 yuan! As a result, just as I was about to call, you gave the

As a result, it was announced that the magic medicine belonged to him.

How can anyone be bullied like that.

I hear you shouting! No one shouted, I'm sure!"

No matter how you say it, people won't care.

The person in charge of the auction sneered: "I didn't see you shouting

"I waited for a full minute and saw no one shouting before I was sure!

Others also spoke up.

and you didn't shout!"

after another.

"Yeah, we didn't even see it!"

"We can testify! After a minute, no one shouted! That's for sure!"

"Yes, yes! It's you who are lying!"

"I've never seen a shameless person like you!"

The representatives of the Snow Leopard Country are speechless! Want

to cry without tears!

Who is kidding?

Shameless!!!

Where did you shout?" Snow Leopard Country representative: "...". Is this full of nonsense? Still waiting a minute? Don't see yourself yet? This is downright bullshit! To distort the facts, to reverse right and wrong black and white! "That's right, I didn't see you shouting! Everyone waited for a minute,

"Yeah, we've been on stage all the time, we didn't see you shouting!"

Even the Hydra and the organization of the revenge Hydra ran out one

"Yeah, don't quibble! The eyes of the masses are sharp!"

There were almost such voices in the audience, and they wanted to make fun of this matter.

Who is shameless? Relying on the large number of people, he directly distorted the facts

and blamed everything on him.
